BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. Section 26-52-301 of the Arkansas Code of 1987 Annotated is hereby amended to read as follows:

(iii) Except as provided in subdivision (3)(iv) of this section,

taxable long distance services shall include:

- (a) Long distance messages which originate and terminate within this state;
  - (b) Interstate long distance messages which originate within this state and terminate outside this state and are billed to an Arkansas telephone number or customer location;
  - (c) Interstate long distance messages which originate outside of this state and terminate within this state and are billed to an Arkansas telephone number or customer location.
- (iv) However, the following services shall not be subject to the tax:
- (a) Any interstate private communications service which is not accessible by the public;
  - (b) Any interstate service which allows access to private telephone lines and which is not accessible by the public; or

(iv) The General Assembly determines and affirms that the original intent of this subdivision which provides that gross receipts derived from certain services would be subject to the gross receipts tax was not intended to be applicable, nor shall Arkansas gross receipts taxes be collected, with respect to services performed on watches and clocks which are received by mail or common carrier from outside this state and which, after the service is performed, are returned by mail or common carrier or in the repairman's own conveyance to points outside this state;

However, if that border city has voted to levy an additional one percent (1%) gross receipts tax in that city in lieu of paying state income taxes by individuals who are residents of the city, as authorized by □ 26-52-601 et seq., the rate of tax shall be one percent (1%) above the five percent (5%)."

SECTION 3. Section 26-53-106(a) of the Arkansas Code of 1987 Annotated is hereby amended to read as follows:

"(a) There is levied and there shall be collected from every person in this state a tax or excise for the privilege of storing, using, or consuming within this state any article of tangible personal property purchased for storage, use, or consumption in this state at the rate of five percent (5%) of the sales price of the property."

SECTION 4. Sections 1, 2, and 3 of this act shall be in full force and effect on and after July 1, 1989.

(f) The credit provided by this section cannot be claimed as a refund to the extent it exceeds tax liability."

SECTION 6. Section 5 of this act shall be effective for income years beginning on or after January 1, 1989.

SECTION 7. Sections 26-52-302, 26-53-107, and 26-53-108 of the Arkansas Code of 1987 Annotated and all laws and parts of laws in conflict with this act are hereby repealed. Section 26-53-108 was a phase-in provision of the

compensating tax on certain personal property and was completely phased-in on and after July 1, 1974. Section 26-53-106 of the Arkansas Code of 1987 Annotated is the imposition code section for the compensating tax and covers the personal property stated in section 26-53-108.

Therefore, an emergency is hereby declared to exist and this Act being necessary for the preservation of the public peace, health and safety shall be in full force and effect from and after its passage and approval.
