In either event, the industry shall be classified as a seasonal industry effective on the January 1 immediately following the date of the director's determination. Provided that, any employer who is classified as a seasonal employer under these provisions may make a written request to the Administrator asking not to be treated as a seasonal employer. (3) With respect to any services described in subdivisions (1) or (2) of this section, compensation payable on the basis of these services shall not be payable to any individual for any week which commences during an established and customary vacation period or holiday recess if the individual performs these services in the period immediately before a vacation or holiday recess, and there is a reasonable assurance that the individual will perform the services in the period immediately following the vacation period or holiday recess.
