A.C.A. §5-36-205

History and Organization

The Arkansas Transitional Employment Board (ATEB) was created by Act 1567 of 1999 to be an agent of change and challenge to the existing federal, state and local agency service delivery mechanisms. The challenge is to seek to ensure that persons receiving Transitional Employment Assistance (TEA) are getting the assistance, information, and services needed to help them become self-sufficient. The Board is responsible for fulfilling the requirements set forth in law as they relate to the oversight of state agencies engaged in the process of administering the TEA program, procuring the independent evaluation of the TEA program, and various other duties outlined in law.

Act 1567 of 1999 was a revision to the Arkansas Personal Responsibility and Public Assistance Act, which was initially enacted in 1997. The law was again revised by Act 1264 of 2001 and Act 1306 of 2003. Act 1705 of 2005 moved the federal Temporary Assistance to Needy Families (TANF) block grant from the Department of Health and Human Services to the Department of Workforce Services. The ATEB is funded on a reimbursement basis from the Department of Workforce Services TANF Block Grant.

Agency Commentary

The Arkansas Transitional Employment Board (ATEB) has oversight responsibility over welfare reform in the State of Arkansas. For the 2007 - 2009 biennium, the ATEB is requesting the following:

Fund Center: 768 - Operations

The ATEB is requesting an increase in appropriation for 09-Conference Fees and Travel in the amount of \$18,000 for FY08 and \$18,000 for FY09. This request is necessary to appropriately expense conference and travel expenses that have been incorrectly coded as 02-Operating Expenses in the past.

In order to accommodate this increase in 09-Conference Fees and Travel, the ATEB also requests a reduction in appropriation for 02-Operating Expenses in the amount of \$18,000 for FY08 and \$18,000 for FY09.

Fund Center: 939 - TEA Independent Evaluator

In addition to the administrative cost, Act 1567 of 1999 mandates that the ATEB enter into a contract with an independent evaluator to examine the state's Transitional Employment Assistance (TEA) program. This appropriation is necessary to fulfill the requirements of this act. The base level for the independent evaluator stands at \$750,000.

The ATEB is requesting the base level appropriation for each year of the biennium for costs associated with the independent evaluator contract.

DIVISION OF LEGISLATIVE AUDIT
AUDIT OF :
ARKANSAS TRANSITIONAL EMPLOYMENT BOARD
FOR THE YEAR ENDED JUNE 30, 2005

Findings	Recommendations
<p>Lack of management oversight and review of credit card transactions allowed Ms. Dametrice Burke, former Outreach Monitor, to charge personal purchases totaling \$27,052 to the Agency's credit card during the period March 2003 through April 2006. We recommend Ms. Burke, who accepted responsibility for the improper credit card charges, reimburse the Agency.</p> <p>In addition, travel reimbursements of \$3,059 paid to Ms. Burke were not supported with adequate documentation. As a result, the Agency was unable to substantiate the business purpose of these expenditures.</p>	<p>Agency strengthen internal controls related to credit card transactions and travel expenditures.</p>

Analysis of Budget Request

Appropriation: 768 - Operations

Funding Sources: MAT - Transitional Employment Board Operations

Arkansas Code Annotated §20-76-105 revised the Arkansas Personal Responsibility and Public Assistance Reform Act of 1997 by creating the Transitional Employment Board in an effort to better manage the welfare reform programs implemented statewide. The Board consists of 15 members. Though the duties of the Board are many, the main focus of the Board is to oversee the operation of the Arkansas Transitional Employment Assistance (TEA) activities and to coordinate these activities with state agencies involved in TEA. Funding is derived from the federal Temporary Assistance for Needy Families (TANF) program through the Arkansas Department of Workforce Services.

Additionally, the Board is authorized to initiate activities to foster collaboration; respond to and report on citizen concerns about implementation and administration of the program; review the Department of Health and Human Services (DHHS) plan for bonus awards and employee incentives; contract for an independent evaluation of the TEA program; provide guidance and oversight to the Governor's Partnership Council on Children and Families and prior to approval, ensure each local TEA plan includes how the regional workforce investment board will support the local TEA plan. The Board is required to submit biennial reports to the House and Senate Committees on Public Health, Welfare and Labor and to the Governor.

The Agency's Base Level request is \$464,498 each year of the biennium with five (5) regular positions. A cost of living increase is not incorporated in Base Level pending the outcome of the Classification and Compensation Study. The Base Level request of \$248,232 each year for Regular Salaries does include board member Stipend payments. FY07 salary levels have been held flat each year for all incumbents. Personal Services Matching reflects increases in the Base Level due to certain increases in Worker's Compensation and Unemployment Tax rates. Personal Services Matching also includes a \$30 increase in the monthly contribution for State employee's health insurance for a total State match per budgeted employee of \$350/month.

The Agency's Change Level Request includes a reallocation of appropriation in the amount of \$18,000 each year from Operating Expenses to Conference Fees and Travel. In FY06, a Legislative Audit revealed that the Agency had been incorrectly coding certain conference and travel related expenses as Operating Expenses instead of Conference Fees and Travel Expenses. To correct this problem in FY06 and FY07, the Agency requested and received Legislative approval for a Budget Classification Transfer, which enabled them to correctly code the expenses to the proper commitment item, thereby avoiding future audit findings. This biennial change level request will eliminate the need for any future mid-year revisions to the Agency's budget.

The Executive Recommendation provides for the Agency Request.

Justification

C04 In FY06, a Legislative Audit revealed that the Agency had been incorrectly coding certain conference and travel related expenses as 02-Operating Expenses instead of 09-Conference Fees and Travel Expenses. The Agency requested and received Legislative approval for a Budget Classification Transfer in both FY06 and FY07 to enable them to correctly code the expenses and avoid further audit findings. The Agency is now requesting to reallocate appropriation in the amount of \$18,000 from 02-Operating Expenses to 09-Conference Fees and Travel in order to correct this problem in their appropriation act.
