Dear Mr. Walther,

The Arkansas Department of Corrections is requesting \$37,155 in supplemental FY22 cash appropriation to allow the purchase of a fire truck. The Fire Station is used for the Division of Correction and the local community. The Fire Department has a need for a replacement truck and will not be able to purchase the truck without this appropriation. Funding is available for this request.

Commitment Item – (512:00:11) Capital Outlay - \$37,155

The Division of Correction Fire Station – Protection fund (0480 – NDC0400*) currently has appropriation in the amount of \$25,000 for operating expenses. Act 870 of 2021 did not provide any Capital Outlay appropriation.

I am requesting that the Performance Evaluation & Expenditure Review (PEER) Committee of the Arkansas Legislative Council place this transfer request on the agenda for consideration at the earliest date possible. Thank you for your assistance in this matter.

Sincerely,

Memo: FY22 Cash Appropriation Request

Business Area: 0175 (National Park College)
Fund: 2120000
Fund Center: A72
Commitment Item: (502:00:02) Operating Expense, \$1,750,000.00
Commitment Items (506:00:10) Professional Services \$ 500,000.00

Dear Mr. Walther:

National Park College (NPC) respectfully requests a cash appropriation in the amount of \$2,250,000 for the establishment of a commitment lines as referenced in the memo line above. The appropriation will provide the authority to disburse funds for operating expenses to complete the fiscal year. This request is needed due to spending related to the Federal relief funds which were accumulated electronically in the incorrect AASIS reporting category and for additional spending in auxiliary services that are fee based. The College is correcting the programming of the AASIS reporting to provide more accurate reporting.

Thank you for your consideration,

John Hogan, PhD
President
