18 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

19

20 SECTION 1. Arkansas Code 17-22-101 is amended to read as follows:  
21  
22       "§ 17-22-101. Definition.

23       (a) As used in this chapter, unless the context otherwise requires,  
24       contractor means any person, firm, partnership, copartnership, association,  
25       corporation, or other organization, or any combination thereof, who, for a  
26       fixed price, commission, fee, or wage, attempts to or submits a bid to  
27       construct, or contracts or undertakes to construct, or assumes charge, in a  
28       supervisory capacity or otherwise, or manages the construction, erection,  
29       alteration, or repair, or has or have constructed, erected, altered, or  
30       repaired, under his, their, or its direction, any building, apartment,  
31       condominium, highway, sewer, utility, grading, or any other improvement or  
32       structure on public or private property for lease, rent, resale, public  
33       access, or similar purpose, when the cost of the work to be done, or done, in  
34       the State of Arkansas by the contractor, including, but not limited to, labor

1 and materials, is twenty thousand dollars (\$20,000) or more. However, when a  
2 person or entity acts as a contractor in the construction, erection,  
3 alteration, or repair of his own or its own property, such action shall not  
4 result in the person or entity being deemed a contractor under this chapter.

5                 (b) However, the twenty thousand dollar (\$20,000) exception  
6 shall not apply to any project of construction in which any of the  
7 construction work necessary to complete the project, except any in-progress  
8 change orders, is divided into separate contracts of amounts less than twenty  
9 thousand dollars (\$20,000), a purpose being to circumvent the provisions of  
10 this chapter.

11                 (c) It is the intention of this definition to include all improvements  
12 or structures."

13

30                 (b) However, when a person or entity acts as a contractor in the  
31 construction, erection, alteration, or repair of his own or its own property,  
32 or if the cost of the work to be done, including, but not limited to, labor  
33 and materials, is less than twenty thousand dollars (\$20,000), the person or  
34 entity shall not be deemed a contractor under this chapter."
