Enabling Laws

Act 2096 of 2005

A.C.A. §16-10-101 et seq.

A.C.A. §16-10-102 et seq.

History and Organization

The Administrative Office of the Courts (AOC, formerly known as the Arkansas Judicial Department) was created by the Arkansas General Assembly, by Act 496 of 1965, and the agency came into existence on July 1, 1965. Act 760 of 1989 provided substantial modification to the organization and structure of the agency, and these two acts are now codified in A.C.A. §16-10-101 and A.C.A. §16-10-102.

The Arkansas Supreme Court has general superintending control over the administration of justice in all courts of the state, and the Chief Justice is directly responsible for the efficient operation of the judicial branch and its constituent courts and for the expeditious dispatch of litigation therein and the proper conduct of the business of the courts. The Administrative Office of the Courts was created as the agency responsible for the administration of the non-judicial business of the judicial branch. The Director of the AOC is nominated by the Chief Justice, subject to the approval of the Supreme Court and the Arkansas Judicial Council. The Director of the AOC, subject to the direction of the Supreme Court, is responsible for performing the following functions:

- (1) Examine the administrative methods of the courts and make recommendations to the Supreme Court for their improvement;
- (2) Examine the state of the dockets of the courts, secure information as to their needs for assistance, if any, prepare statistical data and reports of the business of the courts, and advise the Supreme Court to the end, that proper action may be taken;
- (3) Examine the estimates of the courts for the State for appropriations and present to the Supreme Court recommendations concerning them;
- (4) Examine the statistical systems of the courts and make recommendations to the Supreme Court for a uniform system of judicial statistics;
- (5) Collect, analyze, and report to the Supreme Court statistical and other data concerning the business of the courts;
- (6) With the approval of the Supreme Court and at the request of the Judicial Council, the Director shall act as Secretary of the Judicial council;
- (7) Examine the data processing needs of the courts and make recommendations to the Supreme Court as to the purchase and use of hardware and software for computer systems, telecommunications systems, and microfilming systems, and provide education to the courts on the use of such systems so as to improve the quality and efficiency of justice in the state;
- (8) Assist the Supreme Court in the operation of the Supreme Court Library;
- (9) Attend to the other non-judicial business of the judicial branch under such rules and regulations as the Supreme Court may by order adopt.

One of the main functions of the Agency is the maintenance of the statewide judicial information system. The agency monitors the uniformity of judicial statistics of the courts, and collects and compiles data and management oriented statistical reports regarding the Supreme Court, the Court of Appeals, circuit, chancery, probate, juvenile, county, municipal, and city courts. The department also assists courts at all levels in the evaluation and implementation of computer systems, and the development of software programs to assist in record keeping and management systems.

Acts 464 and 477 of 1981 vested the Agency with the responsibility of providing translating/interpreting services to the State Courts. Both acts provide that the agency prescribe the qualifications and certifications of persons who may serve as qualified translators/interpreters in all courts of the state in bilingual proceedings and proceedings involving the hearing impaired. As a part of this program, the agency has on its staff a fully qualified and certified interpreter, who not only serves as the supervisor for the program, but furnishes interpreting services for the deaf and hearing impaired in all levels of the courts.

Act 897 of 1995 provides that the agency shall provide and pay the cost of reasonable accommodations for hearing and visually impaired persons so they can serve as venire persons or jurors.

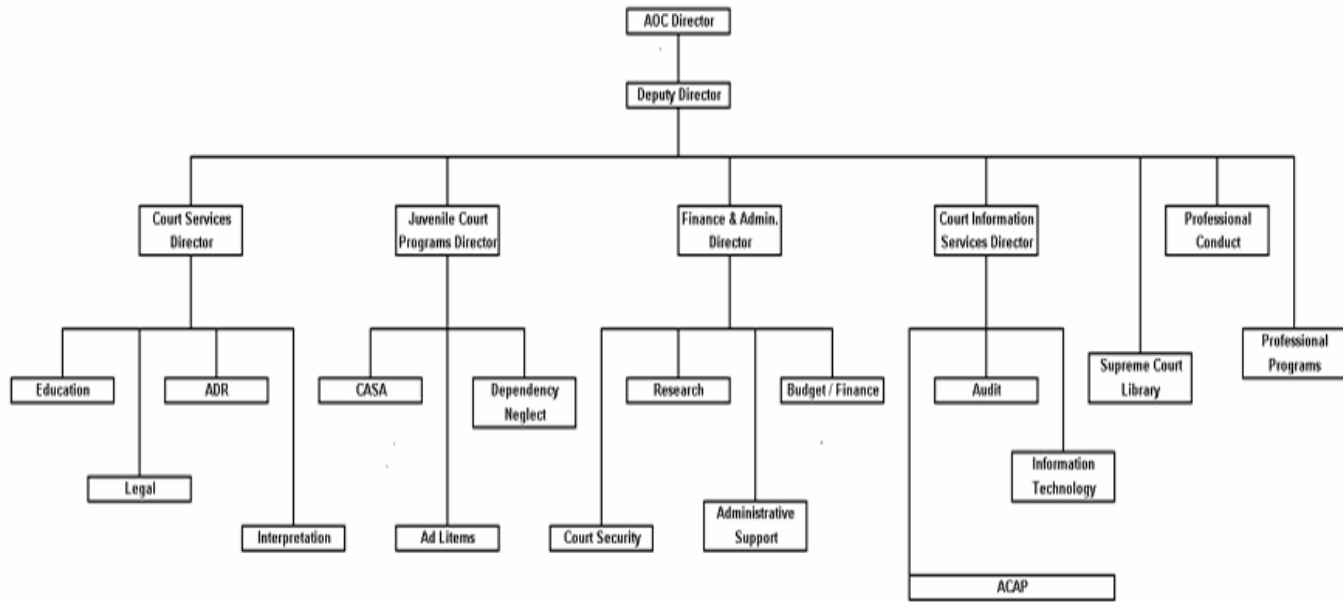

Act 334 of 1985 provides that "the State's responsibility for training and providing additional judicial education to circuit and chancery judges, municipal judges, city judges, circuit and chancery clerks, municipal clerks, case coordinators, court reporters, and all other personnel directly associated with the state courts, shall be administered by the Administrative Office of the courts."

Act 1355 of 1997 created a division of the Dependency/Neglect representation within the agency staffed by a Court Appointed Special Advocate (CASA) coordinator and an attorney coordinator. The agency is authorized to provide funding for representation of children and/or parents in dependency/neglect proceedings.

Act 674 of 1995 provides that the AOC will house and staff the Arkansas Alternative Dispute Resolution Commission (ADR). The Commission is responsible for the implementation of ADR programs, education, and the certification of ADR professionals.

Act 1438 of 1999 established the Division of Dependency Neglect Representation for the AOC. The Division is responsible for the representation of children in dependency-neglect, custody, and guardianship cases.

In addition to the legislation mentioned above, the following acts have been added to or amended the functions and responsibilities of the agency: Act 599 of 1971; Act 237 of 1973; Act 82 of 1979; Act 817 of 1979; Act 1 of 1980; Act 489 of 1981; Act 294 of 1989; Act 418 of 1989; Act 855 of 1995; Act 1262 of 1995; Act 1072 of 1997; Act 1171 of 1997; Act 1532 of 2001; Act 1507 of 2001, Act 1590 of 2001 and Act 1643 of 2001.

Agency Commentary

Admin Office of the Courts (AOC) - Operations (Fund Center 343)

Regular Salaries (5010000):

We are requesting a 5% COLA increase in salaries for FY08 and FY09.

Personal Services Matching (5010003):

We are requesting an amount in proportion to the increase in salaries for FY08 and FY09.

Operating Expenses (5020002):

We are requesting an increase of approximately 10% in operating expenses in FY08 and FY09. AOC has absorbed an additional \$20,000 in the Deaf Interpreter Program due to a change to technical services instead of professional services for reimbursement by the Dept of Finance & Administration. Also, due to a growth in employees, additional space will need to be rented. Postage, mileage and reimbursement for travel have increased greatly.

Capital Outlay (5120011):

We are requesting the FY07 Authorized level (\$164,500) be restored for FY08 and FY09. AOC will use the appropriation to replace two automobiles, computers for staff, laptops for circuit judges and other equipment needs.

Court Interpreter Fees (5900047):

We are requesting an increase of \$25,000 for FY08 and FY09. This is a 10% increase each year to support the increased demand caused by a growth in the State's Hispanic population.

Other Line Items:

No increase requested

Division of Dependency-Neglect Representation (Fund Center 330)

Regular Salaries (5010000):

AOC annually pays for attorneys who provide services to children through salaried positions and professional services contracts. The State's circuit judges determine the form of the employee

relationship. AOC is requesting the creation, but no additional funding, of ten Legal Research Specialist positions, grade 25 - five positions in FY08 and five in FY09. AOC is also requesting a 5% COLA increase in salary for the twenty-five (25) budgeted positions in FY08 and FY09. The requested positions would be funded by the present appropriation by moving professional services money to regular salaries. AOC will use the positions to hire full-time ad litem where the caseload would be better served and the circuit judges elect to do so. AOC is required to present documentation to the legislature to transfer the appropriation between commitment line items and to approve the hiring of a full-time position per Act 2096 of 2005, Section 25.

Personal Services Matching (5010003):

We are requesting an increase in the amount in proportion to the increase in salaries for FY08 and FY09.

Operating Expenses (5020002):

We are requesting an increase of approximately 5% in operating each year of the biennium to support travel, office and related expense of the requested positions.

Professional Fees (5060010):

We are requesting 5% increase in FY08 and FY09, equal to the amount requested for salaried positions.

Grants and Aid (5100004):

We are requesting a \$50,000 increase in FY08 and a \$100,000 increase in FY09 to continue current funding formula and the growth in number of Court Appointed Special Advocates (CASA) programs. There has been no increase in the appropriation since its creation in 1999.

Refunds and Reimbursements (5110014):

We are requesting an increase of \$577,124 each year of the biennium to fund parent counsel. Of this amount, \$450,000 in additional funding was identified by the Arkansas Association of Counties as the amount which local counties were required to pay.
