

DEPARTMENT OF HEALTH, ARKANSAS STATE BOARD OF NURSING

SUBJECT: Full Independent Practice Credentialing Committee, 17 CAR pt. 130

DESCRIPTION: The Department of Health, Arkansas State Board of Nursing proposes amendments to its Full Independent Practice Credentialing Committee rules, 17 CAR pt. 130:

Throughout Part 130

Purpose

To add Clinical Nurse Specialists to the Full Independent Practice Credentialing Committee Rules pursuant to Act 872 of 2023.

Background

Act 872 of 2023 expanded Full Independent Practice to Clinical Nurse Specialists. The subsequent amendment to the board's rules regarding the Full Independent Practice Credentialing Committee was inadvertently left off the 2023 set of rule changes and are being included with the 2025 group of rule changes to add Clinical Nurse Specialists along with Nurse Practitioner.

Key Points

Nurse Practitioners were originally granted a path for full independent practice in the Full Independent Practice Credentialing Committee Act. Clinical Nurse Specialists were inadvertently left out of the original act. They were added by Act 872 of 2023.

Discussion

The amendments comply with Act 872 of 2023.

Subdivision 201(a)(5)(A)(ii)(b)(3)

Purpose

To replace “nurse practitioner” with the term “applicant” and remove the word “nurse.”

Background

Act 872 of 2023 expanded Full Independent Practice to Clinical Nurse Specialists in addition to Nurse Practitioners. Because both titles may now apply for full independent practice authority, the term “nurse practitioner” is replaced with the term “applicant.” Additionally, the word “nurse” is being removed as the term “practitioners” covers both titles.

Key Points

The amendments comply with Act 872 of 2023.

Discussion

The amendments comply with Act 872 of 2023.

PUBLIC COMMENT: A public hearing was not held on this matter. The public comment period expired March 13, 2026. The agency indicated that it received no public comments.

The proposed effective date is pending legislative review and approval.

FINANCIAL IMPACT: The agency has indicated that the rule has no financial impact.

LEGAL AUTHORIZATION: The Arkansas State Board of Nursing shall have the power and responsibility to promulgate whatever rules it deems necessary for the implementation of Arkansas Code Title 17, Chapter 87, concerning nurses. *See* Arkansas Code § 17-87-203(1)(A).

The proposed rule implements Act 872 of 2023, sponsored by Senator Kim Hammer, which allows full independent practice authority for clinical nurse specialists, and allows experience in another state to qualify.
