Dear Senator Flippo and Representative Eaves,

Under Arkansas Procurement Law, all non-exempt contracts for "services", as defined in Arkansas Procurement Law, must be presented for legislative review if they have an annual contract amount that equals or exceeds fifty thousand dollars (\$50,000) in any contract year or a total projected contract amount of three hundred fifty thousand dollars (\$350,000) over the term of the contract. See Arkansas Code Annotated § 19-11-265.

With this letter, the Transformation and Shared Services Office of State Procurement is presenting all such contracts that it has received for legislative review this month. None of the contracts presented appear, on their face, to have been procured in violation of Arkansas Procurement Law. We ask for their favorable review.

Should you have any questions, we will do our best to see that they are answered.

Sincerely,

A handwritten signature in black ink that reads "Leslie Fiskien". The signature is written in a cursive, flowing style.

Leslie Fiskien
