BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. APPROPRIATIONS - GENERAL IMPROVEMENT. There is hereby appropriated to the Arkansas Science and Technology Authority, to be payable from the General Improvement Fund or its successor fund or fund accounts, the following:

(A) No contracts may be awarded or obligations otherwise incurred in relation to the project or projects described herein in excess of the State Treasury funds actually available therefore as provided by law. Provided, however, that the Institutions and Agencies listed herein shall have the authority to accept and use grants and donations including Federal funds, and to use its unobligated cash income, and/or funds available to it, for the purpose of supplementing the said State Treasury funds for financing the entire costs of said project or projects. (B) The General Accounting Procedures Law, the State Purchasing Law, the Revenue Stabilization Law, and other applicable fiscal laws of the State shall be strictly complied with, with respect to use of any funds provided by this Act.

SECTION 3. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Sixth General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a two (2) year period; that the effectiveness of this Act on July 1, 1987 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the Regular Session, the delay in the effective date of this Act beyond July 1, 1987 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 1987.
