JUSTIFICATION

The Arkansas Department of Commerce currently possesses a position authorized as N215N, ACOM Chief of Staff. This position will serve a dual role of Chief of Staff and Chief Legal Counsel. There are no plans to fill the Chief Legal Counsel position at this time. Therefore, their department requests a new classification as Commerce Chief of Staff and position authorized as an SE03. This position's responsibilities will include managing the overall operations of the department, functioning as their department's chief legal counsel, providing information and testimony regarding business and agency matters to the Arkansas Legislature upon demand, as well as overseeing strategic planning and legislative drafting.

RECOMMENDATION

The Office of Personnel Management has reviewed this request from the Arkansas Department of Commerce and recommends the establishment of one (1) new classification and one (1) pool position authorized as this new classification. The cost for this one (1) surrender pool position is approximately \$20,445.79. The agency guarantees our office that it possesses sufficient funding to support this surrender pool position request.

Your consideration of this request is greatly appreciated.

RE: New Classification request, Pool Position Request w/Surrender: Requested Grade: SE03, Requested Title: Commerce Chief of Staff

Dear Ms. Barnhill:

The Arkansas Department of Commerce (ACOM) request a surrender pool position to function as Chief of Staff (COS). ACOM will surrender position 22094190, SE01, ACOM Chief of Staff.

The reason for this request is most of ACOM's division directors are at the SE01 grade and as the COS it is more logical organizationally the COS position would be a higher grade than its direct reports. Additionally, we would like to bring the current incumbent Allison Hatfield's salary up to par with other state department Chief of Staff's; while she is not maxed out in the SE01 grade she is close and there is not much room to grow. Furthermore, Ms. Hatfield is functioning as the General Counsel for the Arkansas Economic Development Commission, which is a full-time position of duties, all the while acting as ACOM General Counsel and performing the duties of ACOM Chief of Staff.

The ACOM Chief of Staff position is mission critical with duties and responsibilities that cannot be absorbed. ACOM would be at a deficit to fill one of Ms. Hatfield's roles but certainly, it would cause undue hardship to all our divisions if she were not filling in the gaps throughout Commerce.

Your favorable consideration of this request is very much appreciated.

Sincerely

Hugh McDonald
