1600 South College Street
Mountain Home, Arkansas 72653

Dear Chancellor Myers:

This letter serves as formal notification and official record of action taken concerning Arkansas State University Mountain Home by the Institutional Actions Council of the Higher Learning Commission at its meeting on January 10, 2022. The date of this action constitutes the effective date of the institution's new status with HLC.

Action with Interim Monitoring. IAC accepted the team report for Arkansas State University Mountain Home. In conjunction with this action, IAC required the following interim monitoring.

Interim Report. An Interim Report due 9/1/2023 that demonstrates ASUMH's renewed commitment to minority recruitment and retention, with a particular emphasis on racial and ethnic diversity.

Interim Report. An Interim Report due 05/31/2024 with two focus areas: one, to document that the new policies, procedures, and processes for general education outcomes are being effectively implemented, evaluated, and sustained; and two, to document that ASUMH has continued its emerging assessment practices and taken them to scale.

In taking this action, the IAC considered materials from the most recent evaluation and the institutional response (if applicable) to the evaluation findings.

In two weeks, this action will be added to the *Institutional Status and Requirements (ISR) Report*, a resource for Accreditation Liaison Officers to review and manage information regarding the institution's accreditation relationship. Accreditation Liaison Officers may request the ISR Report on HLC's website at <https://www.hlcommission.org/isr-request>.

Within the next 30 days, HLC will also publish information about this action on its website at <https://www.hlcommission.org/Student-Resources/recent-actions.html>.

If you have any questions about these documents after viewing them, please contact the institution's staff liaison Linnea Stenson. Your cooperation in this matter is appreciated.
