As used in this subchapter:

- (1) "Genetic counseling" means the process of assisting individuals with understanding and adapting to the medical, psychological, and familial implications of genetic contributions to disease, which includes without limitation:
- (A) Interpreting family and medical histories to assess the chance of disease occurrence or recurrence;
- (B) Educating an individual or an individual's family about inheritance, testing, management, prevention, resources, and research;
- (C) Counseling an individual or an individual's family to promote informed choices and adaption to the risk or condition;
- (D) Estimating the likelihood of occurrence or recurrence of any potentially inherited or genetically influenced condition which may involve:
- (i) Obtaining and analyzing a complete health history of the individual and the individual's family;
- (ii) Reviewing the pertinent medical records;
- (iii) Evaluating the risks from exposure to possible mutagens or teratogens; and
- (iv) Discussing genetic testing to assist in the diagnosis of a condition or determine the carrier status of one (1) or more family members;
- (E) Assisting the individual, the individual's family, the individual's healthcare provider, or the public to:
- (i) Appreciate the medical, psychological, and social implications of a disorder, including the features, variability, usual course, and management options of the disorder;
- (ii) Learn how genetic factors contribute to the disorder and affect the chance for recurrence of the condition in other family members;
- (iii) Understand available options for coping with, preventing, or reducing the chance of occurrence or recurrence of a condition; and
- (iv) Understand genetic tests, including without limitation diagnostic genetic tests, screening tests, or predispositional genetic tests, coordinate testing for inherited disorders, and interpret complex genetic test results; and
- (F) Facilitating an individual's or an individual's family's:
- (i) Exploration of the perception of risk and burden associated with a genetic disorder;
- (ii) Decision-making regarding testing or medical interventions consistent with their beliefs, goals, needs, resources, culture, and ethical or moral views; and
- (iii) Adjustment and adaption to the condition or their genetic risk by addressing needs for psychological, social, and medical support;
- (2) "Licensed genetic counselor" means a person who is licensed under this subchapter to engage in the practice of genetic counseling; and

(3

- (A) "Supervision" means the ongoing, direct clinical review for the purposes of training or teaching, by an approved supervisor who monitors the performance or a person's supervised interaction with a client and provides regular documented face-to-face consultation, guidance, and instructions with respect to the clinical skills and competencies of the person supervised.
- (B) "Supervision" may include without limitation the review of case presentation, audio tapes, video tapes, and direct observation.

Statutory Requirement(s):

17-95-1104. Authority of the Arkansas State Medical Board.

The Arkansas State Medical Board shall:

- (1) Develop appropriate rules necessary to regulate genetic counselors;

- (4) Conduct hearings on investigative and disciplinary proceedings;
- (5)
- (A) Maintain a database of all licensees and all persons whose licenses have been suspended, revoked, or denied.
- (B) Access to a database under subdivision (5)(A) of this section shall be available upon written request and payment of an appropriate fee as determined by the board; and
- (6) Perform other functions and duties required to carry out this subchapter.

17-95-1105. Title protection.

A person shall not use or assume the title "licensed genetic counselor" or "genetic counselor" or use any words, letters, abbreviations, or insignia indicating or implying that the person holds a genetic counselor license unless the person is licensed by the Arkansas State Medical Board.

17-95-1106. Genetic counselor licensure.

- (a) The Arkansas State Medical Board shall license as a licensed genetic counselor an applicant who:
- (1) Submits an application approved by the Arkansas State Medical Board;
- (2) Pays an application fee approved by the Arkansas State Medical Board that is comparable to other fees for licensure of other midlevel healthcare professionals licensed by the Arkansas State Medical Board; and
- (3) Provides evidence of:
- (A) Having earned a master's degree from a genetic counseling training program that is accredited by the American Board of Genetic Counseling or an equivalent as determined by the American Board of Genetic Counseling or the American Board of Medical Genetics; and
- (B) Meets the examination requirements for certification and has current certification as a genetic counselor by the American Board of Genetic Counseling or the American Board of Medical Genetics. (b)
- (1) The Arkansas State Medical Board may issue a license to an applicant who provides evidence that he or she is licensed to practice as a genetic counselor in another state or territory if the requirements for licensure in the other state or territory are equal to the requirements in this subchapter.
- (2) The issuance of a license by reciprocity shall be at the sole discretion of the Arkansas State Medical Board.

17-95-1108. Temporary licensure.

- (a)
- (1) The Arkansas State Medical Board may issue a temporary license to an applicant who does not meet the certification requirement in § 17-95-1106 if the applicant:
- (A) Has been granted an active-candidate status by the American Board of Genetic Counseling;
- (B) Applies for and takes the certification examination within twelve (12) months of the issuance of a temporary license; and
- (C) Submits an application and appropriate application fees with the Arkansas State Medical Board.
- (2) A temporary license is valid for one (1) year from the date of issuance.
- (3)
- (A) A temporary license may be renewed for one (1) year if the applicant fails on his or her first attempt to pass the certification examination of the American Board of Genetic Counseling or the American Board of Medical Genetics and Genomics.
- (B) An application for renewal shall be signed by a supervisor of the applicant.
- (4) A temporary license shall expire automatically upon the earliest of:
- (A) The date of issuance of a license under § 17-95-1106;
- (B) Ninety (90) days after the date that the applicant fails on his or her second attempt to pass the certification examination; or
- (C) The date printed on the temporary license.
- (b) As a condition of temporary licensure, an applicant shall work under the supervision of a licensed genetic counselor or a licensed physician with current American Board of Genetic Counseling certification in clinical genetics when the applicant provides genetic counseling services.
- (c) A temporary license shall not be issued if the applicant has failed the American Board of Genetic Counseling certification examination more than two (2) times.

gift, or compensation whatsoever;

PHYSICIAN (MD/DO) (Continued)

- (C) Maintaining an office or other place to meet persons for the purpose of examining or treating persons afflicted with disease, injury, or defect of body or mind;
- (D) Using the title "M.D.", "M.B.", "D.O.", "physician", "surgeon", or any other word or abbreviation to indicate or induce others to believe that one is engaged in the diagnosis or treatment of persons afflicted with disease, injury, or defect of body or mind, except as otherwise expressly permitted by the laws of this state relating to the practice of any limited field of the healing arts;
- (E) Performing any kind of surgical operation upon a human being; or
- (F) Delegating certain medical practices to other personnel under rules adopted by the board.

Statutory Requirement(s):

17-95-403. Application — Qualifications.

(a)

- (1) Every person desiring a license to practice medicine shall make application to the Arkansas State Medical Board. The application shall be verified by oath and shall be in such form as shall be prescribed by the Arkansas State Medical Board.
- (2) The application shall be accompanied by the license fee and such documents, affidavits, and certificates as are necessary to establish that the applicant possesses the qualifications prescribed by this section, apart from any required examination by the Arkansas State Medical Board.
- (3) The burden of proof shall be upon the applicant, but the Arkansas State Medical Board may make such independent investigation as it may deem advisable to determine whether the applicant possesses the qualifications and whether the applicant has at any time committed any of the acts or offenses herein defined as unprofessional conduct.
- (b) No person shall be granted a license to practice medicine in the State of Arkansas unless he or she:
- (1) Is at least twenty-one (21) years of age;
- (2) Has not been guilty of acts constituting unprofessional conduct as defined in § 17-95-409;
- (3)
- (A) Is a graduate of:
- (i) A recognized United States or Canadian medical school whose entrance requirements and course of instruction have been approved by the Council on Medical Education of the American Medical Association:
- (ii) A Canadian eclectic medical school which has been approved by the Council on Medical Education of the National Eclectic Medical Association; or
- (iii)
- (a) A foreign medical school whose entrance requirements and course of instruction have been approved by the Arkansas State Medical Board.
- (b) He or she must also have:
- (1) Served three (3) years as an intern, resident, or fellow, or a combination thereof, in an accredited postgraduate medical education program in the United States;
- (2) Served three (3) years as an intern or resident in a postgraduate medical education program outside the United States, completed all steps of the United States Medical Licensing Examination, obtained Educational Commission for Foreign Medical Graduates certification, and either completed one (1) year or more of fellowship training accredited by the Accreditation Council for Graduate Medical Education in the United States or received American Board of Medical Specialties certification by the American Board of Medical Specialties; or
- (3) Completed one (1) year as an intern or resident in an accredited postgraduate medical education program in the United States and be currently enrolled in an accredited postgraduate medical program in Arkansas.
- (B) However, the Arkansas State Medical Board at such time as it deems expedient may require of every applicant for licensure:
- (i) A properly verified certificate that he or she has served one (1) year of internship in a general accredited hospital; or
- (ii) A certificate of his or her service in an accredited postgraduate medical education program as described in subdivision (b)(3)(A)(iii)(b) of this section; and
- (4) Has successfully passed an examination approved by the Arkansas State Medical Board as set forth in its rules.

17-95-406. Temporary permits.

(a) In cases of emergency and to prevent hardship, the Director of the Arkansas State Medical Board may issue a temporary permit to practice medicine upon payment of the fee required for applicants after

satisfying himself or herself that the applicant has all the qualifications and meets all the requirements of the Arkansas Medical Practices Act, § 17-95-201 et seq., § 17-95-301 et seq., and § 17-95-401 et seq. A temporary permit shall be valid only until the next meeting of the Arkansas State Medical Board and shall expire at that time.

(b)

- (1) The board shall issue a temporary permit to practice medicine to any medical doctor licensed and qualified to practice medicine in the Philippines, a former possession of the United States, provided that the temporary permit issued shall authorize the person to practice medicine in this state only under the supervision of a duly licensed and qualified physician in this state.
- (2) The temporary permit shall be for a period of not more than two (2) years. If at the end of the two (2) years the person to whom a temporary permit has been issued has not met the qualifications and has not passed the prescribed examinations for licensure to practice medicine in this state as provided in the Arkansas Medical Practices Act, § 17-95-201 et seq., § 17-95-301 et seq., and § 17-95-401 et seq., it shall be unlawful for the board to grant an extension of or to issue a new temporary permit to that person.
- (3) Nothing in this subsection shall prohibit the board from suspending or revoking the temporary permit of any person to whom a temporary permit is issued under the provisions of this subsection on any grounds which by law and rule would be grounds to revoke or suspend the license of a person licensed to practice medicine in this state, or for such periods of time as the person to whom the temporary permit is issued is not under the supervision of a licensed and qualified physician in this state.
- (4) As used in this subsection, a person shall be deemed to be under the supervision of a licensed and qualified physician of this state when the physician shall notify the board in writing of his or her supervision of the medical practice of the person to whom the temporary permit is issued. It shall not be necessary that the person practice medicine out of the same office or in the same city or town in which the supervisory physician practices or resides.

- (B) Respiratory care shall include, but not be limited to, the following:
- (i) Evaluation and treatment of individuals whose cardiopulmonary functions have been threatened or impaired by developmental defects, the aging process, physical injury or disease, or anticipated dysfunction of the cardiopulmonary system;
- (ii) Evaluation techniques, including cardiopulmonary function assessment, gas exchange evaluation, the need and effectiveness of therapeutic modalities and procedures, and assessment and evaluation of the need for extended care and home care procedures and equipment; and
- (a) The professional application of techniques, equipment, and procedures involved in the administration of respiratory care, such as:
- (1) Therapeutic gas administration;
- (2) Prescribed medications;
- (3) Emergency cardiac, respiratory, and cardiopulmonary resuscitation measures;
- (4) Establishing and maintaining artificial airways;
- (5) Cardiopulmonary function tests;
- (6) Testing and obtaining physiological evaluation of arterial and venous blood samples;
- (7) Exercises designed for the rehabilitation of the cardiopulmonary handicapped;
- (8) Maintaining postural drainage, vibration and chest percussion, aerosol administration, breathing exercises, and artificial and mechanical ventilation; and
- (9) Cleaning and sterilization of cardiopulmonary function equipment and its maintenance.
- (b) Those techniques may be applied in the treatment of the individual or patient in groups or through healthcare facilities, organizations, or agencies; and
- (4) "Respiratory care practitioner" means a licensed person who practices respiratory care as defined in this chapter under the prescription and direction of a licensed physician.

Statutory Requirement(s):

17-99-302. Qualifications and examination of applicants — Fees — Waiver.

- (a) The Arkansas State Medical Board shall register as a respiratory care practitioner and shall issue a license to:
- (1) Any person who satisfactorily passes the examination provided for in this chapter, and who otherwise meets the requirements for qualification contained herein and pays a fee not to exceed one hundred fifty dollars (\$150);
- (2) Any person who furnishes sufficient and satisfactory written evidence to the Arkansas State Medical Board that the person has received registration or certification, or both, by the National Board for Respiratory Care, Inc. or its successor organization and who, at the time of his or her application, shall pay the Arkansas State Medical Board a fee not to exceed one hundred fifty dollars (\$150); and (3)
- (A) Any person, whether or not he or she has passed the examination provided for in this chapter, who through a notarized affidavit submitted to the Arkansas State Medical Board by January 1, 2002, demonstrates that he or she has been engaged in the practice of respiratory care for at least two (2) years during the three (3) consecutive years before September 1, 2001, and who submits an application and a fee not to exceed one hundred fifty dollars (\$150).
- (B) Any person licensed under this provision must complete the entry level requirements for certification in respiratory care and, no later than January 1, 2005, must pass the examination provided for in this chapter.
- (b) Each applicant shall:
- (1) Be at least eighteen (18) years of age;
- (2) Have been awarded a high school diploma or its equivalent;
- (3) Have satisfactorily completed training in a respiratory care program which has been approved by the Arkansas State Respiratory Care Examining Committee, to include adequate instruction in basic medical science, clinical science, and respiratory care theory and procedures; and
- (4) Have passed an examination approved by the Arkansas State Medical Board and the committee, unless exempted by other provisions of this chapter.
- (c) All examinations of applicants for a license to practice respiratory care shall be held in designated

areas of the state at a time and place published by the Arkansas State Medical Board.

- (d) Applicants shall be given written examinations on the following subjects:
- (1) Clinical data;
- (2) Equipment; and
- (3) Therapeutic procedures.
- (e) A fee not to exceed the prevailing rate set by the National Board for Respiratory Care, Inc. or its successor organization must accompany the application

17-99-303. Issuance and recording.

- (a) The Arkansas State Medical Board shall register as a respiratory care practitioner each applicant who provides evidence of his or her fitness for licensure under the terms of this chapter.
- (b) It shall issue to each person registered a license, which shall be prima facie evidence of the right of the person to practice respiratory care, subject to the conditions and limitations of this chapter.
- (c) Proof of licensure must be made upon request.
- (d)
- (1) Whenever the board determines for any reason not to issue a license, it shall enter an order denying the application.
- (2) Whenever the board determines for any reason to suspend, revoke, or refuse to renew a license, it shall enter an order taking that action.
- (e) All review proceedings shall be governed by the Arkansas Administrative Procedure Act, § 25-15-201 et seq.

17-99-304. Reciprocity.

- (a) A legally licensed practitioner who has been issued a license to practice respiratory care in another state or territory whose requirements for registration and licensure were at the time of his or her registration or licensure equal to the requirements contained in this chapter may be registered and issued a license by the Arkansas State Medical Board if the state or territory from which the applicant comes accords a similar privilege of registration and licensure to persons registered and licensed in the State of Arkansas by the board.
- (b) The issuance of the license by reciprocity by the board shall be at the sole discretion of the board, and the board may provide rules governing such admission as it may deem necessary or desirable.

17-99-305. Temporary permits.

- (a) In cases of emergency, the Executive Director of the Arkansas State Medical Board may issue a temporary permit without examination to practice respiratory care to persons who are not licensed in other states, but who otherwise meet the qualifications for licensure set out in this chapter.
- (b) Such emergency temporary license shall expire at the date of the next Arkansas State Medical Board meeting, unless the board ratifies or extends the action of the executive director.
