RECRUIT & EQUIP

We **recruit, train, and equip foster families** so children have safe, loving homes when they need them most.

MEET IMMEDIATE NEEDS

We provide clothing, meals, emergency supplies, and other practical resources that **help foster families confidently say "yes"** to caring for children.

WALK ALONGSIDE FAMILIES

We **surround foster families** with encouragement, training, community, mental health services, and ongoing support so they can provide stable, nurturing homes for the long term.

SUPPORT DCFS PARTNERS

We **actively engage to support DCFS** staff through collaborative meetings, shared resources, and office space during supervised biological visits.

4,646+

families have been trained
through The CALL

35,232+

children have been cared for by families
serving through The CALL
