- 2.c. Federally Qualified Health Center (FQHC) services and other ambulatory services that are covered under the plan and furnished by a FQHC in accordance with Section 4231 of the State Medicaid Manual (HCFA - Pub. 45-4). (Continued)

Covered FQHC core services are defined as follows:

- physician services;
- services and supplies incident to physician's services (including drugs and biologicals that cannot be self-administered);
- Immunizations provided based on recommendations of the Advisory Committee on Immunization Practices (ACIP) and their pneumococcal vaccine and its administration and influenza vaccine and its administration;
- physician assistant services;
- nurse practitioner services;
- clinical psychologist services;
- clinical social worker services;
- **licensed certified social worker services;**
- **licensed professional counselor services;**
- **licensed mental health counselor services;**
- **licensed marriage and family therapist services;**
- services and supplies incident to clinical psychologist, clinical social worker, **licensed certified social worker, licensed professional counselor, licensed mental health counselor, and licensed marriage and family therapist** services as would otherwise be covered if furnished by or incident to physician services; and
- part-time or intermittent nursing care and related medical supplies to a homebound individual, in the case of those FQHCs that are located in an area in which the Secretary has determined there is a shortage of home health agencies.

FQHC ambulatory services are defined as any other ambulatory service included in the Medicaid State Plan if the FQHC offers such a service, (e.g. dental, etc.). The "other ambulatory services" that are provided by the FQHC will count against the limit established in the plan for that service.

- a. Diagnostic services – Not Provided.
- b. Screening services - Not Provided.
- c. Preventive services - ~~Not Provided~~Provided, with limitation.

For a-adults age 19 and over, Arkansas covers vaccines and vaccine administration under the state plan which includes approved vaccines recommended by the Advisory Committee on Immunization Practices (an advisory committee established by the Secretary, acting through the Director of the Centers for Disease Control and Prevention).

d. Rehabilitative Services

- 1. Rehabilitative Services for Persons with Mental Illness (RSPMI)

A comprehensive system of care for behavioral health services has been developed for use by RSPMI providers. The changes to the program were developed in coordination with providers, representatives of the Arkansas System of Care and other key stakeholders.

DMS is seeking first to revise service definitions and methods within this program to meet the needs of persons whose illnesses meet the definitions outlined in the American Psychiatric Association Diagnostic and Statistical Manual.

Covered mental health services do not include services provided to individuals aged 21 to 65 who reside in facilities that meet the Federal definition of an institution for mental disease. Coverage of RSPMI services within the rehabilitation section of Arkansas' state plan that are provided in IMD's will be discontinued as of September 1, 2011.

A. Scope

A range of mental health rehabilitative or palliative services is provided by a duly certified RSPMI provider to Medicaid-eligible beneficiaries suffering from mental illness, as described in the American Psychiatric Association Diagnostic and Statistical Manual (DSM-IV and subsequent revisions).

DMS has set forth in policy the settings in which each individual service may be provided. Each service shown below includes the place of service allowable for that procedure.

Services:

- **SERVICE: Speech Evaluation**

DEFINITION: Evaluation for Speech Therapy defined by applicable state and federal rules and regulations.

This service must be performed by a professional as described in the Physical, Occupational, and Speech Therapy Program provider manual.

- **SERVICE:** Mental Health Evaluation/Diagnosis
DEFINITION: The cultural, developmental, age and disability -relevant clinical evaluation and determination of a beneficiary's mental status; functioning in various life domains; and an axis five DSM diagnostic

e.d. _____ Rehabilitative Services

1. Rehabilitative Services for Persons with Mental Illness (RSPMI)

Reimbursement is based on the lower of the amount billed or the Title XIX (Medicaid) maximum allowable. Except as otherwise noted in the state plan, state developed fee schedule rates are the same for both governmental and private providers of RSPMI services. The agency's fee schedule rates were set as of April 1, 1988 and are effective for services provided on or after that date. All rates are published on the agency's website at www.medicaid.state.ar.us.

Effective for dates of service on or after April 1, 2004, reimbursement rates (payments) for inpatient visits in acute care hospitals by board certified psychiatrists shall be as ordered by the United States District Court for the Eastern District of Arkansas in the case of Arkansas Medical Society v. Reynolds. Refer to Attachment 4.19-B, Item 5, for physician reimbursement.

The State shall not claim FFP for any non institutional service provided to individuals who are residents of facilities that meet the Federal definition of an institution for mental diseases or a psychiatric residential treatment facility as described in Federal regulations at 42 CFR 1440 and 14460 and 42 CFR 441 Subparts C and D. Reimbursement of RSPMI services that are provided in IMD's will be discontinued for services provided on or after September 1, 2011.

For RSPMI services provided in clinics operated by State operated teaching hospitals.

Effective for claims with dates of service on or after March 1, 2002, Arkansas State Operated Teaching Hospital psychiatric clinics that are not part of a hospital outpatient department shall be reimbursed based on reasonable costs with interim payments at the RSPMI fee schedule rates and a year-end cost settlement.

The provider will be paid the lesser of actual costs identified using a CMS approved cost report or customary charges. Each Arkansas State Operated Teaching Hospital with qualifying psychiatric clinics shall submit an annual cost report. Said cost report shall be submitted within five (5) months after the close of the hospital's fiscal year. Failure to file the cost report within the prescribed period, except as expressly extended by the State Medicaid Agency, may result in suspension of reimbursement until the cost report is filed. The State Medicaid Agency will review the submitted cost report and make a tentative settlement within 60 days of the receipt of the cost report and will make final settlement in the following year after all Medicaid charges and payments have been processed. The final settlement will be calculated and made at the same time as the next year's tentative settlement is calculated and made.

Medical professionals affiliated with Arkansas State Operated Teaching Hospitals are not eligible for additional reimbursement for services provided in these clinics.
