Contract Summary Construction services including the development of the Little Pine Parking Lot and stairwell renovations in the Academic Building.

Purpose for Amendment The contract for the Little Pine & Stairwell Renovation project with Seale Construction, inc. at ASMSA is set to expire on March 31, 2026. While the project is nearly complete, a small portion-approximately 10 feet of sidewalk valued at around \$500-remains unfinished due to a delay awaiting AT&Ts removal of a pole as part of a street widening effort, with the final completion date still to be determined. To allow sufficient time for this work to be completed, an extension of the contract expiration to May 31, 2026 is being requested.

Contract Summary

The Arkansas Department of Agriculture Natural Resources Division (NRD) requires Financial Advisor services for the Clean Water State Revolving Fund and the Drinking Water State Revolving Fund, collectively known as the SRFs. ANRC plans to engage a single financial advisory firm, familiar with State Revolving Fund regulations and rules of the U.S. Environmental Protection Agency ("EPA"), to assist with the financial decisions that ANRC must make as part of managing the program. The Revolving Loan Fund Programs ("RLF") have 165 and 111 outstanding bonds for the Construction Assistance Revolving Loan Fund and Safe Drinking Water Revolving Loan Fund, respectively.

Purpose for Amendment

The Arkansas Department of Agriculture Natural Resources Division (NRD) requires Financial Advisor services for the Clean Water State Revolving Fund and the Drinking Water State Revolving Fund, collectively known as the SRFs. ANRC plans to engage a single financial advisory firm, familiar with State Revolving Fund regulations and rules of the U.S. Environmental Protection Agency ("EPA"), to assist with the financial decisions that ANRC must make as part of managing the program. The Revolving Loan Fund Programs ("RLF") have 165 and 111 outstanding bonds for the Construction Assistance Revolving Loan Fund and Safe Drinking Water Revolving Loan Fund, respectively.

When the amendment for this Contract was submitted, it was realized that the method of procurement was incorrect.

Contract Summary Provide professional engineering design services for the production of studies, plans, and specifications and contracts for:
 -Statewide - Refurbishment of existing Arkansas Wireless Information Network (AWIN) towers across the state. Sites for the AWIN system, due to aging and proposed equipment changes, have developed issues that fall below the acceptable standard for a communication tower site. This project would be for the correction of these issues that have already been identified in site studies. This would include tower structures.

Purpose for Amendment The purpose of this amendment is to extend the contract for another year. This contract is for the engineering design services for Arkansas Wireless Information Network (AWIN) towers across the state.

Reason for Amendment
 No material change
