Dear Ms. Garrity:

Dr. Sarah Moore
Stuttgart
Vice Chair

The Arkansas Department of Education, Division of Elementary and Secondary Education, respectfully requests that your office place the subject proposed emergency rules on the agenda of the ALC Executive Subcommittee. Included with this email are a BLR Questionnaire, Financial Impact Statement, Summary of Rules Amendments, and the proposed amendments. The Governor's Office approved these rules for emergency and permanent promulgation on August 4, 2022, and the State Board of Education approved them for emergency promulgation and public comment release on August 11, 2022.

Dr. Fitz Hill

Kathy McFetridge

The emergency clause in the rules more fully explains the need for emergency promulgation. In summary, however, these emergency rules are necessary to increase equitable access to effective teachers in response to the severe teacher shortage from which the State currently is suffering. Emergency promulgation would enable school districts to immediately hire qualified teachers holding provisional licensure and enrolled in alternate educator preparation programs to serve student in the Fall of 2022.

SUMMARY OF RULES AMENDMENTS

DIVISION OF ELEMENTARY AND SECONDARY EDUCATION RULES GOVERNING EDUCATOR LICENSURE (Sections 1-2.0, 4-5.0, 4-6.0, and 4-8.0 only)

FOR EMERGENCY AND PERMANENT PROMULGATION

The proposed amendments would serve a limited, but critical, purpose. They will allow the Division of Elementary and Secondary Education to issue a provisional license for up to three years to an applicant enrolled in an alternative educator preparation program who has not yet passed the state-mandated assessment for the content area in which the applicant seeks to teach. In lieu of having passed the assessment, however, the applicant must either hold a bachelor's degree in the content area in which the applicant seeks to teach, have earned 18 hours of college credits in the content area in which the applicant seeks to teach, or have documented successful, relevant work experience in the content area in which the applicant seeks to teach. This would enable qualified applicants to teach for up to three years while working toward meeting all requirements of obtaining a standard license. This framework is permitted by Ark. Code Ann. § 6-17-409(d), which provides that the State Board *may* require passage of the content-area assessment for a provisional license but does not make it mandatory.

The State of Arkansas currently is suffering from a severe teacher shortage, which creates an imminent peril to the welfare of the State and its public school students. Consequently, the Division seeks to promulgate these amendments as emergency rules pursuant to Ark. Code Ann. § 25-15-204(c). The Division also will simultaneously promulgate the amendments through the permanent rulemaking process.

Whereas, the State of Arkansas currently is suffering from a severe teacher shortage; and

Whereas, the emergency promulgation of Sections 1-2.0, 4-5.0, 4-6.0, and 4-8.0 of the Division of Elementary and Secondary Education Rules Governing Educator Licensure would increase equitable access to effective teachers to Arkansas students, thus enhancing learning opportunities, by enabling qualified applicants who are enrolled in an alternative educator preparation program but who have not yet passed the state-mandated assessment to obtain a provisional teaching license for up to three years.

THEREFORE, the State Board of Education hereby determines pursuant to Ark. Code Ann. § 25-15-204 that immediate peril to the welfare of the State and its public school students will result without emergency promulgation of Sections 1-2.0, 4-5.0, 4-6.0, and 4-8.0 of these Rules.

Emergency Clause

Whereas, the State of Arkansas currently is suffering from a severe teacher shortage; and

Whereas, the emergency promulgation of Sections 1-2.0, 4-5.0, 4-6.0, and 4-8.0 of the Division of Elementary and Secondary Education Rules Governing Educator Licensure would increase equitable access to effective teachers to Arkansas students, thus enhancing learning opportunities, by enabling qualified applicants who are enrolled in an alternative educator preparation program but who have not yet passed the state-mandated assessment to obtain a provisional teaching license for up to three years.

THEREFORE, the State Board of Education hereby determines pursuant to Ark. Code Ann. § 25-15-204 that immediate peril to the welfare of the State and its public school students will result without emergency promulgation of Sections 1-2.0, 4-5.0, 4-6.0, and 4-8.0 of these Rules.

**SUBJECT: Legal Authorization for the Division of Elementary and Secondary Education’s
Emergency Promulgation of its Rules Governing Educator Licensure (Sections 1-2.0,
4-5.0, 4-6.0, and 4-8.0 only)**

The Department of Education’s Division of Elementary and Secondary Education seeks legislative review and approval of the emergency promulgation of its Rules Governing Educator Licensure (Sections 1-2.0, 4-5.0, 4-6.0, and 4-8.0 only). The Division states that the proposed rule would allow the issuance of a provisional license for up to three (3) years to an applicant enrolled in an alternative educator preparation program who has not yet passed the state-mandated assessment for the content area in which the applicant seeks to teach, so long as the applicant holds a bachelor’s degree in the content area in which the applicant seeks to teach, has earned eighteen (18) hours of college credit in the content area in which the applicant seeks to teach, or has documented, successful relevant work experience in the content area in which the applicant seeks to teach. Pursuant to Ark. Code Ann. § 6-17-409(e), the State Board of Education (“State Board”) may require an applicant for licensure under the statute to submit proof of the following academic eligibility: (1) passing scores, as set by the State Board, on subject matter content-area assessments or their substantial equivalents; (2) successful completion of professional educator ethics training identified by rules of the State Board; and (3) as required by State Board rules for the grade level and content area for which the applicant seeks licensure, successful completion of courses in Arkansas history or reading and writing in

content areas, or both. Authority for the rulemaking can be found in Ark. Code Ann. § 6-17-409(c)(8), which provides that the State Board may promulgate rules for the requirements for educator licensure through other alternative educator preparation programs, including without limitation, an alternative educator preparation program or pathway for an applicant who has professional work experience in the content area in which the applicant desires to obtain a license.
