

## CASA VOLUNTEER GENERAL HEARING PREPARATION CHECKLIST

*Prior to any hearing, the CASA volunteer should gather information on case progress and the child's needs by visiting:*

- *The child regularly, based on needs and age of child;*
- *The foster parents;*
- *Parents and other relatives;*
- *The teacher or day care provider and others who have contact with the child, such as the school bus driver, playground supervisor, etc.;*
- *Any other relevant individuals with knowledge of the child (counselors or rehabilitation providers); and*
- *The caseworker, the attorney ad litem, and the parent's attorney.*
- *If the father is unknown or location is unknown, look for that father "like you need his kidney."*

*When observing the visitation with the parents, the CASA volunteer should:*

- *Let the parent engage with the child.*
- *Do not participate – try to be a "fly on the wall." If it is possible to observe without being in the room, do so.*
- *Observe how the child relates to the parent(s) and how the parent(s) interact with the child.*
- *Observe how the parent(s) discipline the child.*
- *Notice what the parents bring for or give to the child.*

*In every court report, the CASA volunteer should report on:*

- *Child's medical, physical, emotional, and educational needs.*
- *Compliance with court orders and the case plan.*
- *Appropriateness of child's placement, how child is disciplined.*
- *What the parents need to be able to provide a safe home for their child (or if it is in the child's best interest to return home).*
- *Concurrent plan, and what progress is being made on that plan.*
- *Child's wishes.*

## CASA PROBABLE CAUSE HEARING CHECKLIST

### **Purpose:**

This hearing shall be limited to determining whether probable cause existed to protect the juvenile and to determining if probable cause to protect the juvenile continues to exist; however, issues of custody and services may be considered by the court.

*Note: The Probable Cause hearing is sometimes called the emergency hearing.*

### **Time constraints:**

- ⌚ The Probable Cause Hearing shall be held within 5 business days of the issuance of the ex parte order.
- ⌚ By agreement of the parties and with the court's approval, the Adjudication Hearing can be held anytime after the Probable Cause hearing. However, the Adjudication Hearing shall be held within 30 days of the Probable Cause Hearing and may be continued for no more than 30 days upon motion of the court or parties for good cause shown.
- ⌚ A written order shall be filed by the court or by a party or party's attorney as designated by the court within 30 days of the date of the emergency hearing, or prior to the next hearing, whichever is sooner.

### **Present At Hearing:**

- Judge;
- All parties, including children, unless excused for good cause by court;
- Attorneys for all parties;
- Foster parents and relative caregivers;
- Assigned investigator and/or caseworker; and
- Court Reporter.

*Best Practice: CASA staff member or experienced volunteer also attend to gather information.*

### **Burden of Proof:**

Petitioner has proof of preponderance of the evidence that probable cause exists for continuation of emergency order.

### **Information to gather at the hearing:**

- Identity of all parties (and attorneys), including putative fathers;
- Legal relationships of the parties to the children;
- Other family members or family resources;
- Whether the child is of Native American heritage;
- Special needs of the children or parents;
- Current custody and visitation; and
- Date and time of staffing. (*Law requires initial case plan within 30 days of removal.*)

### *Best Practice:*

- *Use a worksheet that makes entry into COMET easy.*
- *Ask permission of parents' attorney to talk with family members and get contact information.*
- *Get placement information about the child.*
- *Learn who the child's caseworker is.*

### **Court Findings:**

- That probable cause existed;
- That probable cause continues to exist and the juvenile cannot be returned home; OR
- The court shall return the juvenile home if it finds it is in the juvenile's best interest and the juvenile can be returned home safely pending adjudication.
- Court shall set date and time for adjudication hearing.

*Best Practice: If a volunteer is available, have one appointed at this time. The volunteer is not to ask questions relating to any pending charges, but is to focus on the child's immediate needs. Prior to the adjudication/disposition hearing, the volunteer should look at transition issues, such as clothing and other belongings, education, medical or counseling needs, siblings, potential relative placements, and visitation.*

## CASA ADJUDICATION/DISPOSITION HEARING CHECKLIST

### Petitioners:

- ✓ Any adult and any juvenile in the home age 10 years or older can file a dependency-neglect (d-n) petition, although
- ✓ Only law enforcement, prosecuting attorney or DHHS or its designee can file d-n petition seeking ex parte relief.

### Adjudication & Disposition Purpose:

- To determine whether allegations in the petition are substantiated by the evidence.
- To enter orders consistent with disposition alternatives.
- In considering the disposition alternatives the court shall give preference to the least restrictive disposition consistent with the best interest and welfare of the juvenile.

### Time Constraints:

- ⌚ The CASA court report shall be file marked and distributed to parties at least seven business days prior to the hearing. CASA staff shall complete a Certificate of Service.
- ⌚ A written adjudication order shall be filed by the court within 30 days of the date of the adjudication hearing or prior to the next hearing, whichever is sooner.
- ⌚ Any predisposition reports shall be provided in writing to all parties and counsel at least 2 days prior to the disposition hearing.
- ⌚ The Disposition Hearing may be held immediately following or concurrent with the Adjudication Hearing, but shall be held no more than 14 days following the Adjudication Hearing.
- ⌚ A written disposition order shall be filed by the court, or by a party or party's attorney as designated by the court, within 30 days of the date of the hearing or prior to the next hearing, whichever is sooner.

- Do all parties entitled to appointment of counsel have counsel or is proper waiver on the record?

*Best Practice: The CASA volunteer's facts and recommendations are not for the purpose of proving or disproving the case, though the CASA volunteer may be called as a witness in this portion of the hearing.*

### Disposition

*Best Practice: The CASA volunteer should submit a court report and be prepared to testify for this portion of the hearing. If an attorney invokes the rule, ask if the CASA volunteer can testify first and then stay in the courtroom to take notes. If this is not possible, a staff person or another volunteer not assigned to the case should take notes.*

*When testifying, the volunteer should take notes to the stand and ensure that testimony is factual. Recommendations must be supported by the facts.*

### Disposition Alternatives & Limitations

#### 1. Order family services.

- ✓ Court shall not specify a particular provider for family services when DHHS is the payor or provider.
- ✓ Court shall determine parent's, guardian's, or custodian's ability to pay in part or whole for services and shall include findings in written order.

2. **Transfer custody** to DHHS, licensed agency responsible for care of juveniles, relative or other individual if in child's best interest.
  - ✓ Custody can be transferred to a relative or other individual **only after a home study** by DHHS **or licensed social worker** of the placement is conducted and submitted to court in writing and the court determines that the placement is in the child's best interest.
  - ✓ Prior to placing a child in DHHS custody, the court must find that reasonable efforts were made to prevent need for removal. Reasonable efforts are deemed if there was an emergency.
  - ✓ If the court finds that reasonable efforts could have been made with the juvenile remaining safely at home, but that DHHS failed to do so, the court may dismiss the petition, order services, or transfer custody to protect child's health and safety or prevent removal from the court's jurisdiction.

#### 3. **If court transfers custody to DHHS, the court shall issue orders regarding educational issues of the juvenile including:**

- ✍ If the parent or guardian (P/G) shall have access to school records;
