(b) (1) Except as provided in subdivision (3) of this subsection, the exemption provided for in this section for benefits received from an employment-related public or private retirement or disability system, plan, or program shall be the only exemption from state income taxes allowed for retirement or disability benefits received from any publicly or privately supported system, plan, or program excepting only benefits received under systems, plans, or programs which are by federal law exempt from state income taxes.

(2) Any resident of this state who prior to January 1, 1989, received both military retirement or disability pay and other retirement or disability benefits shall be entitled to claim only one six thousand dollars (\$6,000) deduction beginning with tax year 1989.

(c) No recipient of retirement or disability benefits from public or private employment-related retirement systems, plans, or programs shall be allowed to deduct or recover his cost of contribution in the plan when computing his income for state income tax purposes."

SECTION 2. Section 26-51-306 of the Arkansas Code of 1987 Annotated is hereby amended to read as follows:

SECTION 4. All laws and parts of laws in conflict with this act are hereby repealed.

SECTION 5. All provisions of this act of a general and permanent nature are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code Revision Commission shall incorporate the same in the Code.

SECTION 6. This act shall be applicable to income years beginning on or after January 1, 1989.

SECTION 7. EMERGENCY. It is hereby found and determined by the General Assembly that certain inequities have evolved through the years concerning the taxation of retirement and disability income in this state; that such inequities have no just or sound basis and are creating an undue burden on some taxpayers within this state; that this act should be given effect immediately to stop these inequities and to limit continued potential legal costs to taxpayers under the current tax structure. Therefore, an emergency is hereby declared to exist and this Act being necessary for the preservation of the public peace, health and safety shall be in full force and effect from and after its passage and approval.
