Dear Senator Thompson and Representative Perry:

Pursuant to Arkansas Code Annotated 6-85-205 (g) (1) (A), I am submitting for your review the enclosed report on the status of Academic Challenge students for fiscal Year 2013. It should be noted that we can only report the current status of students as to whether they maintained their eligibility at the end of the spring 2013 semester. Students have until October 1, 2013 to provide documentation that they have regained their eligibility. The Arkansas Department of Higher Education will provide the requested information on students who dropped out or lost their scholarship in our December report.

The attached report shows the current status of all students who receive an Academic Challenge award in the fiscal year that ended June 30, 2013, by category.

Should you require additional information, please let me know and we will be happy to provide.

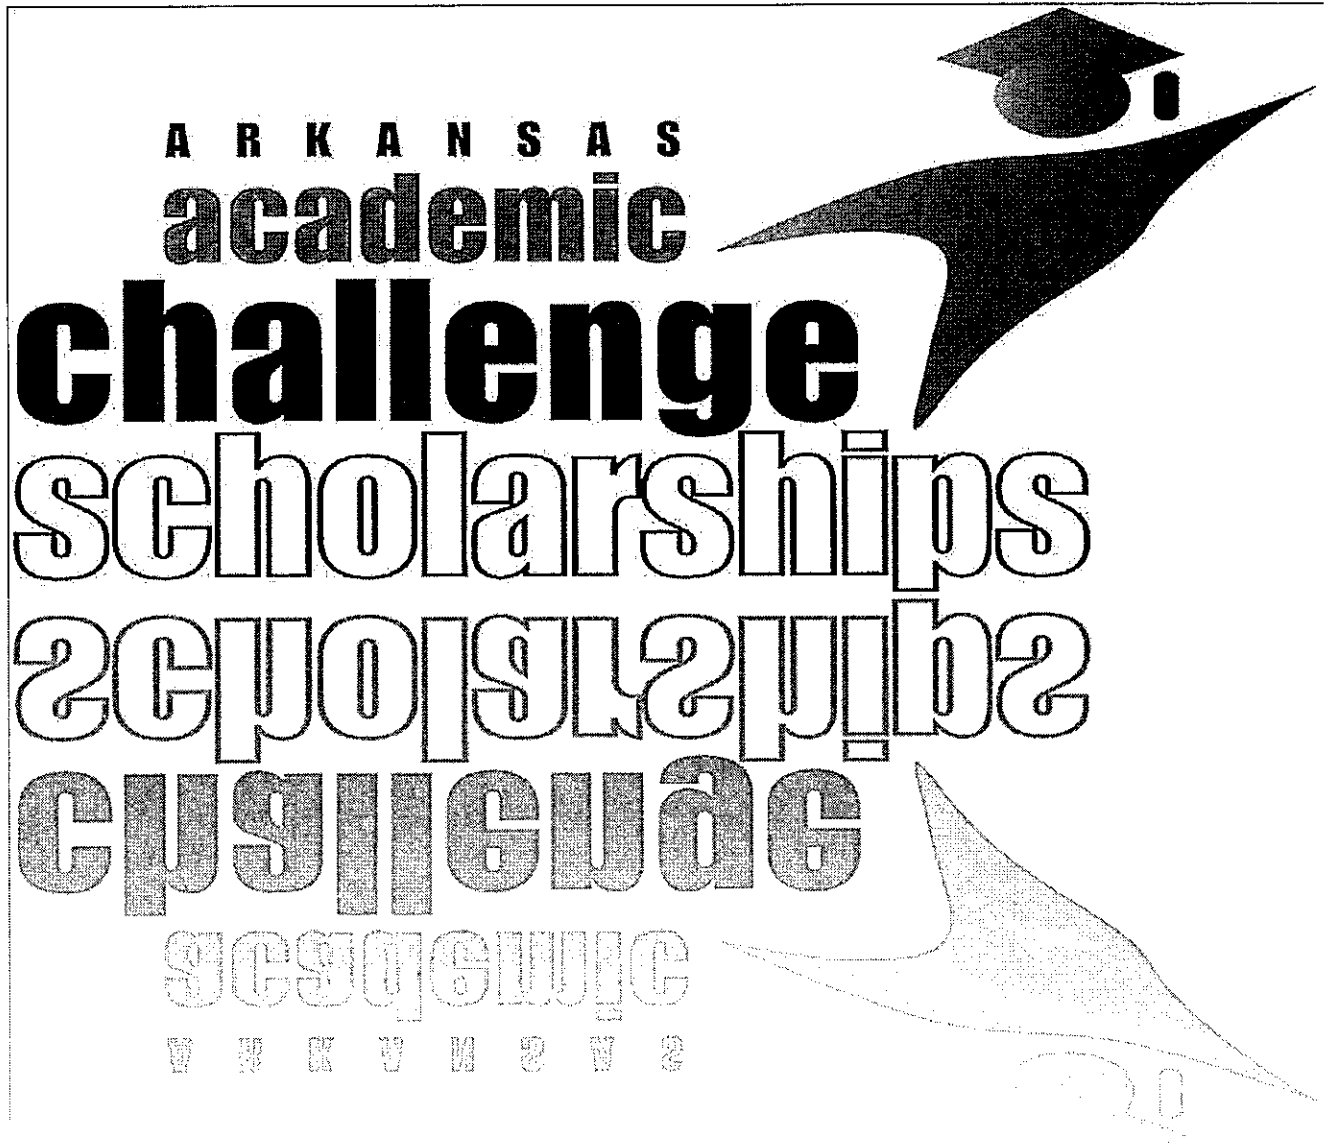

Thanks you for your consideration in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Shane Broadway".
