12

13 SECTION 1. Arkansas Code 26-58-111 is hereby amended to read as  
14 follows:

15 "26-58-111. Rate of tax.

4 during that month shall be computed at the rate of four percent (4%) of the  
5 market value at time and point of severance. The director shall have the  
6 power to promulgate such reasonable rules and regulations as shall be  
7 necessary to effectively enforce the foregoing provisions;

8                 (7) On timber, the tax shall be collected, reported, and remitted by  
9 each primary processor and shall be computed on the weight of such timber as  
10 determined at the last time the timber is weighed prior to undergoing the  
11 first processing after severance thereof and shall be at the following rates:
