RE: Temporary Appropriation Request

Dear Mr. Bleed:

The Arkansas Department of Veterans' Affairs (ADVA) requests permission to obtain temporary appropriation from the holding fund for the Veterans' Cemetery – State appropriation.

The amount requested is \$50,000.00 in Capital Outlay (512:00:11). This will allow the agency to purchase a Wacker Dumper to perform the necessary work required to complete all burials at the North Little Rock Cemetery. This amount will ensure adequate appropriation is available to cover the cost, taxes, and shipping. The Agency will follow required State Procurement Laws.

Should you need additional information, please contact me at 501-683-1643.

Respectfully,

Dear Mr. Walther,

I respectfully request your approval for an additional appropriation under Section 34 of Act 1006 of 2019, in the amount of \$605,000 to the Conservation Tax Appropriation (Fund center 500) for the State Parks Division of The Department of Parks, Heritage and Tourism. This appropriation is necessary to allow the agency to redirect payment of essential operation expenses to this appropriation. The COVID-19 public health emergency created a severe funding shortage in the State Parks Division cash fund, causing a recertification of income and corresponding budget reduction.

The requested amount includes the following commitment Item:

Professional Fees (506:00:10) \$605,000

Thank you for your consideration.

Sincerely,
