30 read as follows:

31 "14-284-224. (a) When petitions are filed with the board of  
32 commissioners of a fire protection district created pursuant to this  
33 subchapter containing the signatures of at least ten percent (10%) of  
34 qualified electors of a portion of the unincorporated area of the county, as  
35 determined by the number of votes cast by the qualified electors of that

1 portion of the county for all candidates for Governor at the last preceding  
2 general election, requesting the annexation of the territory to an existing  
3 fire protection district created under this subchapter and requesting that  
4 assessed benefits be made on the property located within the area to be  
5 annexed to help finance the operation of the district, the Board of  
6 Commissioners shall conduct a public hearing on the petition and if the Board  
7 determines the annexation to be desirable the Board shall notify the quorum  
8 court and the quorum court may at its discretion call a special election  
9 within the area of the existing fire protection district and the area proposed  
10 to be annexed to determine whether the annexation should occur. No annexation  
11 shall occur except pursuant to an election under paragraph (b) or by ordinance  
12 under paragraph (d).

13           (b) The special election called by the quorum court to submit the  
14 question of the annexation and financing of the fire protection district to  
15 the electors of the district and the area to be annexed shall be held within  
16 ninety (90) days after the quorum court received notification from the Board  
17 of Commissioners. At the election, the question of annexing the area to the  
18 district and the financing of the district shall be placed on the ballot in  
19 substantially the following form:

24 the levy of assessed benefits on real property within the area to be annexed  
25 to help finance the district.....[ ]'

26           (c) If a majority of those voting at the election who reside within the

28 reside within the existing district vote in favor of the annexation, the area  
29 shall be deemed annexed and shall become a part of the fire protection  
30 district and governed accordingly.

31           (d) As an alternative to an election on the annexation issue, if the  
32 Board of Commissions of a fire protection district are in favor of the  
33 annexation, the Board may refer the petitions to the county quorum court who  
34 may then accomplish the annexation by enactment of a county ordinance  
35 providing therefor. Provided, however, that the ordinance shall not go into

1 effect until sixty (60) days after its enactment during which time if  
2 petitions calling for a referendum on the ordinance are presented to the  
3 quorum court and the petitions are signed by the number prescribed in  
4 subsection (a) above, the quorum court shall call a special election on the  
5 issue of the annexation and such election shall be conducted as prescribed in  
6 subsection (b) above, and unless at least a majority of those voting at the  
7 election who reside within the area to be annexed and a majority of those  
8 voting at the election who reside within the existing district vote in favor  
9 of the annexation, the annexation shall not occur. If the petitions are filed  
10 within sixty (60) days after enacting the ordinance, the ordinance shall not  
11 go into effect until and unless the annexation is approved at the election  
12 provided for herein.

13           (e) An attempt at annexation under this section, whether successful or  
14 not, shall in no way reduce the bonding authority of the fire protection  
15 district nor shall the failure of the attempt at annexation have any effect on  
16 the existing fire protection district.

17           (f) No area shall be annexed under this section if it is located within  
18 the service area of another fire protection entity pursuant to Arkansas Code  
19 14-284-207."

21           SECTION 3. All provisions of this Act of a general and permanent nature  
22 are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code  
23 Revision Commission shall incorporate the same in the Code.

24

25           SECTION 4. If any provision of this Act or the application thereof to  
26 any person or circumstance is held invalid, such invalidity shall not affect  
27 other provisions or applications of the Act which can be given effect without  
28 the invalid provision or application, and to this end the provisions of this  
29 Act are declared to be severable.
