The Board is responsible for the regulation of the titles and the practices of Counseling and Marriage and Family Therapy in the State of Arkansas. This includes examining the qualifications of the applicants and approving each for licensing, as well as revoking, suspending, and renewing licenses.

In order to protect the citizens of Arkansas, obtaining an Arkansas license as a Licensed Professional Counselor (LPC), Licensed Associate Counselor (LAC), Licensed Marriage and Family Therapist (LMFT), or Licensed Associate Marriage and Family Therapist (LAMFT) is a prerequisite to offering, rendering or delivering counseling services in Arkansas to individuals or groups located in Arkansas. The license requirement applies to traditional face to face counseling as well as to Telemedicine. If a licensee offers services to clients in another state, the licensee is subject to laws of that state.

Section 1.5 ORGANIZATION OF THE BOARD

- (b) On-call or cross-coverage situations arranged by the client's treating provider or treatment team.

Section 12.5 EXCEPTIONS

Recognizing a licensed counselor or marriage and family therapist's duty to adhere to the applicable standard of care and to comply with mandatory reporting laws, the following situations are excluded from the requirement of this regulation by Ark. Code Ann. § 17-80-

403(a)(2):

- (a) Emergency situations where the life or health of the client is in danger or imminent danger.
- (b) Simply providing information of a generic nature not meant to be specific to an individual client.

Section 12.6 PROFESSIONAL RELATIONSHIP EXCEPTIONS

- (a) An internet questionnaire;
- (b) An email message;
- (c) Patient-generated medical history;
- (d) ~~Audio-only communication, including without limitation interactive audio;~~
- (e) Text messaging;
- (f) A facsimile machine; or
- (g) Any combination thereof.

Section 12.7 REQUIREMENTS FOR SERVICES PROVIDED VIA TELEMEDICINE

- (f) At the client's request, the licensed counselor or marriage and family therapist must make available to the client an electronic or hardcopy version of the client's treatment record documenting the encounter. Additionally, unless the client declines to consent, the licensed counselor or marriage and family therapist must forward a copy of the record of the encounter to the client's regular treating provider or treatment team if that provider or treatment team is not the same licensed counselor or marriage and family therapist delivering the service via telemedicine.
- (g) Services must be delivered in a transparent manner, including providing access to information identifying the licensed counselor or marriage and family therapist's licensure and other relevant certifications, as well as client financial responsibilities, in advance of the encounter.
- (h) If the client, at the recommendation of the licensed counselor or marriage and family therapist, needs to be seen in person, the licensed counselor or marriage and family therapist must arrange to see the client in person or direct the client to their regular treating provider or treatment team or other appropriate provider if the client does not have a treating provider or treatment team. Section 12.9 CONFIDENTIALITY

Licensed counselors or marriage and family therapists who use technology to facilitate supervision, consultation, or other confidential meetings shall use appropriate precautions to protect the confidentiality of those communications. Precautions to protect confidentiality depend on the type of technology being used, and may include using passwords, firewalls, encryption, and antivirus software; using electronic service providers that rely on standards of security for data that are transmitted and stored; and ensuring a private setting when using their electronic devices.

Section 14.1 PURPOSE AND USE OF DECLARATORY ORDERS

A declaratory order is a means of resolving a controversy or answering questions or doubts concerning the applicability of statutory provisions, rules, or orders over which the board has authority. A petition for declaratory order may be used only to resolve questions or doubts as to how the statutes, rules, or orders may apply to the petitioner's particular circumstances. A declaratory order is not the appropriate means for determining the conduct of another person or for obtaining a policy statement of general applicability from a board. A petition or declaratory order must describe the potential impact of statutes, rules, or orders upon the petitioner's interests.

Section 14.2 THE PETITION

The process to obtain a declaratory order is begun by filing with the Board a petition that provides the following information:

- (a) The caption shall read: Petition for Declaratory Order before the Arkansas Board of Examiners in Counseling.
- (b) The name, address, telephone number, and facsimile number of the petitioner.

SECTION 2. Arkansas Code Title 17, Chapter 1, is amended to add an additional chapter to read as follows:

Chapter 4 – Arkansas Occupational Licensing of Uniformed Service Members, Veterans, and Spouses Act of 2021

1
2 17-4-101. Title.

3 This chapter shall be known and may be cited as the "Arkansas
4 Occupational Licensing of Uniformed Service Members, Veterans, and Spouses
5 Act of 2021".
6

7 17-4-102. Legislative findings and intent.

8 (a) The General Assembly finds that:

9 (1) Arkansas sets the bar as a national leader in addressing
10 employment barriers faced by uniformed service members, uniformed service
11 veterans, and their spouses in attaining occupational licensure;

12 (2) Arkansas is one (1) of only four (4) states to successfully
13 address eight (8) or more of the ten (10) issues affecting uniformed service
14 families identified by the United States Department of Defense;

15 (3) Of the United States Department of Defense's ten (10) issues
16 in fiscal year 2020, four (4) of the issues concern occupational licensure of
17 spouses of uniformed service members;

18 (4) Annually, fourteen and a half percent (14.5%) of spouses of
19 uniformed service members move across state lines as opposed to one and one-
20 tenth percent (1.1%) of civilians;

21 (5) States can continue to improve the attainment of
22 occupational licensure and to eliminate barriers impeding employment of
23 spouses of uniformed service members following a move across state lines;

24 (6) Acts 2019, No. 820, established provisions for the granting
25 of automatic occupational licensure or expedited occupational licensure to
26 active-duty service members, recently separated veterans, and their spouses
27 who hold occupational licensure in good standing in another jurisdiction; and

28 (7) Additional steps need to be taken to clarify, simplify, and
29 elevate the occupational licensure process for uniformed service members,
30 uniformed service veterans, and their spouses.

31 (b) It is the intent of the General Assembly to address occupational
32 licensure barriers that impede the launch and sustainability of civilian
33 occupational careers and employment faced by uniformed service members,
34 uniformed service veterans, and their spouses due to frequent uniformed
35 service assignment by:

36 (1) Providing:

1 (A) Automatic occupational licensure or expedited
2 occupational licensure to current license holders to expedite their entry
3 into the workforce of this state;

4 (B) Temporary or provisional licensure to initial
5 licensure candidates while expediting full licensure;

6 (C) Legislative oversight of rulemaking by occupational
7 licensing entities to ensure removal of occupational licensure barriers faced
8 by uniformed service members, uniformed service veterans, and their spouses;
9 and

10 (D) Guidance to assure effective rulemaking and clear
11 license application instructions to uniformed service members, uniformed
12 service veterans, and their spouses;

13 (2) Recognizing uniformed service education, training,
14 experience, and credentials of uniformed service members and uniformed
15 service veterans applying for initial occupational licensure; and

16 (3) Extending licensure expiration and any continuing education
17 required for occupational licensure renewal when a uniformed service member
18 is deployed.

26 (b) The Administrative Rules Subcommittee of the Legislative Council

18 Legislative and Military Affairs an annual report stating the number of
19 individuals granted automatic occupational licensure and expedited
20 occupational licensure under this chapter.

21
22 SECTION 3. EMERGENCY CLAUSE. It is found and determined by the
23 General Assembly of the State of Arkansas that current laws and
24 administrative rules regarding the issuance of occupational licenses,
25 certificates, and permits are barriers and create a hardship for uniformed
26 service members, uniformed service veterans, and their spouses; that
27 additional expedited processes, automatic licensure, and extended expiration
28 dates of occupational licenses, certificates, and permits is needed to ensure
29 that uniformed service members, uniformed service veterans, and their spouses
30 may practice their chosen occupation or profession in the State of Arkansas;
31 and that this act is immediately necessary to remove barriers and hardships
32 in obtaining occupational licenses, certificates, and permits for uniformed
33 service members, uniformed service veterans, and their spouses. Therefore, an
34 emergency is declared to exist, and this act being immediately necessary for
35 the preservation of the public peace, health, and safety shall become
36 effective on:

1 (1) The date of its approval by the Governor;

2 (2) If the bill is neither approved nor vetoed by the Governor,
3 the expiration of the period of time during which the Governor may veto the
4 bill; or

5 (3) If the bill is vetoed by the Governor and the veto is
6 overridden, the date the last house overrides the veto.

23 (ii) For purposes of this subchapter, a health
24 record may be created with the use of telemedicine and consists of relevant
25 clinical information required to treat a patient, and is reviewed by the

7 service that would otherwise be covered by the health benefit plan.

8 (b) As with other medical services covered by
9 a health benefit plan, documentation of the engagement between patient and
10 provider via audio-only communication shall be placed in the medical record
11 addressing the problem, content of conversation, medical decision-making, and
12 plan of care after the contact.

13 (c) The documentation described in subdivision

27 dollar maximum that applies to the aggregate of all items and services
28 covered;

29 (2) A deductible, copayment, coinsurance, benefit limitation, or
30 maximum benefit that is not equally imposed upon all healthcare services
31 covered under the health benefit plan; ~~or~~

32 (3) A prior authorization requirement for services provided
33 through telemedicine that exceeds the prior authorization requirement for in-
34 person healthcare services under the health benefit plan;

35 (4) A requirement for a covered person to choose any commercial

telemedicine service provider or a restricted network of telemedicine-only providers rather than the covered person's regular doctor or provider of choice; or

(5) A copayment, coinsurance, or deductible that is not equally imposed upon commercial telemedicine providers as those imposed on network providers.

SECTION 6. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that due to the coronavirus 2019 (COVID-19) pandemic, the Governor removed barriers to the use of telemedicine in an attempt to combat the coronavirus 2019 (COVID-19) pandemic; that these emergency actions will expire when the emergency proclamation expires, which could occur quickly; that on February 26, 2021, the Governor announced that the public health emergency was extended but that the Governor was going to lift some regulations related to the pandemic; that removing barriers to the use of telemedicine ensured that the citizens of Arkansas had the services that they needed, and removing these emergency proclamations regarding telemedicine would greatly disadvantage and harm the citizens of Arkansas who are utilizing telemedicine for healthcare services; that this bill maintains the policy changes allowed under the emergency proclamation, which would allow the citizens of Arkansas greater access to the use of telemedicine for healthcare services; and that this act is immediately necessary to ensure that the citizens of Arkansas have access to healthcare services provided via telemedicine. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.
