None of the funds appropriated in this Act for Maintenance and General Operation shall be expended in payment for services of attorneys, unless the agency shall first make a request in writing to the Attorney General of the State of Arkansas to provide the required legal services. The Attorney General's Office shall provide the requested legal services, or, if the Attorney General's Office shall determine that sufficient personnel are not available to provide the requested legal services, the Attorney General shall certify the same to the agency and may

authorize the agency to employ legal counsel and to expend monies appropriated for Maintenance and General Operations therefor, if:

(1) The Attorney General determines, and certifies in writing, that such agency needs the advice or assistance of legal counsel, and

(2) The Attorney General consents in writing to the employment of the legal counsel to be retained by the agency.

Such certification shall be required with respect to each instance of the employment of special legal counsel, or shall be required annually with respect to legal counsel employed on a retainer basis. A copy of such certification shall be entered in the official minutes of the agency, and shall be retained in the fiscal records of the agency for audit purposes.

SECTION 6. (a) The Arkansas Development Finance Authority shall not employ or select any investment banker, consultant, professional financial advisor or attorney unless the selection criteria to be used in making such selection and the compensation proposed to be paid for such services has been submitted to and approved by the Arkansas Legislative Council. The approval of the Legislative Council shall be by a majority vote of the membership of the Council.

(b) The Arkansas Development Finance Authority shall not enter into any bond purchase agreement with any party or parties unless it has first obtained approval of the fees, interest rates, average coupon, average life of the securities and gross spread, by the Arkansas Legislative Council. Approval of the Council shall be by a majority vote of the membership of the Council.

SECTION 7. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this Act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Purchasing Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 8. LEGISLATIVE INTENT. It is the intent of the General

Assembly that any funds disbursed under the authority of the appropriations contained in this Act shall be in compliance with the stated reasons for which this Act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

Provided further, that all contracts for professional or consultant services shall be submitted monthly to the Chief Fiscal Officer of the State for reporting to the Legislative Council.

SECTION 10. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Sixth General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a two (2) year period; that the effectiveness of this Act on July 1, 1987 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the Regular Session, the delay in the effective date of this Act beyond July 1, 1987 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 1987.
