## Dear Co-Chairs:

The Office of Personnel Management (OPM) submits a request from the Arkansas Department of Community Correction (DCC) for your review.

## **JUSTIFICATION**

The agency has three Department of Community Correction Program Administrator Parole & Probation Services positions. One is responsible for the statewide reentry program and two are responsible for offices statewide. The two administrators give day-to-day guidance to Area Managers and their staff and are also are responsible for covering the area offices when vacancies occur. The current administrators live in Harrison and Cabot and each is responsible for one half of the state.

With the addition of another Parole & Probation Services Program Administrator the department will manage this program more efficiently. The state will be divided into three areas, rather than the current two. This will allow the administrator to better cover their areas, reduce travel

demands, and provide better assistance, and better relationships with judges and employees of the court system.

After review of the request and the proposed job duties, the Office of Personnel Management **recommends** the approval of DCC's request for one OPM pool position, Department of Community Correction Program Administrator Parole & Probation Services.

Your consideration of this request is greatly appreciated.

Sincerely,

Kay Barnhill

Ms. Kay Barnhill 1509 West Seventh Street Suite 201 DFA Building Little Rock, AR 72201

Dear Ms. Barnhill,

The Department of Community Correction (DCC) is requesting one DCC Program Administrator Parole & Probation Services (T004C), Grade C128, from the Central Growth Pool. This position is critical in DCC's ability to effectively manage its Parole and Probation Offices statewide. In return, ACC is willing to surrender the following two budgeted positons:

- 22083661 Administrative Specialist II (C073C), Grade C109
- 22160200 DCC Parole/Probation Asst. Area Manager (X042C), Grade C121

Currently DCC has three positions classified as DCC Program Administrator of Parole & Probation Services, two of which manage Parole and Probation offices and the third managing Re-entry. With the constant change of laws and policies that affect DCC's operations, it has proven ineffective to only have two Administrator's overseeing the duties of this many employees. Currently, the Deputy Director of Parole and Probation Services has assisted by absorbing a section of the state (see Attachment 1), but with the current charge of reducing Arkansas recidivism rate this is just not practical. With the approval of this positon, it will give Parole and Probation Services a third positon that can better manage a third of the state (Attachment 2 provides a breakdown of how the state will be divided). These positions are responsible for daily travel which allows them to spend time in their assigned areas to make sure daily operations are moving forward accordingly, personnel actions from interviewing and hiring to administering disciplinary actions, working with Judges and the many types of Courts that our offenders are involved in, and many other functions that need special attention.

In conclusion, ACC is constantly changing and we are doing our best to adapt to those changes. This position will allow Parole and Probation Services to better manage a population of approximately 52,000 offenders on Parole and Probation.

Sheila Sharp

Respectfully,

DCC Director
