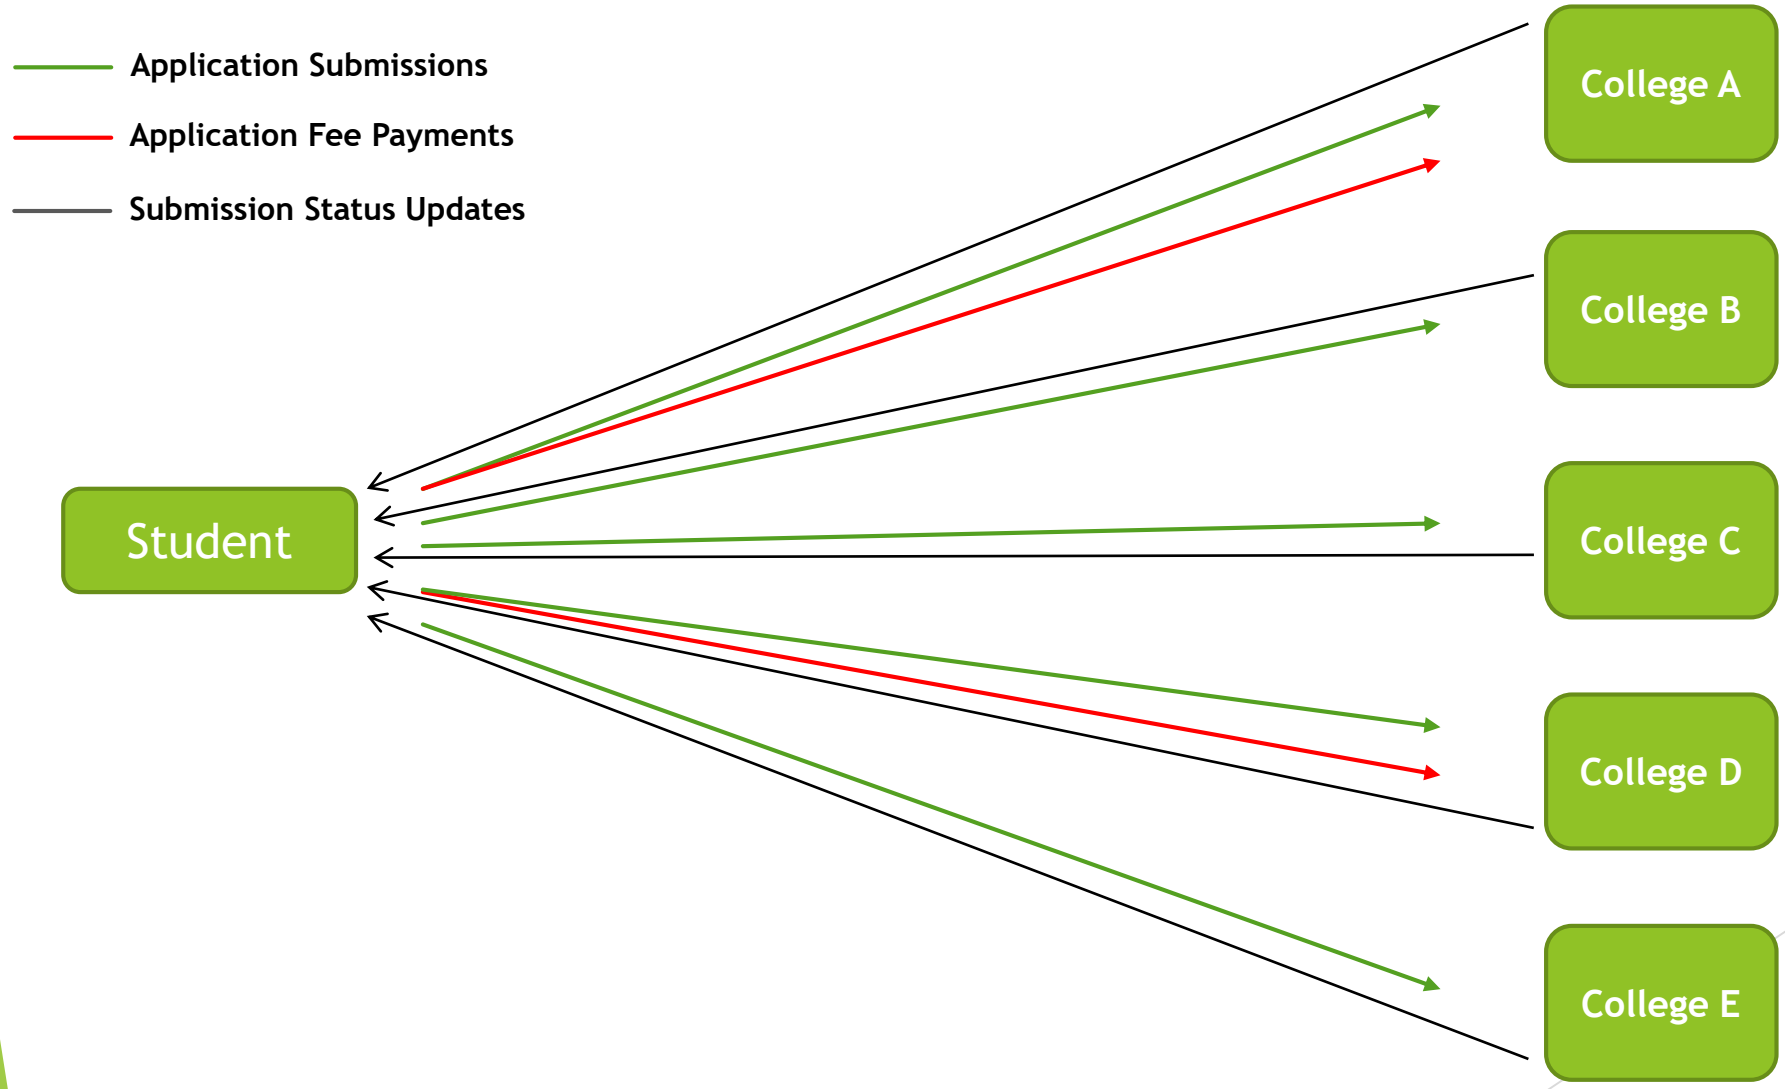
PRESENTATION

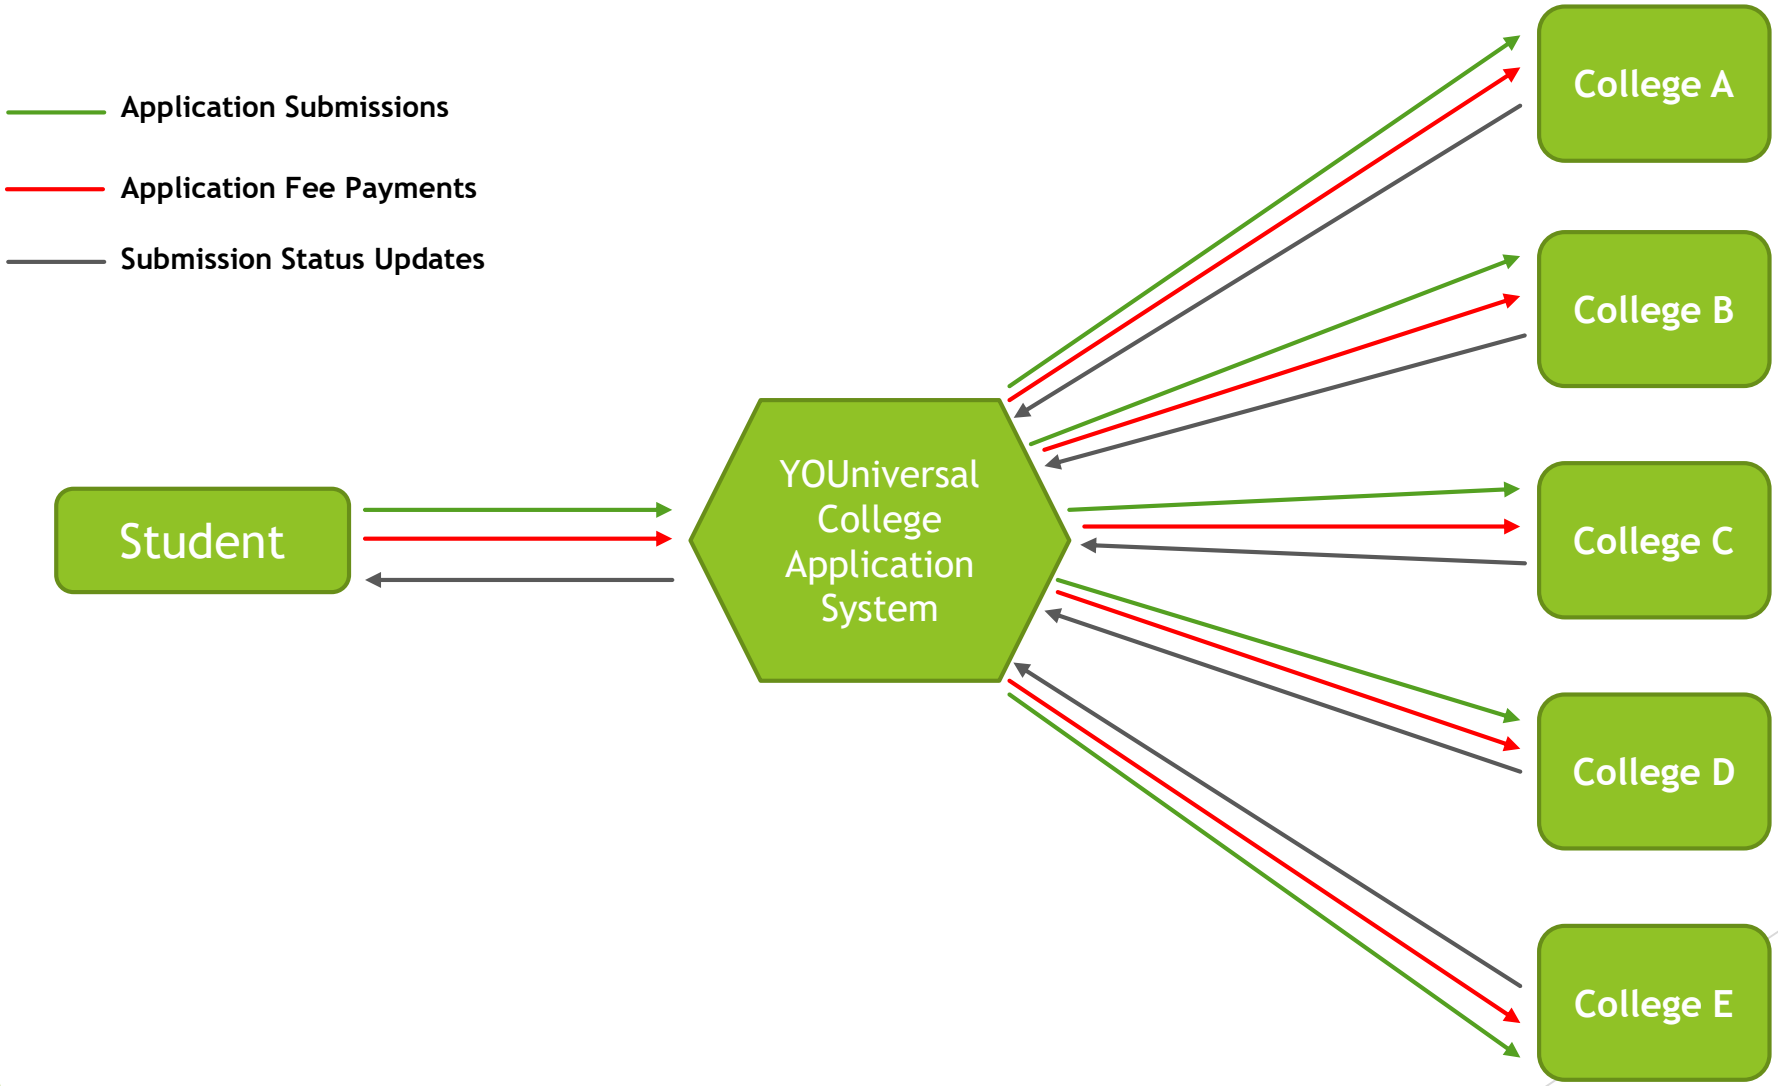
YOUniversal College Application

Solution Proposal

The Application Process Today:



Solution:
The YOUniversal College Application



Solution:
The YOUniversal College Application

Benefits To Students:

Students complete a single online college application to any participating schools.

Avoids duplicate entry and working across a mix of paper and digital formats.

Students complete checkout once for all schools charging an application fee.

Students have a single destination for scholarship AND admission applications.

YOUniversal: Financial Aid + College Applications

- Students log in/create an account via the existing YOUniversal Website.
- Existing student data in YOUniversal auto populates in the Student Profile.
- Students choose to complete scholarship OR admission applications.

Apply For Admission!
