In the event the State Forestry Commission determines the nursery operation can effectively maintain its self-supporting status by utilization of contract labor from a private vendor for temporary and/or seasonal labor needs, the Commission is hereby authorized, upon approval of the Chief Fiscal Officer to transfer the necessary appropriation authorized by Item (02) in Section 3 of this Act to Item (05) in Section 3 of this Act.

SECTION 10. FIELD AUDITORS. It is the intent of the General Assembly that two (2) of the Field Auditor II positions authorized in Section 1 of this Act shall be used primarily for performing audits and other services to assure that the severance tax on timber including wood chips and the Forest Fire Protection Tax due to the Forestry Commission is paid.

SECTION 11. During the 1989-91 biennium, positions authorized as Forester I and Aircraft Pilot I may be downgraded to Forest Towerman to provide for an orderly transition to complete aerial wildfire detection and reorganization of districts to county units.

SECTION 17. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Seventh General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a two (2) year period; that the effectiveness of this Act on July 1, 1989 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the Regular Session, the delay in the effective date of this Act beyond July 1, 1989 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 1989.
