The Honorable Bart Hester, Co-Chair
The Honorable Jim Dotson, Co-Chair
Joint Committee on Economic and Tax Policy
Room 171 State Capitol
Little Rock, Arkansas 72201
Dear Senator Hester and Representative Dotson:
This letter is being sent in compliance with Ark. Code Ann. §10-3-1404(a), which requires the Chief Fiscal Officer of the State report a forecast of general revenues to be available for the coming fiscal year.

At this time, economic indicators do not warrant an adjustment in the Official Revenue Forecast, which was updated Feb. 1 in anticipation of the First Extraordinary Session of 2015. The economic recovery is continuing and revenue growth is encouraging, but significant adjustments above or below the current growth profile are not currently justified.

We will continue to carefully monitor the economic situation and revenue collection performance to determine if further adjustments are needed.

Sincerely,

LWW/jps
