

ARKANSAS CATFISH PROMOTION BOARD

Enabling Laws

Act 5 of 2005
A.C.A. §2-9-103

History and Organization

The Arkansas Catfish Promotion Board was created by Act 790 of 1999 with the responsibility to promote the growth and development of the catfish industry in Arkansas through research, promotion, and market development. The Board consists of seven producers appointed by the Governor. Three members are nominated by and represent Arkansas Farm Bureau, and four members are nominated by and represent the Catfish Farmers of Arkansas. The Board is administered by the Executive Vice-President of Arkansas Farm Bureau Federation or his designee.

Special Revenues fund the operations of the Board. A one-dollar per ton assessment on all catfish feed purchased by commercial Arkansas catfish producers is used to fund research and promotion efforts.

The budget request is for continuation of the Base Level only. The line item for Research / Development, representing more than half of the entire budget, is used to fund catfish related research projects through the University of Arkansas and private research companies. The Board approves and monitors all projects.

Agency Commentary

The budget request of the Arkansas Catfish Promotion Board for the 2007-2009 Biennium is Base Level and will be funded entirely by special revenues collected from a one dollar per ton check off on all catfish feed purchased by commercial Arkansas catfish producers.

An allocation of these special revenue funds will be used to fund catfish related research and promotion projects through the University of Arkansas, private research companies, and promotion organizations as the Board sees fit. Projects will be individually approved and monitored by the Board. The Board welcomes project proposals at their last quarterly meeting each year.
