20 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

21

22 SECTION 1. Arkansas Code § 6-20-413 is hereby amended to read as
23 follows:

24 "6-20-413. Fiscal distress.

25 (a) The State Board of Education is hereby authorized to develop
26 indicators of fiscal distress in school districts and to promulgate the
27 necessary rules and regulations so that the Director of the General Education
28 Division of the Department of Education shall provide technical assistance to
29 school districts determined by the Director to be in fiscal distress and shall
30 insure, to the extent possible, that a fiscal crisis will not interrupt the
31 educational services provided to the students of a school district.

32 (b) In providing technical assistance to a school district in fiscal
33 distress, the Director shall have the authority to request that Legislative
34 Audit perform an immediate audit.

35 (c) If Legislative Audit determines that the expenses of the

1 school district exceed revenue receipts, as defined by § 6-20-401(1),
2 Legislative Audit shall immediately file a report stating its findings with
3 the Joint Interim Committee on Education, the Joint Audit Committee, the
4 Arkansas Department of Education, and the prosecuting attorney responsible for
5 prosecuting actions within the local school district's attendance area.

6 (d) (1) Upon receipt of Legislative Audit's report indicating that the
7 district's expenses exceed revenue receipts, the prosecuting attorney shall
8 investigate to determine if there has been a violation of state law.

9 (2) The prosecuting attorney shall remove from office any local
10 school board member found in violation of state law and shall request the
11 Arkansas Department of Education to oversee the administration of the district
12 for an interim period until the department can determine what is in the best
13 interests of the students in the district.

14 (3) The failure of the prosecuting attorney to file a timely
15 action once notified shall be considered neglect of duty, subjecting the
16 prosecuting attorney to the provisions of § 16-21-116.

17 (e) During the interim period, the Director shall have authority to do
18 what is necessary to provide an education to the students of the district,
19 including, but not limited to the following:

20 (1) To take over the administration of the district, requiring
21 the local superintendent to relinquish all authority with respect to the
22 district, and to appoint an administrator to be responsible for operating the
23 district under the supervision of the Director.

24 (2) To use set aside funds created by § 6-20-313(7) to compensate
25 the appointed administrator for operating the local school district.

26 (3) To have all powers and duties of a local school board under §
27 6-13-620.

28 (4) With the exception of § 6-17-1501 et seq. and § 6-17-1701 et
29 seq., to waive the application of state law or Department of Education
30 regulations to the financially distressed school district.

31 (5) To determine, after consultation with the appointed
32 administrator, whether it is financially feasible to continue operation of the
33 local district or whether annexation to an adjacent district or districts is
34 necessary; and

35 (6) If annexation to an adjacent district or districts is

1 necessary, to have exclusive authority in determining the boundary lines of
2 the new district or districts, to allocate the assets and the liabilities of
3 the financially distressed district, and to allocate funds to complete the
4 current school year from the set aside funds established by § 6-20-313(7) to
5 any district or districts receiving a portion of the financially distressed
6 district.

7 (7) To call for an election of a new school board for the
8 district if, after consultation with the appointed administrator, the Director
9 determines that continued operation of the district without annexation to
10 another district or districts is financially feasible; and

11 (8) To turn the administration of the district over to the newly
12 elected school board. The district shall reimburse county board(s) of
13 election commissioners for the costs of the election as otherwise provided by
14 law.

15

22 school and the state base equalization rate. Educational costs funded under
23 this subsection are specifically covered by §6-20-316(b).

24 (7) Funds shall be set aside for the costs of appointing an

30

31 SECTION 3. All provisions of this act of a general and permanent nature
32 are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code
33 Revision Commission shall incorporate the same in the Code.

34

35 SECTION 4. If any provision of this act or the application thereof to

1 any person or circumstance is held invalid, such invalidity shall not affect
2 other provisions or applications of the act which can be given effect without
3 the invalid provision or application, and to this end the provisions of this
4 act are declared to be severable.

5

6 SECTION 5. All laws and parts of laws in conflict with this act are
7 hereby repealed.

8

9 SECTION 6. EMERGENCY. It is hereby found and determined by the Seventy
10 Ninth General Assembly that a number of local school districts in Arkansas are
11 experiencing fiscal distress which could require the districts to shut school
12 down before the end of the current school year and that this Act should
13 therefore be given effect immediately so that the State Department of
14 Education can take action to insure that the schools will remain open for the
15 entire school year. Therefore, an emergency is hereby declared to exist and
16 this Act being immediately necessary for the preservation of the public peace,
17 health and safety shall be in full force and effect from and after its passage
18 and approval.
