14           Failure to use protective eyewear may result in severe burns or  
15 permanent injury to the eyes.

17 radiation. Consult a physician before using a sunlamp if you are using  
18 medications, have a history of skin problems, or believe you are especially

34 customer with properly sanitized protective eyewear that protects the eyes  
35 from ultraviolet radiation and allows adequate vision to maintain balance.

1 The operator may not allow a person to use a tanning device if that person  
2 does not use the protective eyewear. The operator shall also show each  
3 customer how to use suitable physical aids, such as handrails and markings on  
4 the floor, to maintain proper exposure distance as recommended by the  
5 manufacturer of the tanning device.

6 (c) The tanning facility shall use a timer with an accuracy of at least  
7 plus or minus 10 percent of any selected time interval. The facility shall  
8 limit the exposure time of a customer on a tanning device to the maximum  
9 exposure time recommended by the manufacturer. The facility shall control the  
10 interior temperature of a tanning device so that it may not exceed 100 degrees  
11 Fahrenheit.

12 (d) Before any person under 18 years of age uses a tanning device, the  
13 person shall give the tanning facility a statement signed by the person's  
14 parent or legal guardian stating that the parent or legal guardian has read  
15 and understood the warnings given by the tanning facility, consents to the  
16 minor's use of a tanning device, and agrees that the minor will use the  
17 protective eyewear that the tanning facility provides.

18

19 SECTION 9. Rules: Inspection and Reporting. (a) The Department of  
20 Health may adopt rules as necessary to implement this Act.

21 (b) The director or an authorized agent shall have access at all  
22 reasonable times to any tanning facility to inspect the facility to determine

25 SECTION 10. Penalties.

26 (a) Any person who willfully violates any of the provisions of this Act  
27 or rules, regulations, or orders in effect pursuant thereto of the Department  
28 shall upon conviction be punished by a fine of not less than one hundred  
29 dollars (\$100) nor more than two thousand dollars (\$2,000) or by imprisonment  
30 for not more than six (6) months, or by both fine and imprisonment.

31 (b) Each day of violation shall be considered a separate offense and  
32 shall be punishable as such.

33

34 SECTION 11. Enforcement.

35 (a) The Department or its authorized representatives shall have the

1 power to enter at all reasonable times upon any private or public property on  
2 or in which tanning devices are being manufactured, distributed, used, or  
3 repaired for the purpose of determining whether or not there is compliance  
4 with, or violation of, the provisions of this Act and rules and regulations  
5 issued thereunder. However, entry into areas under the jurisdiction of the  
6 federal government shall be effected only with the concurrence of the federal  
7 government or its designated representative.

8         (b) The Department shall have the authority in the event of an  
9 emergency to impound or order the impounding of tanning devices in the  
10 possession of any person who is not equipped to observe or fails to observe  
11 the provisions of this Act or any rules or regulations issued thereunder.

12         (c) Whenever, in the judgment of the Department, any person has engaged  
13 in or is about to engage in any acts or practices which constitute or will  
14 constitute a violation of any provision of this Act or any rule, regulation,  
15 or order issued thereunder, and at the request of the Department, the Attorney  
16 General may make application to a court of competent jurisdiction for an order  
17 enjoining those acts or practices, or for an order directing compliance, and,  
18 upon a showing by the Department that the person has engaged in or is about to  
19 engage in any such acts or practices, a permanent or temporary injunction,  
20 restraining order, or other order may be granted.

21

22             SECTION 12. Administrative proceedings.

23         (a) In any of the proceedings under this Act, the Department shall  
24 afford an opportunity for a hearing on the record upon the request of any  
25 person whose interest may be affected by the proceeding and shall admit the  
26 person as a party to the proceeding:

27             (1) For the issuance or modification of rules and regulations relating  
28 to radiation from tanning devices; or

29             (2) For granting, suspending, revoking, or amending any license; or

30             (3) For determining compliance with or granting exceptions from rules  
31 and regulations of the Department.

32         (b) Whenever the Department finds that an emergency exists requiring  
33 immediate action to protect the public health and safety, the Department may,  
34 without notice or hearing, issue a regulation or order reciting the existence  
35 of an emergency and requiring that such action be taken as is necessary to

1 meet the emergency.

2           (1) Notwithstanding any provision of this Act, the regulation or order  
3 shall be effective immediately.

4           (2) Any person to whom the regulation or order is directed shall comply  
5 therewith immediately but, on application to the Department within ten (10)  
6 days, shall be afforded a hearing within thirty (30) days.

7           (3) On the basis of the hearing, the emergency regulation or order  
8 shall be continued, modified, or revoked within thirty (30) days after the  
9 hearing.

10          (c) Any final order entered in any proceeding under this Act may be  
11 appealed within twenty (20) days from the date of receipt thereof to the  
12 Circuit Court of Pulaski County.

13

14          SECTION 13. Permits. (a) A person may not operate a tanning facility  
15 without a current and valid permit to operate the facility that is issued by  
16 the department.

17          (b) The permit shall be displayed in an open public area of the tanning  
18 facility.

19          (c) On application, on forms provided by the department for this  
20 purpose, and on receipt of renewal fees, permits shall be renewed annually by  
21 the board.

22          (d) The department by rule may adopt a system under which permits  
23 expire on various dates during the year. As part of this system the annual  
24 renewal fees may be prorated on a monthly basis to reflect the actual number  
25 of months the permit is valid.

26          (e) The department may revoke, cancel, suspend, or probate a permit to  
27 operate a tanning facility for any of the following reasons:

28           (1) a failure to pay a permit fee or an annual renewal fee for a  
29 permit;

30           (2) the applicant obtained or attempted to obtain a permit by  
31 fraud or deception;

32           (3) a violation of any of the provisions of this Act;

33           (4) a violation of a rule or regulation of the department adopted  
34 under this Act.

35

1 SECTION 14. Fees. The department shall set and collect a permit fee of  
2 twenty-five dollars (\$25.00) and an annual renewal fee for a permit of fifteen  
3 dollars (\$15.00).

4

5 SECTION 15. Effective date. This Act takes effect July 1, 1991.

6

7 SECTION 16. All provisions of this Act of a general and permanent  
8 nature are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas  
9 Code Revision Commission shall incorporate the same in the Code.

10

11 SECTION 17. If any provision of this Act or the application thereof to  
12 any person or circumstance is held invalid, such invalidity shall not affect  
13 other provisions or applications of the Act which can be given effect without  
14 the invalid provision or application, and to this end the provisions of this  
15 Act are declared to be severable.

16

17 SECTION 18. All laws and parts of laws in conflict with this Act are  
18 hereby repealed.

19

20 SECTION 19. EMERGENCY CLAUSE. It is hereby found and determined by the  
21 General Assembly that this Act should go into effect on July 1, 1991; that  
22 without this emergency clause the Act will go into effect ninety (90) days  
23 after adjournment of the General Assembly; at this time it is not established  
24 whether the General Assembly will adjourn in time for that ninety (90) day  
25 period to expire by July 1 and therefore this emergency clause must be adopted  
26 to ensure that the Act goes into effect on July 1. Therefore, an emergency is  
27 hereby declared to exist and this Act being immediately necessary for the  
28 preservation of the public peace, health and safety shall be in full force and  
29 effect July 1, 1991.
