Code Ann. § 23-46-511(d) requires the Bank Commissioner to establish by rule the period and type of records retained by state banks or subsidiary trust companies in addition to those required by statute. The record retention schedule established by this rule gives state banks and our examiners guidance on what documents shall be kept and for how long. There is no statutory guidance regarding this issue, and for this reason, this rule should be enforced.

<input type="checkbox"/>	Required under State or Federal Law: (none)				
	Requirement Statement: (none)				
	Enforce or Repeal?: Enforce				
	Agency Justification: The Bank Commissioner has the statutory authority to issue rules under Ark. Code Ann. § 23-46-205(b)(1). This rule clarifies that the Bank Commissioner and State Banking Board reference the Comptroller of the Currency's interpretation of the National Bank Act in their assessment of what constitutes "powers incidental to the business of banking" under Ark. Code Ann. § 23-47-101(b). However, the rule further clarifies that state banks shall not be permitted to exercise powers not authorized in Arkansas Code. This rule permits state banks to engage in activities similar to nationally chartered banks and ensures that national banks do not have a competitive advantage over state banks in Arkansas. This rule should be enforced for these reasons.

Requirement Statement: Please see the justification statement below. Enforce or Repeal?: Enforce Agency Justification: The Bank Commissioner has the statutory authority to issue rules under Ark. Code Ann. § 23-46-205(b)(1). Additionally, the Fair Gift Card Act (Act 304 of 2007, codified at Ark. This rule establishes the fee schedule for a variety of applications related to establishing and running a trust institution. A number of filing fees are required by statute (e.g. A.C.A. § 23-51-106 (a)), and this rule establishes those fees within the statutory ranges where applicable. For these reasons, this rule should be enforced.
