30 (a) Every parent, guardian, or other person residing within the State
31 of Arkansas having custody or charge of any child or children age five (5)
32 through seventeen (17) years on October 1 of that year, both inclusive, shall
33 enroll and send the child or children to a public, private, or parochial
34 school or provide a home school for the child or children as described in §
35 6-15-501 et seq. under such penalty for noncompliance, as shall be set by law

1 with the following exceptions:

2 (1) Any child who has received a high school diploma, or its
3 equivalent as determined by the State Board of Education, is not subject to
4 the attendance requirement.

5 (2) Any parent, guardian, or other person residing within the
6 state and having custody or charge of any child or children may elect for the
7 child or children not to attend kindergarten if the child or children will not
8 be age six (6) on October 1 of that particular school year. If such an
9 election is made, the parent, guardian, or other person having custody or
10 charge of the child must file a signed kindergarten waiver form with the local
11 district administrative office. Such form shall be prescribed by regulation
12 of the Department of Education. On filing the kindergarten waiver form, the
13 child or children shall not be required to attend kindergarten in that school
14 year.

15 (3) Any child age sixteen (16) or above enrolled in a
16 postsecondary vocational-technical institution, a community college, or a

18 attendance requirement.

19 (4) Any child age sixteen (16) or above enrolled in an adult
20 education program *or the National Guard Youth Challenge Program* as provided
21 for in subsection (b) is not subject to the attendance requirement. *However,*
22 *the requirements in subsection (b) shall not apply to the National Guard Youth*
23 *Challenge Program until July 1, 1995.*

24 (5) Any child age sixteen (16) or above enrolled in an adult
25 education program prior to June 13, 1994, under a waiver granted by the local
26 school district, and currently attending the program is not subject to the
27 attendance requirement.

28 (b) A local school district may grant a waiver of the attendance
29 requirement to any child age sixteen (16) or seventeen (17) to enroll in an
30 adult education program after all of the following requirements have been met:

31 (1) The child makes formal application to the school district for
32 a waiver to enroll in an adult education program.

33 (2) The child and the child_s parents, guardians, or persons in

7 writing that the child will have regular attendance and appropriate conduct.

8 (c) Any child who will be six (6) years of age on or before October 1
9 of the school year of enrollment and who has not completed a state-accredited
10 kindergarten program shall be evaluated by the district and placed either in
11 the first grade or kindergarten depending upon the results of the evaluation."
12

13 SECTION 2. Arkansas Code Annotated § 6-18-222 is hereby amended to read
14 as follows:

15 "6-18-222. Penalty for excessive unexcused absences - Revocation of
16 driving privilege.

17 (a) (1) (A) The board of directors of each school district in this state
18 shall adopt a student attendance policy as provided for in § 6-18-209, which
19 shall include a certain number of excessive absences which may be used as a
20 basis for denial of course credit, promotion, or graduation. However,
21 excessive absences shall not be a basis for expulsion or dismissal of a
22 student.

23 (B) The legislative intent is that a student having excessive
24 absences because of illness, accident, or other unavoidable reasons should be
25 given assistance in obtaining credit for the courses.

26 (2) The State Board of Vocational Education shall adopt a student
27 attendance policy for sixteen (16) and seventeen (17) year olds enrolled in an
28 adult education program, which shall require a minimum attendance of twenty
29 (20) hours per week to remain in the program.

30 (3) A copy of the school district's student attendance policy or
31 the State Board of Vocational Education_s student attendance policy for
32 sixteen (16) and seventeen (17) year olds enrolled in adult education shall be
33 provided to the student's parents, guardians, or persons in loco parentis at
34 the beginning of the school year or upon enrollment, whichever event first
35 occurs.

1 (4) The student's parents, guardians, or persons in loco parentis
2 shall be notified when the student has accumulated excessive absences equal to
3 one-half (1/2) the total number of absences permitted under the school
4 district's or the State Board of Vocational Education's student attendance
5 policy per semester. Notice shall be by telephonic contact with the student's
6 parents, guardians, or persons in loco parentis by the end of the school day
7 in which such absence occurred or by regular mail with a return address on the
8 envelope sent no later than the following school day.

9 (5) Whenever a student exceeds the number of excessive absences
10 provided for in the district's or the State Board of Vocational Education's
11 student attendance policy, the school district or the adult education program
12 shall notify the prosecuting authority, and the student's parents, guardians,
13 or persons in loco parentis shall be subject to a civil penalty in such an
14 amount as a court of competent jurisdiction, presiding in the presence of a
15 representative of the school district, may prescribe, but not to exceed five
16 hundred dollars (\$500) plus costs of court and any reasonable fees assessed by
17 the court. The penalty shall be forwarded by the court to the school or the
18 adult education program attended by the student.

19 (6) Upon notification by the school district or the adult education
20 program to the prosecuting authority, the prosecuting authority shall file an
21 action which shall be exempt from all filing fees for civil cases in the
22 appropriate court to impose the civil penalty set forth in subdivision (a) (5)
23 of this section and shall take whatever action is necessary to collect the
24 penalty provided for therein. The failure of the prosecuting authority to
25 timely file an action or pursue collection on a case once notified shall be
26 considered neglect of duty, subjecting the prosecuting attorney to the
27 provisions of § 16-21-116. Actions under this section shall be filed in an
28 appropriate municipal court as a matter of preference.

29 (7) The penalty set forth in this section is to impress upon the
30 parents, guardians, or persons in loco parentis the importance of school or
31 adult education attendance and is not to be used as a primary source of
32 revenue. When assessing penalties, the court shall be aware of any available
33 programs designed to improve the parent-child relationship or parenting
34 skills. When practicable and appropriate, the court may utilize mandatory
35 attendance to such programs as well as community service requirements in lieu

1 of monetary penalties.

2 (8) In cases where the court determines the student's unexcused
3 absences cannot be attributed to the parents, guardians, or persons in loco
4 parentis, the action may be suspended or dismissed conditioned on a petition
5 being filed in juvenile court to seek services on behalf of the student.

6 (9) As used in this section, prosecuting authority means the
7 elected district prosecuting attorney, or his appointed deputy, for schools
8 located in unincorporated areas of the county or within cities not having a
9 police or municipal court and means the prosecuting attorney of the city for
10 schools located within the city limits of cities having either a police court
11 or a municipal court in which a city prosecutor represents the city for
12 violations of city ordinances or traffic violations.

13 (10) In any instance where it is found that the school district or
14 the adult education program or the prosecuting authority is not complying with
15 the provisions of this section, the State Board of Education may petition the
16 circuit court to issue a writ of mandamus.

17 (b)(1) Each public, private, or parochial school shall notify the
18 Department of Finance and Administration whenever a student fourteen (14)
19 years of age or older is no longer in school.

20 (2) Each adult education program shall notify the Department of
21 Finance and Administration whenever a student sixteen (16) or seventeen (17)
22 years of age has left the program without receiving a high school equivalency
23 certificate.

24 (3)(A) Upon receipt of such notification, the Department of Finance
25 and Administration shall notify the licensee by certified mail, return receipt
26 requested, that his motor vehicle operator's license will be suspended unless
27 a hearing is requested in writing within thirty (30) days from the date of
28 notice.

29 (B) The licensee shall be entitled to retain or regain his
30 license by providing the Department of Finance and Administration with
31 adequate evidence that:

32 (i) The licensee is eighteen (18) years of age;

33 (ii) The licensee is attending school or an adult education
34 program; or

35 (iii) The licensee has obtained a high school diploma or

1 its equivalent.

2 (C) (i) In cases where demonstrable financial hardship would
3 result from the suspension of the learner's permit or driver's license, the
4 Department of Finance and Administration may grant exceptions only to the
5 extent necessary to ameliorate the hardship.

6 (ii) If it can be demonstrated that the conditions
7 for granting a hardship were fraudulent, the parent, guardian, or person in
8 loco parentis shall be subject to all applicable perjury statutes.

9 (D) The Department of Finance and Administration shall have the
10 power to promulgate rules and regulations to carry out the intent of this
11 section and shall distribute to each public, private, and parochial school and
12 each adult education program a copy of all rules and regulations adopted under
13 this section."

14

15 SECTION 3. Arkansas Code Annotated § 27-16-701 is hereby amended to
16 read as follows:

20 noncommercial driver's license shall be made upon a form furnished by the

28 refusal.

29 (c) (1) Every application form for an instruction permit, commercial or
30 noncommercial driver's license, or for any renewal of these licenses or
31 permits shall include space for the applicant's social security number if he
32 has been assigned such a number.

33 (2) Every applicant shall supply his social security number on the
34 application form when he has been assigned such a number, except that an
35 applicant for an instruction permit for a noncommercial driver's license shall

1 not be required to supply his or her social security number and may choose
2 whether to use his or her social security number on the application.

3 (d) Every application for an instruction permit or for a driver's
4 license by a person less than eighteen (18) years old on October 1 of any year

27 6-15-504 and 6-15-505 in order to be issued a license.

28 (C) If the student becomes eligible for a license before
29 taking the annual achievement test for that school year, he may be issued a
30 temporary license either upon the presentation of satisfactory test results
31 from the previous school year or, if the student was not enrolled in a home
32 school during the previous school year, a proof of satisfactory progress in

34 license shall expire upon the next July 1 after it is issued; or

35 (3) Proof that such person is enrolled in a postsecondary

1 vocational-technical program, a community college, or a two-year or four-year
2 institution of higher education.

3 (e) The Department of Education shall develop guidelines for use by
4 school districts to provide a certified exemption from the C average
5 requirement of subdivision (d) (1) (A) (i) of this section to a student found to
6 be performing at his or her fullest level of capability although such may be
7 below a C average.

8 (f) (1) Any person less than eighteen (18) years old who is unable to
9 meet the requirements of subsection (d) of this section may petition the
10 Office of Driver Services that he or she be issued a restricted permit for
11 employment-related purposes.

12 (2) (A) The Office of Driver Services shall advise the person of the
13 time and place for making such request and for the hearing thereon, which

15 (B) Such notice shall be given by mailing the notice to the

32 "5-4-323. Additional conditions - High school diploma or general
33 education development certificate.

2 school diploma or a general education development certificate unless the
3 person has already achieved the diploma or certificate.

4 (B) Such requirement shall be implemented only after the
5 appropriate school or adult education program has received notice from the
6 court at least ten (10) working days prior to the person making application to
7 enroll so as to allow school or program officials to review the person's
8 educational records and only upon the acceptance of the person by the
9 administrative head of the school or adult education program.

10 (C) If no appropriate school or adult education program can be
11 found, the requirement is of no effect.

12 (2) The court, after consultation with the school or the adult
13 education program, shall determine the appropriate documentation for those
14 individuals participating under the provisions of this section and shall
15 report all documentation of school or adult education program participation on
16 a quarterly basis to the Administrative Office of the Courts who shall then
17 report to the Governor's Commission on Adult Literacy.

18 (b) The court shall not revoke a suspension of sentence or probation

6 the invalid provision or application, and to this end the provisions of this
7 act are declared to be severable.

8

9 SECTION 8. All laws and parts of laws in conflict with this act are
10 hereby repealed.

11

12 SECTION 9. EMERGENCY. It is hereby found and determined by the
13 Seventy-Ninth General Assembly, meeting in Second Extraordinary Session, that
14 under current law, sixteen and seventeen year olds can no longer enroll in

18 to exist and this act being necessary for the preservation of the public
19 peace, health and safety shall be in full force and effect from and after its
