RE: Overtime Appropriation for Plant Board Peanut Grading program

Dear Duncan:

The demand for peanut grading services by the State Plant Board has increased over the last two years and is expected to increase in fiscal year 2017. To meet the increased demand in peanut grading, we request an increase in overtime appropriation, CI06, by \$21,000.00 for Fund Center 37A, Fund SDP0101, to ensure overall peanut quality and value for commercial sales. These grading services are performed by extra help employees who must be on site to perform grading from early morning until the last loads come in at night. The duration of this harvest is short but the hours required per day are long and therefore generate overtime obligations that must be paid out to these temporary workers.

Please let me know if you need further information at (501) 219-6366 or fred.wiedower@aad.ar.gov. Thanks for your consideration.

Sincerely,
