SECTION 2. DISBURSEMENT CONTROLS. (A) No contract may be awarded or obligations otherwise incurred in relation to the project or projects described herein in excess of the State Treasury funds actually available therefor as provided by law. Provided, however, that the Institutions and Agencies listed herein shall have the authority to accept and use grants and donations including Federal funds, and to use its unobligated cash income, and/or funds available to it, for the purpose of supplementing the said State Treasury funds for financing the entire costs of said project or projects. (B) The General Accounting Procedures Law, the State Purchasing Law, the Revenue Stabilization Law, and other applicable fiscal laws of the State, or their successors, shall be strictly complied with, with respect to use of any

SECTION 3. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this Act shall be in compliance with the stated reasons for which this Act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 4. All provisions of this Act of a general and permanent nature are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code Revision Commission shall incorporate the same in the Code.

SECTION 5. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Seventh General Assembly, that the Marketing and Redistribution Section of the Department of Finance and Administration provides services essential to the effective efficient operation of state government by providing a means of distribution of surplus property; that the buildings and grounds used by such section have become inadequate to the extent that the operations of such section are greatly impaired; that suitable additional property is currently available for purchase; that the provisions of this Act provide the monies necessary for such purchase; that the delay in the effective date of this Act could result in the delay of purchasing the property; that such delay could result in increased cost of said property; and that such increased cost would thereby result in irreparable harm to the proper administration and provision of essential governmental services. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after its passage and approval.
