## 14 **Subtitle**

15 "AN ACT FOR THE DEPARTMENT OF FINANCE AND ADMINISTRATION -  
16 DISBURSING OFFICER APPROPRIATION."

17

18 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

19

20 SECTION 1. APPROPRIATIONS. There is hereby appropriated, to the  
21 Department of Finance and Administration - Disbursing Officer, to be payable  
22 from the Aerospace and Industry Development Fund, for economic development and  
23 enhancement of the Aviation and Aerospace Industry in Arkansas for the  
24 biennial period ending June 30, 1995, the following:

25

26 ITEM	FISCAL YEARS	
27 NO.	1993-94	1994-95
28 (01) ECONOMIC DEVOPMENT/ENHANCEMENT	\$ 10,000,000	\$ 10,000,000

29

30 SECTION 2. Funds appropriated for economic development and enhancement  
31 of the aviation and aerospace industry in the State of Arkansas may only be  
32 disbursed upon the recommendation of the Arkansas Aviation and Aerospace  
33 Commission or the Arkansas Industrial Development Commission. Such funds may  
34 be utilized for construction, reconstruction, demolition, site development,  
35 transportation, contracts and related costs associated with the creation,

1 expansion, and rehabilitation of water or sewer systems, streets and roads,  
2 bridges, drainage and other vital public facilities, or to provide training or  
3 retraining of the workforce to new or existing industry. Use of the funds for  
4 such training shall be limited to training where no other existing education  
5 or training program is capable of meeting the specific training needs of the  
6 aviation and aerospace industry. The public purpose must be certified by the  
7 Chief Fiscal Officer of the State. Provided, however, that before any funds  
8 are disbursed under the provisions of this Act, the Chief Fiscal Officer of  
9 the State shall promulgate such rules and regulations as may be needed to  
10 ensure that any recipient shall contribute to the economy of this State  
11 consistent with the intents of this Act.

12

13 SECTION 3. FUNDS TRANSFERRED. Upon direction by the Governor and upon  
14 certification from time to time by the Chief Fiscal Officer of the State, the  
15 State Treasurer shall transfer from the General Revenue Fund Account of the  
16 State Apportionment Fund, an amount not to exceed ten million dollars  
17 (\$10,000,000) during the biennial period ending June 30, 1995, to the  
18 Aerospace and Industry Development Fund for the purpose of creating various  
19 economic development enhancements in the aviation and aerospace industry in  
20 Arkansas, provided however not more than \$4,000,000 may be transferred prior  
21 to June 30, 1994. Funding not to exceed \$4,000,000 may be transferred prior  
22 to June 30, 1994 if the Governor determines that such funds are necessary to  
23 secure the location or expansion of projects eligible for funding under this  
24 Act. If on June 30, 1994, net general revenue available for distribution  
25 exceeds funding of 48% of the "B" allotment of the Revenue Stabilization Act,  
26 A.C.A. § 19-5-402 (b), an amount not to exceed \$10,000,000 or the amount by  
27 which net general revenue available for distribution exceeds 48% of "B"  
28 allotment of said Revenue Stabilization Act, whichever is less, may be  
29 transferred to the fund.

30

31 During fiscal year ending June 30, 1995, no funds may be transferred  
32 unless the Chief Fiscal Officer of the State has provided a forecast of net  
33 general revenue available for distribution that exceeds funding of 55.34% of  
34 the "B" allotment of the Revenue Stabilization Act, A.C.A. § 19-5-404 (b), for  
35 the fiscal year ending June 30, 1995 by a minimum of \$10,000,000, except that

1 funding not to exceed \$4,000,000 may be transferred if the Governor determines  
2 that such funds are necessary to secure the location or expansion of projects  
3 eligible for funding under this Act. Provided however, that in no event may  
4 more than a total of \$10,000,000 be transferred during the biennium ending  
5 June 30, 1995.

6

7 SECTION 4. It is the intent of the General Assembly that the financing  
8 of the aerospace and industrial development program through a transfer from  
9 the State Apportionment Fund is not to be a precedent in financing programs in  
10 this state. We recognize that an unusual and possible unique situation exists  
11 that requires the General Assembly to deviate from its normal practice of  
12 establishing priorities and allowing the programs to receive financing through  
13 the Arkansas Revenue Stabilization Law. It is our intent to provide any  
14 financial support for the program contained in this act in the future, if any,  
15 through the process of it receiving a share of the distribution of the  
16 "general revenues available for allocation" in the Arkansas Revenue  
17 Stabilization Law.

18

19 SECTION 5. COMPLIANCE WITH OTHER LAWS. Disbursement of funds  
20 authorized by this Act shall be limited to the appropriation for such agency  
21 and funds made available by law for the support of such appropriations; and  
22 the restrictions of the State Purchasing Law, the General Accounting and  
23 Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary  
24 Procedures and Restrictions Act, or their successors, and other fiscal control  
25 laws of this State, where applicable, and regulations promulgated by the  
26 Department of Finance and Administration, as authorized by law, shall be  
27 strictly complied with in disbursement of said funds.

28

29 SECTION 6. LEGISLATIVE INTENT. It is the intent of the General  
30 Assembly that any funds disbursed under the authority of the appropriations  
31 contained in this Act shall be in compliance with the stated reasons for which  
32 this Act was adopted, as evidenced by the Agency Requests, Executive  
33 Recommendations and Legislative Recommendations contained in the budget  
34 manuals prepared by the Department of Finance and Administration, letters, or  
35 summarized oral testimony in the official minutes of the Arkansas Legislative

1 Council or Joint Budget Committee which relate to its passage and adoption.

2

3 SECTION 7. CODE. All provisions of this Act of a general and permanent  
4 nature are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas  
5 Code Revision Commission shall incorporate the same in the Code.

6

7 SECTION 8. SEVERABILITY. If any provision of this Act or the  
8 application thereof to any person or circumstance is held invalid, such  
9 invalidity shall not affect other provisions or applications of the Act which  
10 can be given effect without the invalid provision or application, and to this  
11 end the provisions of this Act are declared to be severable.

12

13 SECTION 9. GENERAL REPEALER. All laws and parts of laws in conflict  
14 with this Act are hereby repealed.

15

16 SECTION 10. EMERGENCY CLAUSE. It is hereby found and determined by the  
17 Seventy-Ninth General Assembly, that the Constitution of the State of Arkansas  
18 prohibits the appropriation of funds for more than a two (2) year period; that  
19 the effectiveness of this Act on July 1, 1993 is essential to the operation of  
20 the agency for which the appropriations in this Act are provided, and that in  
21 the event of an extension of the Regular Session, the delay in the effective  
22 date of this Act beyond July 1, 1993 could work irreparable harm upon the  
23 proper administration and provision of essential governmental programs.  
24 Therefore, an emergency is hereby declared to exist and this Act being  
25 necessary for the immediate preservation of the public peace, health and  
26 safety shall be in full force and effect from and after July 1, 1993.
