4 Aerospace and Industry Development Fund for the purpose of creating various

31 construction, reconstruction, demolition, site development, transportation,
32 contracts and related costs associated with the creation, expansion, and
33 rehabilitation of water or sewer systems, streets and roads, bridges, drainage
34 and other vital public facilities, or to provide training or retraining of the
35 workforce to new or existing industry. Use of the funds for such training
36 shall be limited to training where no other existing education or training

1 program is capable of meeting the specific training needs of the aviation and
2 aerospace industry. The public purpose must be certified by the Chief Fiscal
3 Officer of the State. Provided, however, that before any funds are disbursed
4 under the provisions of this Act, the Chief Fiscal Officer of the State shall
5 promulgate such rules and regulations as may be needed to ensure that any
6 recipient shall contribute to the economy of this State consistent with the
7 intents of this Act.

8

9 *SECTION 5. It is the intent of the 78th General Assembly meeting in*
10 *extraordinary session that the financing of the aerospace and industrial*
11 *development program through a transfer from the State Apportionment Fund is*
12 *not to be a precedent in financing programs in this state. We recognize that*
13 *an unusual and possible unique situation exists that requires the General*
14 *Assembly to deviate from its normal practice of establishing priorities and*
15 *allowing the programs to receive financing through the Arkansas Revenue*
16 *Stabilization Law. It is our intent to provide any financial support for the*
17 *program contained in this act in the future, if any, through the process of it*
18 *receiving a share of the distribution of the "general revenues available for*
19 *allocation" in the Arkansas Revenue Stabilization Law.*

20

21 SECTION 6. COMPLIANCE WITH OTHER LAWS. Disbursement of funds
22 authorized by this Act shall be limited to the appropriation for such agency
23 and funds made available by law for the support of such appropriations; and
24 the restrictions of the State Purchasing Law, the General Accounting and
25 Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary
26 Procedures and Restrictions Act, or their successors, and other fiscal control
27 laws of this State, where applicable, and regulations promulgated by the
28 Department of Finance and Administration, as authorized by law, shall be
29 strictly complied with in disbursement of said funds.

30

31 SECTION 7. LEGISLATIVE INTENT. It is the intent of the General
32 Assembly that any funds disbursed under the authority of the appropriations
33 contained in this Act shall be in compliance with the stated reasons for which
34 this Act was adopted, as evidenced by the Agency Requests, Executive
35 Recommendations and Legislative Recommendations contained in the budget

1 manuals prepared by the Department of Finance and Administration, letters, or
2 summarized oral testimony in the official minutes of the Arkansas Legislative
3 Council or Joint Budget Committee which relate to its passage and adoption.

4

5 SECTION 8. CODE. All provisions of this Act of a general and permanent
6 nature are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas
7 Code Revision Commission shall incorporate the same in the Code.

8

9 SECTION 9. SEVERABILITY. If any provision of this Act or the
10 application thereof to any person or circumstance is held invalid, such
11 invalidity shall not affect other provisions or applications of the Act which
12 can be given effect without the invalid provision or application, and to this
13 end the provisions of this Act are declared to be severable.

14

15 SECTION 10. GENERAL REPEALER. All laws and parts of laws in conflict
16 with this Act are hereby repealed.

17

18 SECTION 11. EMERGENCY CLAUSE. It is hereby found and determined by the
19 Seventy-Eighth General Assembly meeting in First Extraordinary Session, that
20 the provisions of this Act are of critical importance to the provisions of
21 governmental goods and services to the people of the State of Arkansas, and to
22 provide sufficient funding for unique opportunities in the economic
23 development in the State of Arkansas. Therefore, an emergency is hereby
24 declared to exist, and this Act being necessary for the immediate preservation
25 of the public peace, health, and safety shall be in full force and effect from
26 and after its passage and approval.
