(B) In order to relieve client lessees from joint and several liability and the separate reporting requirements imposed under subparagraph (A), any lessor employing unit as defined in subparagraph (D) may post and maintain a surety bond issued by a corporate surety authorized to do business in Arkansas in an amount equivalent to the contributions for which the lessor employing unit was liable in the last calendar year in which he accrued contributions, or \$100,000, whichever amount is the greater, to insure prompt payment of contributions, interest, and penalties for which the lessor employing unit may be, or becomes, liable under this Law. (3) Upon written application by any person, the Administrator or his designee may release from a lien any property or part of the property subject to the lien described in paragraph (1) provided that:

(A) the Administrator or his designee determines at any time that the interest of the Arkansas Employment Security Division has no value, or
