- \$8.3 million annual budget

# MPH: Our Data Partnerships

MPH does not house any direct programs; it's an agent of its state agency partners.

MPH serves state agencies and external partners and adds value by unlocking data, connecting and analyzing across disparate systems, and sharing with agencies and external partners.

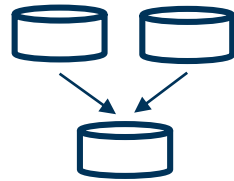

# MPH: Your Data Partner

MPH is positioned as the State of Indiana's hub for data-driven innovation and collaboration.

Understand how challenges intersect.

Merge disparate datasets.

Leverage technology.

Convene government agencies and community partners.
