30 Board may decide as it applies to the type and kind of license being
31 sought.

32 (c) Any person who has permitted a license to expire or who has a
33 license on inactive status may have it restored by submitting an application
34 to the Board and filing proof of fitness to have the license restored,
35 including, if appropriate, evidence which is satisfactory to the Board
36 certifying the practice was licensed in another jurisdiction and by paying the

1 required fee.

2 (d) If the person has not maintained an active practice in another
3 jurisdiction which is satisfactory to the Board, the Board shall determine the
4 person's fitness to resume active status. The Board may also require the
5 person to complete a specified period of evaluated hypnotherapy work
6 experience.

7 (e) Any person whose license expired while on active duty with the armed
8 forces of the United States, while called into service or training with the
9 State Militia or in training or education under the supervision of the United
10 States Government prior to induction into the military service may have his or
11 her license restored without paying any renewal fees if, within five (5) years
12 after the termination of such service, training, or education, except under
13 condition other than honorable, the Board is furnished with satisfactory
14 evidence that the person has been so engaged and that such service, training
15 or education has been so terminated.

Section 14. Miscellaneous fees.

(a) Fees for the services provided by the Board specified in this act may, from time to time, be adjusted by the Board for licensing qualified persons who have applied for licenses as Licensed Hypnosis Practitioners. For a period of one (1) year after the enactment of this act, ninety percent (90%) of all the fees collected under this act shall be disposed of as provided in subsection (c), and ten percent (10%) shall be deposited into the General

1 Revenue Fund. In all years thereafter all of the fees collected under this act
2 shall be disposed of as provided in subsection (c).

3 (b) All fees and fines authorized by this act are the property of the
4 Board and shall be provided to its treasurer to be disposed of as provided in
5 this act. Any surplus in the treasury of the Board at the end of the fiscal
6 year shall remain in the treasury and may be expended in succeeding years for
7 the purposes herein set out.

8 (c) All funds received by the Board shall be deposited into a financial
9 institution designated by the Board and expended in the furtherance of the
10 purpose of this act and the Boards duties. Funds received by the Board may

30
31 Section 15. Checks or orders dishonored. Any person who issues or
32 delivers a check or other order to the Board which is not honored on two (2)
33 occasions by the financial institution upon which it is drawn because of
34 insufficient funds on account, the account is closed, or a stop payment has
35 been placed on the account shall pay to the Board in addition to the amount
36 owing upon such check or other order, a minimum fee of fifty dollars (\$50). If

1 the check or other order was issued or delivered in payment of a renewal fee
2 and the person whose license as a Licensed Hypnosis Practitioner has lapsed
3 continues to practice without paying the renewal fee and the fee required
4 under this section, an additional penalty of one hundred dollars (\$100)
5 minimum shall be imposed for practicing without a current license. The fees
6 and penalties imposed by this section are in addition to any other penalty for
7 practicing hypnotherapy without a license as a Licensed Hypnosis Practitioner.
8 The Board shall notify the person whose license has lapsed that the person is
9 engaged in the unauthorized practice of hypnotherapy and the amount due the
10 Board, which shall include the lapsed renewal fee and the other required fees.
11 If after the expiration of thirty (30) days after the date of the notification
12 the person whose license as a Licensed Hypnosis Practitioner has lapsed seeks
13 a current license, the person shall thereafter apply to the Board for
14 reinstatement of license and shall pay all fees due to the Board. The Board
15 may establish a fee for the processing of an application for reinstatement of
16 a license that allows the Board to pay all costs and expenses incident to the
17 processing of this application. However, the Director may waive or reduce the
18 fees in individual cases where he or she finds they would be unnecessarily
19 burdensome.

20

21 Section 16. Endorsement. The Board may at its discretion, issue a
22 license for the practice of hypnotherapy to a person who has not completely
23 fulfilled all of the qualifications for the practice of hypnotherapy specified
24 by this act, but who is already licensed to practice hypnotherapy under the
25 laws of another state, if the requirements for license in that state are, on
26 the date of licensing, substantially equal to the requirements of this act in
27 the opinion of the Board. Such applicant shall pay all of the required fees
28 and complete the applications as directed by the Board.

29

30 Section 17. Privileged communications and exceptions.

31 (a) No Licensed Hypnosis Practitioner shall disclose any information
32 acquired from persons consulting the Licensed Hypnosis Practitioner in his or
33 her capacity as a Licensed Hypnosis Practitioner, except that which may be
34 voluntarily disclosed under the following circumstances:

35 (1) in the course of formally reporting, conferring, or consulting
36 with administrative superiors, colleagues, or consultants who share

1 professional responsibilities, in which instance all recipients of the
2 information are similarly bound to regard the communication as privileged;

3 (2) with the written consent of the person who provided the
4 information;

5 (3) in the case of death or disability, with the written consent
6 of a personal representative, other person authorized to sue, or the
7 beneficiary of an insurance policy on the person's life, health, or physical
8 condition;

9 (4) when a communication reveals the intended commission of a
10 crime or harmful act and such disclosure is judged necessary the Licensed
11 Hypnosis Practitioner to protect any person from a clear, imminent risk of
12 serious mental or physical harm or injury, or to forestall a serious threat to
13 the public safety; or

14 (5) when the person waives the privilege by bringing any public
15 charges against the Licensed Hypnosis Practitioner.

16 (b) When the person is a minor under the laws of the State of Arkansas
17 and the information acquired by the Licensed Hypnosis Practitioner indicates
18 the minor was the victim or subject of a crime, the Licensed Hypnosis
19 Practitioner may be required to testify in any judicial proceedings in which
20 the commission of that crime is the subject of inquiry when, after in camera
21 review of the information that the Licensed Hypnosis Practitioner acquired,
22 the court determines that the interests of the minor in having the information
23 held privileged are outweighed by the requirements of justice, the need to
24 protect the public safety or the need to protect the minor, except as required
25 by law.

26 (c) Any person having access to records or anyone who participates in
27 providing hypnotherapy, or, in providing any human services, is supervised by
28 a Licensed Hypnosis Practitioner, is similarly bound to regard all information
29 and communications as privileged in accord with this section.

30 (d) Nothing in this act shall be construed to prohibit a Licensed
31 Hypnosis Practitioner from voluntarily testifying in court hearings concerning
32 matters of adoption, child abuse, child neglect or other matters pertaining to
33 children except as otherwise prohibited by law.

34 (e) This act does not repeal any other law regarding confidentiality
35 which would otherwise apply to persons licensed under this act.

36

1 Section 18. Grounds for discipline.

2 (a) The Board may refuse to issue, renew, or may revoke, suspend, place
3 on probation, reprimand, or take other disciplinary action as the Board deems
4 appropriate, including the issuance of civil penalties of not less than one
5 hundred dollars (\$100) nor more than five thousand dollars (\$5,000) for each
6 violation, with regard to any one or more of the following with each day

33 grounds is the same or substantially equivalent to those set forth in this
34 section;

23 false or misleading advertising or information relating to the use of
24 hypnosis, programs of study, employment opportunities or success rates;

2 facility will result in an automatic suspension of his or her license. The
3 suspension will end upon release from the facility, if the Board determines
4 that the Licensed Hypnosis Practitioner should be allowed to resume the
5 practice of hypnotherapy.

6
7 Section 19. Violations - injunction, cease and desist order.

8 (a) If any person violates the provisions of the act, the Director may,
9 in the name of the People of the State of Arkansas, through the Attorney
10 General, petition for an order enjoining the violation or for an order
11 enforcing compliance with this act. Upon the filing of a verified petition,
12 the court with appropriate jurisdiction may issue a temporary restraining
13 order without notice or bond, and may preliminarily and permanently enjoin the
14 violation. If it is established that the person has violated or is violating
15 the injunction, the court may punish the offender for contempt of court.
16 Proceedings under this section are in addition to all other remedies and
17 penalties provided by this act.

18 (b) If any person hold himself or herself out as being a Licensed
19 Hypnosis Practitioner or hypnosis school, under this act, then any Licensed
20 Hypnosis Practitioner, interested party, or any person injured thereby may
21 petition for relief as provided in subsection (a) of this section.

22 (c) Whenever, in the opinion of the Board, a person violates any
23 provision of this act, the Board may issue a ruling to show cause why an order
24 to cease and desist should not be entered against that person. The ruling
25 shall clearly set forth the grounds relied upon by the Board and shall allow
26 at least seven (7) days after the date of the ruling to file an answer
27 satisfactory to the Board. Failure to answer to the satisfaction of the Board
28 shall cause an order to cease and desist to be issued.

29
30 Section 20. Investigation of charges - due notice and hearings. The
31 Board may investigate the actions of any applicant or any person holding or
32 claiming to hold a license to practice or teach hypnotherapy, hypnosis, or is
33 a hypnosis school. The Board shall, before revoking, suspending, placing on
34 probation, reprimanding, or taking any other disciplinary action under Section
35 18 of this act, at least ten (10) days prior to the date set for the hearing,
36 notify, in writing, the applicant for, or holder of, a license to practice

1 hypnotherapy or hypnosis of the nature of the charges and that a hearing will
2 be held on the date designated. The written notice may be served by personal
3 delivery or certified or registered mail to the applicant or person licensed
4 to practice hypnotherapy or hypnosis at the address of the last notification
5 to the Board. The Board shall also direct the person licensed as a Licensed
6 Hypnosis Practitioner to file a written answer with the Board, under oath,
7 within twenty (20) days after the service of the notice, and inform the person
8 that if he or she fails to file an answer, his or her registration may be
9 revoked, suspended, placed on probation, reprimanded, or the Board may take
10 any other disciplinary action including the issuance of civil penalties not to
11 exceed five thousand dollars (\$5,000) for each violation, as the Board may
12 deem necessary, without hearing. At the time and place fixed in the notice,
13 representatives of the Board shall proceed to hear the charges and the parties
14 or their counsel shall be accorded ample opportunity to present such
15 statements, testimony, evidence, and argument as may be pertinent to the
16 charges or to their defense. The Board may continue the hearing from time to
17 time.

18

19 Section 21. Record of proceedings and transcripts. The Board, at its
20 expense, shall preserve a record of all proceedings at the formal hearing of
21 any case involving the refusal to issue or to renew a license to practice
22 hypnotherapy or hypnosis. The notice of hearing, complaint, all other
23 documents in the nature of pleadings, written motions filed in the
24 proceedings, the transcript of testimony, and orders of the Board shall be in
25 the record of such proceeding.

26

27 Section 22. Subpoenas - depositions - oaths. The Board has the power to
28 subpoena and to bring before it any person and to take testimony either orally
29 or by deposition, or both, with the same fees and mileage and in the same
30 manner as prescribed in civil cases in the courts of this state. The Director
31 or the designated hearing officer has the power to administer oaths to
32 witnesses at any hearing which the Board is authorized to conduct, and any
33 other oaths authorized in any act administered by the Board. All subpoenas
34 issued by the Board shall be served in the manner prescribed by law for the
35 service of subpoenas issuing from the courts, and all persons so served shall
36 obey the subpoenas or be subject to the penalties provided by law for the

1 disobedience of subpoenas issuing from the courts.

2

3 Section 23. Compelling testimony. Any court, upon application of the
4 Board, designated hearing officer, or the applicant or licensee against whom
5 proceedings under Section 18 of this act are pending, may enter an order
6 requiring the attendance of witnesses and their testimony and the production
7 of documents, papers, files, recordings, books, and records in connection with
8 any hearing or investigation. The court may compel obedience to its order by
9 proceeding for contempt.

10

11 Section 24. Findings and recommendations. At the conclusion of the
12 hearing, the designated hearing officer shall present to the Director a
13 written report of his or her findings of fact, conclusions of law, and
14 recommendations. The report shall contain a finding whether the person
15 licensed to practice hypnotherapy or hypnosis violated this act or any other
16 law or Board regulation. The designated hearing officer shall specify the
17 nature of the violation or failure to comply, and shall make his or her
18 recommendations to the Director. The report of findings of fact, conclusions
19 of law, recommendations of the hearing officer shall be the basis for the
20 Board's order for refusal or for the granting of the license to practice
21 hypnotherapy or hypnosis. If the Director disagrees with the recommendations
22 of the hearing officer, the Director may issue an order in contravention of
23 the recommendation of the hearing officer. The Director shall provide a
24 written report to the designated hearing officer on any disagreement and shall
25 specify the reasons for the action in the final order. The finding is not
26 admissible in evidence against the person in a criminal prosecution brought
27 for the violation of this act.

28

29 Section 25. Rehearings. At the conclusion of the hearing, a copy of the
30 designated hearing officer's report shall be served by the Board upon the
31 applicant or person licensed to practice hypnotherapy or hypnosis, either
32 personally or as provided in this act for the service of the notice of
33 hearing. Within twenty (20) days after such service, the applicant or person
34 licensed to practice hypnotherapy or hypnosis may present to the Board a
35 motion in writing for a rehearing which shall specify the particular grounds
36 for rehearing. If no motion for a rehearing is filed, then upon such denial,

1 the Director may enter any order in accordance with recommendations of the
2 hearing officer, except as provided in Section 26 of this act. If the
3 applicant or person licensed to practice hypnotherapy or hypnosis requests and
4 pays for a transcript of the record within the time for filing a motion for
5 rehearing, the twenty (20) day period within which a motion may be filed shall
6 commence upon the delivery of the transcript to the applicant or person
7 licensed to practice hypnotherapy or hypnosis.

8
9 Section 26. Director rehearings. Whenever the Director believes justice
10 has not been done in the revocation, suspension or refusal to issue or renew a
11 license to practice hypnotherapy or hypnosis, or discipline a licensee, he or
12 she may order a rehearing.

13
14 Section 27. Appointment of a hearing officer. The Director has the
15 authority to appoint any attorney licensed to practice law in the State of
16 Arkansas to serve as the hearing officer in any action for refusal to issue or
17 renew a license to practice hypnotherapy or hypnosis. The hearing officer has
18 full authority to conduct the hearing and may appoint an advisory committee of
19 persons who practice hypnotherapy or hypnosis for remuneration, and who are
20 licensed to practice hypnotherapy or hypnosis by this act. The hearing officer
21 shall report his or her findings of fact, conclusions of law, and
22 recommendations to the Director. If the Director disagrees with the
23 recommendation of the hearing officer, the Director may issue an order in
24 contravention of the recommendation. The Director shall promptly provide a
25 written explanation to the hearing officer on any such disagreement.

26
27 Section 28. Order or certified copy - prima facie proof. An order or
28 certified copy thereof, over the seal of the Board and purporting to be signed
29 by the Director, is prima facie proof that the signature is the genuine
30 signature of the Director, and that the Director is properly appointed and
31 qualified.

32
33 Section 29. Restoration of suspended or revoked license. At any time
34 after the suspension or revocation of any license to practice hypnotherapy or
35 hypnosis or operate a hypnosis school, the Board may restore it to the person
36 licensed upon the written recommendation of the Director, unless after an

1 investigation and hearing the Director determines that restoration is not in
2 the public interest. Should restoration not be in the public interest and
3 unless directed to do so by a court order, the Board shall not for a period of
4 five (5) years following revocation, reinstate a license or allow an owner of
5 a school to seek licensure of another school. Upon expiration of the five (5)
6 years, the applicant must apply for a new license in accordance with the
7 provisions of this act.

8
9 Section 30. Surrender of License. Upon the revocation or suspension of
10 a license to practice hypnotherapy or hypnosis, the person licensed shall
11 immediately surrender his or her license to the Board. If the person so
12 licensed fails to do so, the Board has the right to seize the license.

13
14 Section 31. Summary suspension of license. The Director may summarily
15 suspend the license to practice hypnotherapy or hypnosis without a hearing,
16 simultaneously with the institution of proceedings for a hearing provided for
17 in Section 17 of this act, if the Director finds that evidence in the
18 possession of the Director indicates that the continuation of practice by the
19 Licensed Hypnosis Practitioner would constitute an imminent danger to the
20 public. In the event that the Director summarily suspends the license of an
21 individual without a hearing, a hearing must be held within thirty (30) days
22 after the suspension has occurred.

23
24 Section 32. Administrative review - venue.

25 All final administrative decisions of the Board are subject to judicial
26 review pursuant to the Administrative Procedure Act.

27
28 Section 33. Certification of record - costs. The Board shall not be
29 required to certify any record to the court, to file an answer in court, or to
30 otherwise appear in any court in a judicial review proceeding, unless there is
31 filed in the court, with the complaint, a receipt from the Board acknowledging
32 payment of the costs of furnishing and certifying the record. Failure on the
33 part of the plaintiff to file the receipt in court is grounds for dismissal of
34 the action.

35
36 Section 34. Violations. Unless otherwise specified, any person found to

1 have violated any provision of this act is guilty of a Class A misdemeanor.

2

3 Section 35. Rights of consumers.

4 (a) All contracts entered into with clients or students by hypnosis
5 practitioners or hypnosis schools as defined in the act, and all promissory
6 notes or other evidence of indebtedness taken in lieu of cash payments by such
7 practitioners or schools shall be null and void unless the practitioners or
8 schools are licensed at the time such evidence of indebtedness is incurred as
9 required by this act.

10 (b) Any person shall have the right to recover moneys paid for services
11 or enrollment in such unlicensed situations by petition to the chancery court
12 of the county in which such person resides, provided that, upon recommendation
13 of the Board, the Attorney General may file, on behalf of Arkansas residents
14 contracting with an unlicensed Hypnosis Practitioner or school, an action to
15 recover any moneys paid by Arkansas residents to any unlicensed practitioner
16 or school, which recovery after costs of litigation, shall be held for the use
17 and benefit of persons having paid such moneys.

18

19 Section 36. Home rule. The regulation and license of the practice of
20 hypnotherapy or hypnosis are exclusive powers and functions of the State. No
21 city or county may regulate or license Licensed Hypnosis Practitioners. This
22 section is a denial and limitation of home rule power.

23

24 SECTION 37. All provisions of this act of a general and permanent
25 nature are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas
26 Code Revision Commission shall incorporate the same in the Code.

27

28 SECTION 38. If any provision of this act or the application thereof to
29 any person or circumstance is held invalid, such invalidity shall not affect
30 other provisions or applications of the act which can be given effect without
31 the invalid provision or application, and to this end the provisions of this
32 act are declared to be severable.

33

34 SECTION 39. All laws and parts of laws in conflict with this act are
35 hereby repealed.

36

1 Section 40. Emergency. It is hereby found and determined that minimum
2 standards must be provided for the education and practice of hypnosis
3 practitioners; that there will continue to be a need to provide adequate
4 protection and safeguards for the reputable and ethical practitioner of
5 hypnosis and to the public; that such provisions should be enacted
6 immediately; and that *this act would* so provide. Therefore, an emergency is
7 declared to exist and this act being immediately necessary for the
8 preservation of the public peace, health and safety shall become effective on
9 the date of its approval by the Governor. If the bill is neither approved nor
10 vetoed by the Governor, it shall become effective on the expiration of the
11 period of time during which the Governor may veto the bill. If the bill is
12 vetoed by the Governor and the veto is overridden, it shall become effective
13 on the date the last house overrides the veto.
