10

11           SECTION 3. LEGISLATIVE INTENT. It is the intent of the General

1 Ecology and the Department of Health are, due to unforeseen circumstances,  
2 insufficient for the Department of Pollution Control and Ecology and the  
3 Department of Health to continue to provide essential governmental services;  
4 that the provisions of this act will provide the necessary monies for the  
5 Department of Pollution Control and Ecology and the Department of Health to  
6 continue such services; and that a delay in the effective date of this Act  
7 could work irreparable harm upon the proper administration and provision of  
8 essential governmental programs. Therefore, an emergency is hereby declared  
9 to exist and this Act being necessary for the immediate preservation of the  
10 public peace, health and safety shall be in full force and effect from and
