**BUILDING ADMINISTRATOR K-12**

Authorization Type: Licensure # of Individuals Regulated: 16383

Entity Division Name: Division of Elementary and Secondary Education

Scope of Practice: Building Administrators direct and coordinate educational, administrative, and counseling activities of primary or secondary schools. They evaluate educational programs to insure complete conformance to State and School Board Standards. They coordinate educational programs through meetings with their staff and through review of teaching department's activities and they issue directives as necessary to insure compliance. They confer with teaching personnel, pupils, and parents, on matters pertaining to educational and behavioral problems in school. They establish and maintain relationships with colleges, community organizations, and other schools to coordinate the educational services. They requisition and allocate supplies, equipment, and instructional material as needed. In addition, they supervise the assignment of teachers and pupils to classes.

Statutory Requirement(s): Required to serve as a building level administrator.

Pursuant to Arkansas Code §17-4-104, do you provide an automatic licensure to a uniformed service member stationed in the State of Arkansas, a uniformed service veteran who resides in or establishes residency in the State of Arkansas; and the spouse of a uniformed service member who is stationed in, resides in, or establishes residency in the State of Arkansas; a uniformed service member who is assigned a tour of duty that excludes the uniformed service member's spouse from accompanying the uniformed service member and the spouse relocates to this state; and a uniformed service member who is killed or succumbs to his or her injuries or illness in the line of duty if the spouse establishes residency in the state?

**ELEMENTARY AND SECONDARY SCHOOL COUNSELOR**

Authorization Type: Licensure # of Individuals Regulated: 6385

Entity Division Name: Division of Elementary and Secondary Education

Scope of Practice: School Counselors provide both individual and group counseling for education and vocational guidance services. They collect, organize, and analyze information gathered through records, tests, interviews, and professional sources in order to appraise student interests, aptitudes, abilities, and personality characteristics. In addition, they compile and study occupational, educational and economic information to aid students in making and carrying out vocational and educational objectives. They often refer students to placement services and will assist individuals to understand and overcome social and emotional problems. Often the counselor will also have teaching duties and may be engaged in research and follow up activities to evaluate counseling techniques.

Statutory Requirement(s): Permits an individual to serve as an elementary or secondary school counselor in Arkansas schools.

Pursuant to Arkansas Code §17-4-104, do you provide an automatic licensure to a uniformed service member stationed in the State of Arkansas, a uniformed service veteran who resides in or establishes residency in the State of Arkansas; and the spouse of a uniformed service member who is stationed in, resides in, or establishes residency in the State of Arkansas; a uniformed service member who is assigned a tour of duty that excludes the uniformed service member's spouse from accompanying the uniformed service member and the spouse relocates to this state; and a uniformed service member who is killed or succumbs to his or her injuries or illness in the line of duty if the spouse establishes residency in the state?

**SECONDARY SCHOOL TEACHER**

Authorization Type: Licensure # of Individuals Regulated: 20038

Entity Division Name: Division of Elementary and Secondary Education

Scope of Practice: Secondary School Teachers usually teach in only one, two or three subject areas. They teach several classes every day, with the teaching method varying from formal lectures to free discussions, depending on the subject and the students' needs and aptitudes. The choice of method is usually left to the teacher. Besides giving classroom instruction, all school teachers plan and develop teaching materials, prepare and correct tests, maintain records and make out reports, consult with parents, and perform other duties as directed. Maintaining good relations with parents and the community is an important aspect of the teaching profession. Teachers must be willing to devote extra time to those students who need special help, and they must continually stay up-to-date on new educational materials and teaching techniques. Specialty areas of licensure include teaching of the humanities, science and mathematics, visual and performing arts and vocational education courses.

Statutory Requirement(s): Allows individuals to teach in their specific content areas.

Pursuant to Arkansas Code §17-4-104, do you provide an automatic licensure to a uniformed service member stationed in the State of Arkansas, a uniformed service veteran who resides in or establishes residency in the State of Arkansas; and the spouse of a uniformed service member who is stationed in, resides in, or establishes residency in the State of Arkansas; a uniformed service member who is assigned a tour of duty that excludes the uniformed service member's spouse from accompanying the uniformed service member and the spouse relocates to this state; and a uniformed service member who is killed or succumbs to his or her injuries or illness in the line of duty if the spouse establishes residency in the state?

## DISTRICT ADMINISTRATOR

Authorization Type: Licensure # of Individuals Regulated: 6385

Entity Division Name: Division of Elementary and Secondary Education

Scope of Practice: District Administrators direct and coordinate activities concerned with the administration of city, county, or other school systems in accordance with the Board of Education standards. They are responsible for formulating plans and policies for all educational programs and submitting them to the school board for approval. They administer the programs for selection of new school sites, construction of buildings, and provision of equipment and supplies. They further direct the preparation and presentation of school budgets and they determine the amount of school bond requirements. They also enlist the support of civic groups when required. They interpret program and policies of the school system to school personnel, to individuals, and community groups and governmental agencies. They are also responsible for coordinating the work of school systems with related activities of other school districts and agencies. In addition, they ensure that the laws applying to attendance of children at school are enforced. They also may supervise the examining, appointing, training, and promoting of teaching personnel.

Statutory Requirement(s): Permits an individual the ability to serve as a district level administrator in Arkansas schools.

Pursuant to Arkansas Code §17-4-104, do you provide an automatic licensure to a uniformed service member stationed in the State of Arkansas, a uniformed service veteran who resides in or establishes residency in the State of Arkansas; and the spouse of a uniformed service member who is stationed in, resides in, or establishes residency in the State of Arkansas; a uniformed service member who is assigned a tour of duty that excludes the uniformed service member's spouse from accompanying the uniformed service member and the spouse relocates to this state; and a uniformed service member who is killed or succumbs to his or her injuries or illness in the line of duty if the spouse establishes residency in the state?

## ALC – Occupational Licensing Review Subcommittee Occupational Entity Questionnaire

Responses to the following questions are due via email to Subcommittee staff no later than the 15<sup>th</sup> of the month immediately preceding the month the occupational authorization is scheduled for review by the Subcommittee.

1. Would consumers be at risk of substantial harm if Arkansas did not have this occupational authorization? What instances of specific and substantial harm have been documented in the past year?  
Yes; Over the past year (July 1, 2024 – August 1, 2025), the following represents the number of final orders from the State Board (final sanctions) with the type of sanction:

116 Cases were investigated and were approved by the State Board for a final sanction.

Written Reprimand/Level I – 12

Probation/Level II – 44

Suspension, Probation/Level III – 20

Revocation/Level IV – 40

2. How many complaints were made to the occupational entity by consumers being harmed by unauthorized practitioners? What specific action was taken by the occupational entity?The following represents cases involving unlicensed educators between July 1, 2024 – August 1, 2025 that went to State Board for final sanctions.

Waiver - 4

ETP – 1

Intern/Pre-service – 1

MAT – 15

ArPep – 4

Other non-traditional – 8

Unknown – 1

## ALC – Occupational Licensing Review Subcommittee

### Occupational Entity Questionnaire

3. How many complaints were made to the occupational entity by consumers being harmed by authorized practitioners? What specific action was taken by the occupational entity?

Between July 1, 2024 – August 1, 2025, 340 total allegations filed. We do not track licensed vs. unlicensed allegations received. We only track licensed vs. unlicensed once the cases are authorized.

Regarding what specific action was taken, see response to No. 1.

4. Were any applicants who otherwise met authorization requirements denied an authorization in the past year? If so, why? No
5. How much does the occupational entity collect annually in fees, and what are annual expenses? How much money does the occupational entity have in reserves? Yes, \$75. \$458,777.19
6. If the occupational entity has a positive amount in reserves, when was the last time reserve funds were used? For what purpose? Salaries for Professional Licensure Board investigators and our Arkansas Educator Licensing System.
7. Does the occupational entity have any other sources of revenue? Could occupational authorization fees be reduced without causing the occupational entity to be underfunded? No. No.
8. How many applicants for the occupational authorization fail each year? Does the occupational entity track how many applicants that do not progress are veterans, women, or minorities? There is no failure unless an individual fails their background check or fails to meet licensure requirements. Since 2020, the yearly average of denials for certified staff is seven (7). We do not track this information or the status of veterans, women, or minorities.
9. Can applicants complete the training requirements for this occupational authorization with vocational or non-traditional education (e.g., apprenticeships)? What percentage of applicants complete apprenticeships? Apprenticeships and specifically Registered Apprenticeships are relatively new for licensure in Arkansas. They have been running for two years now and we should be able to report numbers soon.
10. In what ways would removal of the occupational authorization or reduction of occupational authorization requirements be harmful to current authorization holders? The

## ALC – Occupational Licensing Review Subcommittee

### Occupational Entity Questionnaire

Division of Elementary and Secondary education has sought to make licensing as flexible as possible without sacrificing the quality of the profession. We have multiple alternative routes to licensure and individuals that hold a standard license and a bachelor's degree are able to test out of all first-time licensure areas. We also have flexibility for the demonstration of content knowledge built into provisional licensure requirements.
