At the end of each fiscal year, the Chairman of that Commission shall initiate an audit of the AETN Foundation by a recognized and certified public accounting firm acceptable to the Legislative Auditor with such audit stan-

dards and schedules that may be promulgated by the Legislative Auditor; such audit to be paid for by the AETN Foundation.

No person employed by the Arkansas ETV Commission and paid from state funds shall receive supplemental compensation or remuneration from funds not appropriated by the state.

State employees of the Division of Arkansas Educational Television, in fulfilling their day-to-day responsibilities, are to be supervised only by appropriate state employees and to that end, no privately funded or auxiliary funded employee or person not on the Arkansas Educational Television state payroll nor the Department of Education payroll shall supervise any state employee herein provided.

SECTION 7. The Director of the Educational Television Division of the Department of Education shall submit budget requests of the Educational Television Division to the State Board of Education and the Director of the Department of Education - General Education Division, for their review and approval, before such budget submissions are forwarded to the Governor and the Arkansas Legislative Council.

SECTION 8. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this Act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Purchasing Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 9. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this Act shall be in compliance with the stated reasons for which this Act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint

Provided further, that all contracts for professional or consultant services shall be submitted monthly to the Chief Fiscal Officer of the State for reporting to the Legislative Council.

SECTION 11. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Sixth General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a two (2) year period; that the effectiveness of this Act on July 1, 1987 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the Regular Session, the delay in the effective date of this Act beyond July 1, 1987 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 1987.
