

**State Revenue Offices
Joint Performance Review Committee**

September 9, 2015

1. What is the employee turnover rate at the Revenue offices?

The turnover rate from July 1, 2014 thru June 30, 2015 was 15% in State Revenue Offices.

2. What kind of training is provided to the employees?

State Revenue Office employees are receiving on the job training. Depending on the location the employee will generally observe a co-worker for a few days and review procedures manuals prior to processing any transactions. The employee will also view computer based training on basic navigation of the driver services/motor vehicle system.

In a larger office a new employee will typically process motor vehicle renewals before moving to more complex transactions. In a smaller office the new employee may be exposed to multiple transactions just simply because of the lower volume of customers. Depending on the skills of the employee they should be processing transactions with minimal assistance within the first six weeks of employment. All new employees are on six month probation. Employee progress is reviewed monthly with the employee.

All employees have access to a message board where we provide updated information as needed.

State Revenue Offices are divided into five districts where the district managers will provide additional training using the train the trainer method on policy, legislative material or system changes.

We estimate the average cost for training a new employee would be equal to the first months' salary; DFA Service Representative entry level would be \$2005.42 monthly.

3. What types of transactions are done at the Revenue offices?

The mission of the Office of State Revenue Administration is to collect revenue through effective collection and administration of taxes, driver's license fees and motor vehicle fees according to Arkansas State law.

We process basic renewal transactions on motor vehicles, trailers, motorcycles, boats and large instate commercial and non-commercial trucks.

We process title transactions and collect Arkansas sales/use tax when a customer purchases a motor vehicle, trailer, motorcycles, ATV or truck. This also includes filing of liens on motor vehicles, trailers, motorcycles, ATV and trucks. Customers also have the ability to obtain duplicate titles, duplicate registrations and make address changes.

We issue Arkansas identification cards, non-commercial driver licenses, commercial driver licenses, commercial driver license test packets, commercial learner's permits, persons with disability cards and state employee identification cards. A customer may obtain a traffic violation report and we also collect reinstatement fees on Arkansas driver licenses.

State Revenue Offices
Joint Performance Review Committee

September 9, 2015

Arkansas residents may also purchase deed stamps for the transfer of real estate.

The Office of Motor Vehicle has approximately 400 inventory plate types. This includes dealers, military, college, special interest, plates that can be personalized, public, etc. State Revenue Office employees must have the knowledge of appropriate fees and special requirements to obtain the various plate types.

The Office of Driver Services issues 10 variations of driver licenses, including identification cards and state employee identification cards.

4. What is the average number of transactions each employee performs and the time it takes to perform the transactions?

State Revenue Offices employees processed 4,143,130 transactions last year and collected \$531, 240,344.85 in revenue July 1, 2014 thru June 30, 2015.

The average number of transactions varies from location and transaction type. An employee working a motor vehicle express basic renewal line can process 150 transactions per day. We have some locations which also operate a driver license renewal express line; those employees can process up to 100 transactions per day. An employee processing a title and registration and payment of sales tax may only process 25 transactions per day.

The majority of our employees process various types of transactions; we would like to see an employee process an average of 40 transactions per day.

Some of our customers require more assistance than others; the employee may be required to contact the auto dealership, insurance company, county assessor and collector before they are able to start the application entry into our system.

Below is the average time to actually enter the transaction into our system after all documentation has been reviewed.

Driver License Renewal	7 minutes
New Driver or New Resident Driver License	10 minutes
Duplicate Driver License	7 minutes
Payment of Reinstatement Fees	5 minutes
Commercial Driver Test Packets	10 minutes
Motor Vehicle Renewal	2-4 minutes
Title, Registration and Sales Tax	10-15 minutes
Title, Transfer and Sales Tax	10-15 minutes

State Revenue Offices
Joint Performance Review Committee

September 9, 2015

5. How are the employees in the individual offices evaluated specifically and how are they evaluated with regard to their time in serving customers?

All employees have a yearly performance evaluation which varies depending on the degree of responsibility of the employee and the size of the office. All performance evaluations have a minimum of four duty areas.

The four duty areas are:

Collect fees and taxes: Offices with three or less employees will receive an unsatisfactory rating if they have more than 12 unresolved money errors; larger offices with four or more employees are allowed 24 unresolved money errors before receiving an unsatisfactory rating.

Execute issuance of license: Employees are allowed no more than 12 errors during the rating period before they are given an unsatisfactory rating.

Provide taxpayer service information and customer service: Employees who receive 3 verifiable complaints receive an unsatisfactory rating.

Other duties as needed: We have this as a standard because there are instances where employees are asked to perform other job duties out of the ordinary to make sure the office runs efficiently. Examples would be in a smaller office, the service representative may be required to perform the duties of the office supervisor in the absence of the supervisor. In the larger extended hour offices an employee may be required to work past their designated shift to serve the customers.

Our goal is for all employees to process an average of 40 transactions per day. Employees who consistently do not meet this average are worked with to help achieve the goal. If necessary employees are placed on a performance plan, where their work is reviewed by the office supervisor and district manager weekly and discussed with the employee. The employee is given a designated time to reach the goal or be terminated.

6. Do you ever do customer surveys in the offices to get feedback directly from the public?

We have used surveys in the past but it has been several years. In 2003 to 2006 we took a random sampling of customers who had recently visited a State Revenue Office and mailed a multiple choice survey with an area for comment. We also provided a postage paid envelope; customer response was low.

We are looking into the possibility of adding a customer survey to our website which would be submitted electronically.

State Revenue Offices
Joint Performance Review Committee

September 9, 2015

Currently the offices have signage with the contact information for the district manager over the location. We have recently updated those signs adding the following email address RevenueOffice.Comments@dfa.arkansas.gov. This email address will allow customer to email comments or concerns directly to the State Revenue Office Administrator. Customers can also provide feedback by using MVInformation@dfa.arkansas.gov and Support@ark.org from the DFA website.

7. What is being done in each office to promote information about new technology within the offices? Also provide information concerning the offices around the state and the condition they are in and how conducive they are to the population they serve?

All offices have signage with information on ARStar and Gov2Go; the 12 offices with kiosk have signage to promote the usage of the kiosk. The DFA website provides information concerning options for motor vehicle renewals and direct links to ARStar and Gov2Go.

The Office of Motor Vehicle has a newly designed motor vehicle renewal notification which will be put into production with the November renewal notices.

We have 134 State Revenue Offices across the state; 31 of the offices are located within a city or county owned building, 2 offices are in State owned facilities and 101 are leased privately.

We are currently in the process of relocating our office in Melbourne and remodeling the location in Van Buren. We are in negotiations to add square footage and remodel the Bryant office.

We have just completed a remodel of the Jacksonville, Southwest Little Rock, England, Star City and Stuttgart. We have relocated the following offices within the past five years: Benton County Central, Conway, Gravette, Marion, Rogers, Stephens, and Smackover.

The office which is currently creating the most challenge is the Benton office; the office is located in a facility owned by Saline County. We are currently working with Saline County to secure additional space within the County Courthouse area. Other locations we could look at for possible remodel or relocation would be Fayetteville, Greenbrier and North Little Rock.

All offices are run with new generation servers from DIS; the bandwidths for the locations vary depending on the size of the location. We have 24 offices which also have 4G back-up systems.

**State Revenue Offices
Joint Performance Review Committee**

September 9, 2015

8. Would it be possible to provide information in the Driver's License Instruction booklets concerning new motor vehicle renewal technology to familiarize the new generation?

We contacted Arkansas State Police concerning adding information to the Driver's License Instruction booklets. They are currently in the process of updating the booklet; State Police will be adding a page to the instruction booklet with information concerning ARStar and Gov2Go.

9. Does DFA have an estimate or projections as to how staffing could be reduced and possible budget cuts if the goal of 50% of motor vehicles renewal were processed using new technology?

Our goal is within the next 5 years citizens will embrace the technology provided by DFA and renew their motor vehicle license using ARStar rather than visiting a State Revenue Office. Based on the current number of motor vehicle renewals this would be a reduction of 485,463 transactions or 22.4%. We estimate with minimal growth we can reduce staff by 4.16% or 1 employee for every 24,273 transactions processed using our new technology. DFA will monitor this activity by reviewing monthly reports on the number of transactions processed in State Revenue Offices and ARStar.

10. Representative Bob Johnson asked out of the 72% of the motor vehicle renewals processed in a State Revenue Office, what was the percentage of the customers who came to the State Revenue Office because their renewal notice reflected no assessment or personal property payment?

The percentage of citizens whose renewal notice reflected a no for personal property assessment, personal property taxes paid or verification of insurance at the time the renewal notice was printed was 61.27%.

FINANCE AND ADMINISTRATION--REVENUE SERVICES (630)
FISCAL YEAR 2016
As Enacted by Act 924 of 2015

I) AGENCY SUMMARY & REVENUE SOURCES

MISSION

The Revenue Division is responsible for administration and enforcement of State taxing laws, vehicle and driver licenses imposed under Arkansas law and Child Support Enforcement imposed under Arkansas and Federal law. Offices within the Division and their responsibilities are the Office of the Assistant Commissioner for Policy and Legal which includes the Hearings and Appeals Section; the Office of Income Tax administers Individual and Corporate Income Taxes AND Income Tax Systems, which processes income tax returns; the Office of Field Audit; Office of Motor Vehicle administers licensing, registration and titling of vehicles; Office of Excise Tax Administration is responsible for Sales Tax, Motor Fuel Tax, Miscellaneous Tax, Tax Credits and tax administration of Bingo and Raffles; Office of Driver Services which includes, Issuance, Technical Services, Safety Responsibility, Driver Control and Commercial Driver Licenses; Office of Assistant Commissioner for Operations and Administration which consists of the Cashier Section (which prepares deposits of all monies for deposit with the State Treasurer) and General Services sections; Office of Revenue Legal Counsel which represents the Division in litigation involving taxes, fees, licenses and programs administered by the Division; and the Office of State Revenue Office Administration administers the County automobile registration and renewal offices.

TOTAL APPROPRIATION

The total appropriation for the Revenue Division is \$1,273,481,673 for FY2016.

FUNDING SOURCES

This agency's appropriations are funded with tax refunds, State Central Services Fund, and special revenues.

II) CHANGE LEVEL REQUESTS

Commercial Drivers License Program

This appropriation provides for the operating expenses of this program. Fees collected for licenses issued are dedicated as special revenue to support the program. The change level request is \$1,000,000 in Operating Expenses for costs associated with the Arkansas Integrated Revenue System Driver Services.

Operations Appropriation

This appropriation is for the operation of the Revenue Services Division. The change level request is \$2,315,135 in FY2016 for Regular Salaries and Personal Services Matching to support 20 additional positions, Operating Expenses to cover postage, rent increase, and other operating related expenses. The change level request also allows for the replacement of aging and high mileage vehicles in the Capital Outlay line item.

III) ADDITIONAL POSITIONS (Total FY2015 Authorized Positions: 1,480)

Total Authorized Positions FY2016: 1,501

Total Base Level Positions: 1,480

Increase / (Decrease) Over Base Level: 21

Extra Help Positions FY2016: 221 (Total FY2015 Authorized Extra Help: 221)

IV) SPECIAL LANGUAGE

APPROPRIATION TRANSFERS: Dictates distribution of refunds in Tax Administration Program and allows transfer between Refund line items with report to Legislative Council on amounts and reasons for transfer.

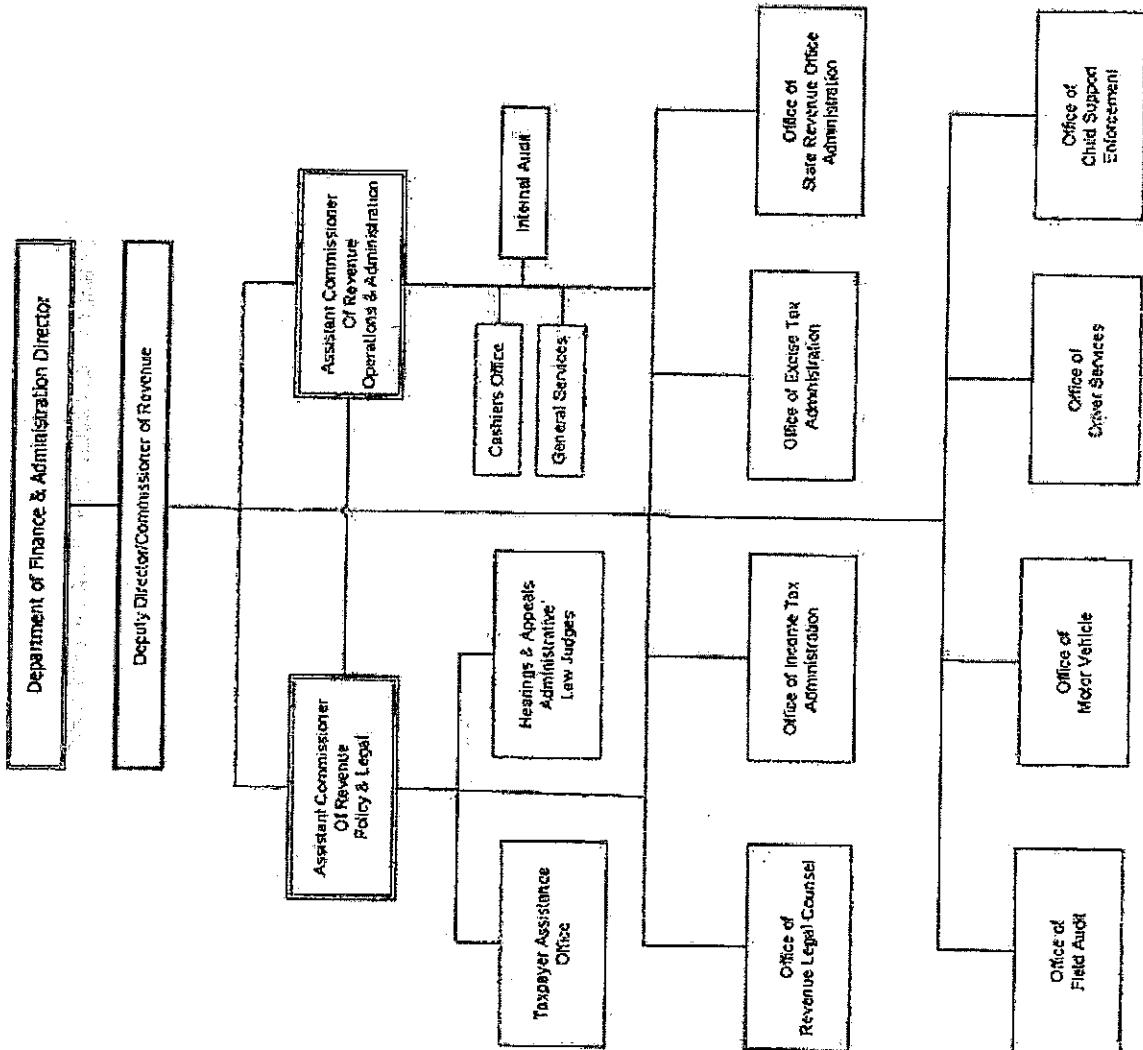

EXTRA HELP EXEMPTION: States extra Help positions are exempt from limitation of hours with report to Legislative Council when temporary or part-time employees are employed by DFA for longer than 7 months.

AUTHORITY TO EMPLOY CERTIFIED LAW ENFORCEMENT OFFICERS: Gives Department authority to employ not more than one (1) certified law enforcement officer to provide security for Department buildings, grounds, property, employees and customers.

CONTINGENT POSITIONS: Authorizes the establishment of 50 contingency data entry positions to be utilized as deemed necessary by the Director of DFA after seeking prior review by Legislative Council/Joint Budget; allows transfers from the various programs in the Act to the Tax Administration Program for salaries and matching.

COMMERCIAL DRIVER LICENSE FUND: Language governs excess funds of the Commercial Driver License Fund over an amount equal to three most recent fiscal year budgets be transferred into the State Central Services Fund.
