SOUTH ARKANSAS COLLEGE

Overview and Workforce Development

Stephanie Tully-Dartez, Ph.D.
President of South Arkansas College

South Arkansas College at a Glance

South Arkansas College promotes excellence in learning, teaching, and service; provides lifelong educational opportunities; and serves as a cultural, intellectual, and economic resource for the community.

- SouthArk is a college for our community providing transfer education, terminal certificates and degrees, and professional skills development.

- Formed as a two year college district from the merger of Southern Arkansas University: El Dorado Branch and Oil Belt Vocational and Technical College in 1992.
