Mr. Grappe,

Pursuant to our discussion today, the firm of Burrough – Brasuell Corp. will prepare an “Exploratory Proposal” to be presented to the Department of Energy. The Exploratory Proposal will contain information, conditions, and specifications that would be an outline for the development of a “Consensual Contract” between the State of Arkansas, plus applicable political subdivisions and the Department of Energy, for the explicit purpose of “Closing the Nuclear Fuel Cycle”.

The consulting fee for this service is a lump sum of \$10,000.

Sincerely,
