A Message From the Commissioner

It is my honor to present my second annual report of the Arkansas Insurance Department (AID) covering the year 2015—my first year serving as your Commissioner. When I took office, I relied upon my 30 years of experience in the insurance industry as a producer and small business owner to instill a new philosophy at AID where responsibility and common sense took the primary role in the execution of our consumer protection and regulatory responsibilities while also encouraging the growth of business.

I am proud to report that 2015 showed our new philosophy is succeeding.

We ended last year with 115,137 licensed agents and producers—a 32% increase over 2014. Coupled with a 27% annual increase in licensed business entities, AID has demonstrated that Arkansas in indeed open for business for the insurance industry.

Our Consumer Services Division received 2,455 complaints and closed 2,290 cases in 2015. CSD assists insurance consumers with complaints and inquiries regarding insurance companies, producers, and adjusters. It also recovers, on behalf

of Arkansas consumers, money in excess of amounts initially offered by insurance companies. Last year, we recovered \$3,843,969 for Arkansans—\$40,000 more than in 2014.

Our Legal Division also fights on behalf of Arkansas consumers, making recoveries and ordering restitution against producers and companies that are found to have violated the Insurance Code. In 2015, a total of \$136,211 was captured on behalf of Arkansans, a 190% increase over the year before.

In the last year, AID has also increased outreach to senior Arkansans through our very important Senior Health Insurance Information Program (SHIIP).

I am also very proud of the fact that total written premium in Arkansas for 2015 totaled \$12.87 billion—an increase over the previous year of \$645.6 million.

I hope that, upon review of the information contained in our Annual Report, you will agree the Arkansas Insurance Department is encouraging new business in our state while honoring our charge to advocate on behalf of the hardworking Arkansas taxpayers who buy their products. I salute our professional men and women who are doing an excellent job on behalf of their fellow Arkansans.

It is my pleasure to serve you.

Mission Statement

The purpose of the State Insurance Department is to serve and protect the public interest by the equitable enforcement of the state's laws and regulations affecting the insurance industry.

The primary mission of the State Insurance Department shall be consumer protection through insurer solvency and market conduct regulation, and fraud prosecution and deterrence.

History of Insurance Commissioners

AUDITORS OF STATE

The work of the Insurance Department was formerly placed by law in the office of the Auditor of State. The "Insurance Bureau" was established in the Auditor's office by the Act of April 25, 1873, the Auditor being charged by same with the execution of the laws of the state relating to insurance.

The General Assembly of 1917, by Act No. 190, approved March 7, 1917, on account of the greatly increased volume of work required to be done by the insurance department, separated same from the office of the Auditor of State and created the State Insurance Department. The head of the Insurance Department shall be an Insurance Commissioner appointed by the Governor with the advice and consent of the Senate. The Insurance Commissioner shall enforce the provisions of the Arkansas Insurance Code and shall execute the duties imposed upon him or her by the Arkansas Insurance Code.

The Arkansas Insurance Department views accreditation by the NAIC as an important part of our commitment to the citizens of Arkansas. Accreditation standards enable us to provide expanded consumer protections and to institute and maintain the highest standards in financial regulation. NAIC repeats the accreditation review every five years to confirm that the Department continues to meet all requirements. The Department was most recently accredited in March 2016.

AID Divisions and Programs

ADMINISTRATION

501-371-2620

insurance.administration@arkansas.gov

The Administration Division oversees the overall operations of Arkansas Insurance Department (AID), establishes Department policy, handles media inquiries, security, and coordinates consumer protection and outreach activities. Each of the divisions work collectively to ensure the Department's mission of consumer protection is fulfilled. This staff of approximately 170 highly skilled and dedicated employees is committed to serving the citizens of Arkansas every day.

ACCOUNTING

501-371-2605

insurance.accounting@arkansas.gov

The Accounting Division collects and oversees fees and premium taxes from all insurance companies conducting business in the State of Arkansas. These fees not only fund AID (no monies are received from the state's General Revenue Fund), but the taxes are also used to contribute to the state's Police and Firemen Pension Funds, and General Revenue. The division handles all purchasing and accounts payable for AID, as well as the development of budgets.

COMPLIANCE

501-371-2800

insurance.compliance@arkansas.gov

Compliance is responsible for monitoring and regulating rate and form filing activities. All insurance companies transacting business in the State of Arkansas for life, health, property and casualty coverage must submit their forms to compliance for approval. The forms are then reviewed to ensure compliance with state law. For most lines of insurance requests for rate changes where legally required to be filed are effective after the expiration of the appropriate waiting period after they are filed, or their effective date if subject to prior approval.

CONSUMER SERVICES

501-371-2640 or 800-852-5494

insurance.consumers@arkansas.gov

The Consumer Services Division (CSD) assists insurance consumers with complaints and inquiries regarding insurance companies, producers, and adjusters. CSD investigates all complaints, working with the insurance company and the consumer to determine the appropriate course of action. CSD travels statewide to provide educational information and materials, and in the event of significant storm damage, travels to damaged areas to assist homeowners with filing claims and procuring emergency living expenses.

CRIMINAL INVESTIGATION

501-371-2790 or 866-660-0888

insurance.fraud@arkansas.gov

The Criminal Investigation Division (CID) receives hundreds of referrals of suspected fraud each year. CID investigates and prosecutes all categories of insurance fraud. Investigations that result in a finding of a criminal violation are referred to the appropriate prosecuting attorney's office.

FINANCE

501-371-2665

insurance.finance@arkansas.gov

The primary goal of the Finance Division is to protect insurance consumers through effective solvency regulation by monitoring the financial condition of all domestic and foreign insurance companies operating in the state; conducting financial and market conduct examinations; reviewing other financial information and reports filed by insurance entities, such as business plans, reinsurance agreements, merger and acquisition documents, company formation documents, market research and feasibility studies; reviews and approves the licensing of insurers, captives, risk retention groups, surplus lines, charitable annuities, continuing care facilities, motor clubs, reinsurance intermediaries, service contract providers, and accredited/trusteed reinsurers; examines prepaid funeral contracts and conducts financial examinations of licensees' trust funds and custodial accounts; and oversees statutory security deposits of insurance companies.

The Health Insurance Rate Review Division (HIRRD) was created in 2010 for the purpose of protecting consumers and employers from unreasonable health insurance premium rate increases. With funding through the Department of Health and Human Services (HHS), HIRRD has endeavored to create a health insurance education, outreach and training unit to improve the health insurance rate review and reporting process. The development of an Arkansas All-Payer Claims Database (APCD), in collaboration with the Arkansas Center for Health Improvement (ACHI), is a HIRRD project which will ultimately provide medical pricing information to support consumers and other stakeholders when making health-care decisions. Additionally, pursuant to Act 1233 of 2015, AID is charged with implementing further healthcare transparency initiatives. HIRRD will be the division primarily responsible for these efforts.

HUMAN RESOURCES

501-371-2818 insurance.human.resources@arkansas.gov

The Human Resources Division is responsible for the recruiting and hiring process, benefits, compensation and retirement, employee training and development, compliance with employment laws and regulations, and personnel budget preparation and management.

INFORMATION SYSTEMS

501-371-2657 insurance.information.systems@arkansas.gov

The Information Systems Division (IS) keeps AID operating effectively and efficiently in the ever-changing world of technology. This is achieved through the IS strategy of leveraging up-to-date, state of the art software and systems technology to continually increase productivity. The result is minimal growth in the number of AID staff in the face of continued growth in the size of the regulated industry and revenue.

LEGAL 501-371-2820 insurance.legal@arkansas.gov

The Legal Division represents AID, participating in numerous investigations, market conduct examinations, drafting legislation, rules, bulletins, directives, legal opinions, and investigating consumer complaints. Division attorneys represent the Commissioner and AID staff in lawsuits or other proceedings, administrative hearings and court appeals pertaining to alleged licensee insurance code or rule violations by a licensee, and insurance company acquisitions, mergers, reinsurance agreements and similar transactions. Prior to each Legislative Session, the Division prepares the recommendations of the Commissioner as to amendments or supplementation of laws affecting insurance and as to matters affecting the Department to be addressed in the next Legislative Session. Legislation passed during the most recent non-budget session can be viewed at www.insurance.arkansas.gov/Legal/Bulletins/9-2015.pdf.

LICENSE 501-371-2750 insurance.license@arkansas.gov

The Licensing Division is responsible for the licensing of resident and nonresident producers, adjusters, title agents, and business entities that are soliciting, selling or negotiating insurance in the State of Arkansas. License oversees the producer examinations and investigates all resident applicants by reviewing Arkansas State Police records. It also ensures that necessary laws are followed regarding license renewals and continuing education.

LIQUIDATION 501-371-2776 insurance.liquidation@arkansas.gov

The Liquidation Division, acting on behalf of the Insurance Commissioner as Receiver, manages the day to day affairs of insolvent insurance company estates and insolvent prepaid funeral benefit trusts. Although the Liquidation Division performs certain functions on behalf of the Commissioner, individuals employed with this division are not employed by the State of Arkansas and are not considered state employees. Liquidation does not receive any funding from the State of Arkansas. Liquidation administers the Arkansas Life and Health Insurance Guaranty Association (ALHIGA) and the

Arkansas Property & Casualty Guaranty Fund (APCGF). During 2015, APCGF paid over \$1,817,355 to adjust, settle or litigate claims and recovered over \$1,442,306 as a result of twenty non-domestic and one domestic insurance company receiverships. During 2015, ALHIGA provided benefits to Arkansas insureds and claimants totaling more than \$228,816 and recovered over \$829,602 as a result of one domestic and four non-domestic insurance company receiverships.

PUBLIC EMPLOYEE CLAIMS

501-371-2700 insurance.public.employee.claims@arkansas.gov

The Public Employee Claims Division (PECD) is responsible for the investigation and management of more than 3,300 workers' compensation claims filed each year for Arkansas state employees. Workers' compensation coverage is also provided for emergency service volunteers who are accidentally injured while performing services under the call and supervision of the State of Arkansas. PECD encourages state agencies to implement safety programs, hoping to reduce the number of injuries suffered by state employees. PECD personnel give presentations to several audiences each year. The prevention of injuries helps in three areas: 1) improving the quality of life of employees; 2) helping agencies with staffing issues; and 3) reducing workers' compensation costs for the taxpayers of the State of Arkansas.

REGULATORY HEALTH LINK

501-683-4170

insurance.rhld@arkansas.gov

The Regulatory Health Link Division (RHLD) was established in accordance with the Patient Protection and Affordable Care Act (PPACA) of 2010. RHLD is responsible for recommending for certification and monitoring health insurance plans sold through the Arkansas Health Insurance Marketplace (AHIM) and the Federally Facilitated Marketplace (FFM).

RISK MANAGEMENT

501-371-2690

insurance.risk.management@arkansas.gov

The Risk Management Division (Risk) was established to minimize the cost of insurance and surety bonding to Arkansas state agencies, and to analyze and make recommendations on loss control and safety programs in an effort to protect state assets. In 2004, Risk assumed the responsibility of providing insurance coverage, consulting, and loss control services to public schools that choose to participate in the Public School Property and Vehicle Insurance Trust Fund. Property inspections and appraisals are conducted on approximately 5,500 state owned and leased structures, and 2,500 school district structures with insured values of \$14 billion. A vehicle safety program covering 11,000 state agency and public school vehicles has been in effect for many years, resulting in improved loss ratios. Risk also offers on-site advanced defensive driver training at no cost to state agencies and participating schools.

SENIOR HEALTH INSURANCE INFORMATION PROGRAM 501-371-2782 or 800-224-6330

insurance.SHIIP@arkansas.gov

The mission of the Senior Health Insurance Information Program (SHIIP) is to help Arkansans save money and make informed decisions about Medicare. SHIIP counsels Medicare beneficiaries and caregivers about Medicare, MEDIGAP policies, Medicare Advantage, Medicare Part D (drug plans) and Long-term care insurance. The Medicare Beneficiary Specialists who answers calls, offers free and unbiased information regarding medicare health care products, enabling recipients to save thousands of dollars annually on Medicare premiums and co-pays. Recruiting and training volunteers throughout the state to assist Medicare Beneficiaries is another SHIIP responsibility. SHIIP staff and trained volunteers are also available for group and community event presentations. SHIIP produces the Medicare Basic Toolkit and Bridging the Gap publications, both of which are available on the SHIIP website: http://insurance.arkansas.gov/shiip.htm.
