SECTION 8. EMERGENCY CLAUSE. It is hereby found and determined by the Eightieth General Assembly that funds provided by the General Assembly for the operations of the State Military Department are, due to unforeseen circumstances, insufficient for the State Military Department to continue to provide essential governmental services; that the provisions of this act will provide the necessary monies for the State Military Department to continue such services; and that a delay in the effective date of this Act could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after the date of its passage and approval.
