

Group Medicare Advantage from UnitedHealthcare

Our Mission

We focus on achieving the “triple aim” of improved health, better health care quality and lower costs with all Medicare retirees covered under a UnitedHealthcare Group Medicare Advantage plan.

Proven success

UnitedHealthcare has successfully transitioned 20 state retirement systems to our Group Medicare Advantage plans, serving more than 1.7 million members.

Our strategy

- Match current benefits with custom group plan design with no benefit reductions for both medical and pharmacy
- Same benefits in- and out-of-network
- Largest contracted Group Medicare Advantage PPO network in Arkansas
- Largest national Group Medicare Advantage PPO network with over 900,000 providers, representing 80%+ of all Medicare providers
- Statewide Group Medicare Advantage PPO network in Arkansas covering all counties
- National Group Medicare Advantage network covering all U.S. counties and territories

With our Group Medicare Advantage plans, we deliver:

Better experience

A simplified experience including additional value-added benefits and a **concierge level of support** for members

Improved health outcomes

Enhanced retiree benefits through member wellness incentives, and retiree focused clinical programs

Stronger member engagement

Case studies showing **higher level of member engagement** when transitioning from other plans
