SECTION 4. All laws and parts of laws in conflict with this act are hereby repealed.

SECTION 5. Emergency. It is hereby found and determined by the Eighty-First General Assembly of the State of Arkansas that the fiscal soundness of the various retirement systems of cities and other political subdivisions of the state is vital to the operation of Arkansas_ governments; that the proper fiscal management of public retirement systems promotes the goal of good government and provides public employees with an incentive to perform efficiently and effectively; and that any delay in implementing a policy of sound fiscal management with regard to retirement systems of cities and other political subdivisions of the state could result in a financial disaster for any marginally financed retirement system in Arkansas. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health and safety shall become effective on the date of its approval by the Governor. If the bill is neither approved nor vetoed by the Governor, it shall become effective on the expiration of the period of time during which the Governor may veto the bill. If the bill is vetoed by the Governor and the veto is overridden, it shall become effective on the date the last house overrides the veto.
